Background

In October 2021, the City and NSW Government entered into a joint partnership to revitalise the city centre, establishing a \$20 million CBD Revitalisation Fund to boost the local economy and invite the public back to the city. The City and NSW government will continue

this work by extending the outdoor dining program across the local government area until the end of June 2023.

Comments

At the LPCTCC meeting on 19 November 2020, the City presented to the Committee an overview of the Alfresco dining program. One of the initiatives included reallocating the road space to install an outdoor dining area in front of businesses. Reallocation of the road space allows businesses to extend operations along the reallocated road space to provide additional outdoor dining opportunities and assist with social distancing.

The City informed that it would seek out-of-session endorsement from the Committee for the temporary reallocation of kerb space for an outdoor dining area. Since November 2020, the City has installed 68 outdoor dining areas in various City streets.

The table below outlines the locations where parking was temporary reallocated to "No Stopping" to install an outdoor dining area since November 2020. Given that the renewal of the City's outdoor dining program, the temporary parking changes at the locations outlined in the table below would be extended to end of June 2023.
