Advice

Advice will be updated after the meeting.

Background

The bus operators that service the part-time bus stop (TSN 2000191) on Bent Street, Sydney have requested changes to the bus zone hours to improve their bus operations.

Comments

The part time bus stop (TSN 2000191) on Bent Street, Sydney east of Phillip Street currently operates only during the AM peak from 6am to 10am Monday to Friday and operates as an "Arrivals Only" bus stop. The bus operators that service the part-time bus stop have advised Transport for NSW (TfNSW) that buses arriving at the bus stop after the end of the Bus Zone restrictions are unable to access the bus stop to safely drop off passengers.

To ensure safe and efficient bus operations, TfNSW proposes to extend the Bus Zone hours during the AM peak from 6am to 11am Monday to Friday.

Consultation

Consultation with bus operators has been conducted by TfNSW.

Financial

Transport for NSW will cover costs of signage changes.
