### For Noting

This memo is for the information of the Lord Mayor and Councillors.

### Background

At the meeting of the Corporate, Finance, Properties and Tenders Committee on 4 April 2022, further information was sought on how the 10 Sustainable Sydney 2030-2050 Continuing the Vision Project Ideas apply across the Local Government Area.

#### **Ten project ideas are proposed to bring life to Sustainable Sydney 2030-2050 Continuing the Vision**

A majority of project ideas extend beyond the city centre and across the entire Local Government Area (LGA).

Project Idea 1 – Yananurala (Harbour Walk) is part of the broader Eora Journey recognition in the public domain program which includes projects in Redfern, and across the entire Local Government Area.

Project Idea 3 – The Green City includes ideas for green avenues such as Broadway and Botany Road, supporting residents to green neighbourhood laneways and ideas for sharing open space at Moore Park.

Project Idea 5 – The Water City includes implementing Local Government Area wide water recycling, water efficiency and water sensitive urban dense projects.

Project Idea 6 – Connecting Green Square covers surface transport connecting Green Square to the city centre.

Project Idea 7 - Metro as Catalyst covers public transport to support the residents of Green Square precinct.

Project Idea 8 – Building on Housing for all covers affordable and social housing across the Local Government Area.

Project Idea 9 – Making space for Culture covers creating space for cultural production and supporting existing cultural precincts across the Local Government Area.

Project Idea 10 – Reimaging Our Community Assets covers the City's community assets across the Local Government Area.
