

**Item 56.****Traffic Treatment - Raised Give Way Intersection - Golden Grove and Abercrombie Streets, Newtown**

TRIM Container No.: 2021/453403

**Recommendations**

It is recommended that the Committee endorse the following traffic treatments in Newtown:

- (A) Installation of a raised marked cycle and pedestrian crossing in Golden Grove Street, north of Abercrombie Street; and
- (B) Convert the roundabout intersection of Golden Grove and Abercrombie Streets to a raised 'Give-Way' intersection.

**Advice**

Advice will be updated after the meeting.

**Background**

The Australian Government has committed funding for a new Road Safety Program. The jointly funded program will also see the NSW government contribute to this program.

The Road Safety Program funding will prioritise the development and delivery of road safety infrastructure projects across NSW, support jobs and stimulate local economies.

### **Comments**

The raised 'Give-Way' intersection and raised marked cycle and pedestrian crossing will help further improve safety in the area as part of the City's commitment to calm traffic and improve the local amenity. The proposed changes will not affect parking and maintain access.

### **Consultation**

The City consulted local residents and businesses in the area. There were 384 letters sent out with no responses supporting or opposing the proposal.

### **Financial**

Appropriate funding for the proposal will be secured once greater certainty on the construction timeline is reached.

**CLEMENT LIM, SENIOR TRAFFIC ENGINEER**
