Advice

Advice will be updated after the meeting.

Background

The Women's and Girls' Emergency Centre of 36-38 George Street has requested consideration of 15-minute parking 8am-5pm Monday to Friday at the rear in Renwick Street to ensure alternate accessibility to the premises.

Comments

The kerb space on the eastern side of Renwick Street, Redfern, where the changes are proposed, is currently unrestricted for parking.

The parking change request was made by an organisation for Women's and Girls' Emergency Centre specialising in homelessness service for women and families escaping domestic violence.

On-site inspection shows there is a need to provide 15-minute timed parking to increase parking turnover and improve access to the centre.

Consultation

The City consulted local residents and businesses in the area. There were 248 letters sent out with no responses supporting or opposing the proposal.

Financial

Funds are available in the current budget.
