3. Waste Collection – Potts Point

By Councillor Gannon

Question

Waste collection in Potts Point is becoming an increasing concern for residents.

1. Who is contracted to collect waste in Potts Point?
2. What is the boundary of this contract?
3. When is this contract up for renewal?

4. Has the City recently surveyed the waste needs to residents?
 - (a) If yes, what were the results of the survey?
 - (b) If no, will the City be conducting a survey soon?
5. What is the average time between illegal dumping being reported and the collection of the waste?
6. Is there a KPI in the contract for the timely removal of illegally dumped items?
7. Over the last four years have reports of illegal dumping increased in this area? If yes, by how much per year?
8. What else is the City doing to reduce illegal dumping in Potts Point?
9. How many complaints since the beginning of 2022 has the City received about the waste situation in Potts Point?
10. What does the City intend on doing to alleviate the waste burden in Potts Point?
11. How many investigations into illegal dumping has the City undertaken in the past four years?
 - (a) What was the outcome of these investigations?
 - (b) How many fines have been issued as a result of these investigations?
 - (c) How many investigations and penalties have been specific to the Potts Point area?

5. Outdoor Dining Fees

By Councillor Gannon

Question

1. How much revenue did the City make in total from outdoor dining in 2019?
2. How many successful applications for new outdoor dining spaces have been granted since February 2019?
3. How many successful applications for additional outdoor dining spaces have been granted since February 2019?
4. When does the City expect to lift its waiver on outdoor dining fees?
5. How will the City calculate fees for outdoor dining once the waiver is lifted?
6. How will the City calculate fees with specific regard to the new outdoor dining entitlements approved as part of the NSW Government's Alfresco Dining changes (i.e. entitlements on former car parking spaces)?
7. How much revenue does the City expect to collect once the waiver is lifted?
