

Item 2.**Item for Committee Information - Mobile Crane - Temporary Road Closure - Bridge Street, Erskineville**

TRIM Container No.: 2021/536664

Recommendations

It is recommended that the Committee note the temporary road closure of Bridge Street, Erskineville, between Swanson Street and Ashmore Street, (three lanes), from Sunday 26 December to Thursday 30 December 2021, subject to the following conditions:

- (A) The Applicant must comply with the temporary road closure conditions as mentioned in Schedule B of this agenda.
- (B) The Applicant must comply with any other conditions imposed by City's Construction Regulation Unit.
- (C) The Applicant has indicated from 2 to 6 January 2022 as contingency dates.
- (D) The Applicant must contact the South Sydney PAC to discuss deployment of user pay police for the road closure.
- (E) The Applicant is to obtain a Road Occupancy Licence from the Transport Management Centre prior to commencement of works.
- (F) The Applicant must provide a telephone number of the supervisor responsible for the proposed closure and include contact details in the notification letters to be distributed to affected stakeholders.

Advice

The Committee carried the recommendation unanimously out of session

Background

Lack Group Traffic had applied for the temporary road closure of Bridge Street, Erskineville, between Swanson Street and Ashmore Street, (three lanes), from Sunday 26 December to Thursday 30 December 2021

Comments

The proposed temporary road closure was required to allow a mobile crane to be used for the installation of the new southern entrance footbridge, stairs, and lift shafts as part of the Erskineville Station Upgrade.

The Applicant provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There were no other approved temporary road closures proposed to take place on the same day in this area.

The temporary road closure did not affect any other properties, as local access was provided at all times and alternative access routes were available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Transport for NSW (TFNSW). No objections were received from Committee members to this to proceed prior to the Committee meeting.

Consultation

The Applicant was required to notify affected stakeholders as stipulated in Schedule B.

Financial

All costs associated with the proposed closure were borne by the applicant.

CLAUDIA CALABRO, TRAFFIC WORKS COORDINATOR
