**Advice**

Advice will be updated after the meeting.

**Background**

In response to a recent removal of two driveways on George Street, Redfern, it is proposed to introduce 1P Permit Parking to match the existing parking restrictions.

### **Comments**

The kerb space on the western side of George Street, Redfern, where the changes are proposed, is currently unrestricted for parking and signposted as 'No Parking'. These two spaces were originally driveways but have recently been removed and the kerb reinstated.

On-site inspections show there is a need to reallocate the new kerb space as "1P 8am-8pm Monday-Friday Permit Holders Excepted Area 41" to match the adjacent kerb space restrictions.

### **Consultation**

The City consulted local residents and businesses in the area. There were 86 letters sent out with no responses supporting or opposing the proposal.

### **Financial**

Funds are available in the current budget.
