## **Advice**

Advice will be updated after the meeting.

## **Background**

Haiku Building Pty. Ltd. has applied for the temporary road closure of Allen Avenue, Alexandria, (the not trafficable section) between Kingsclear Road and Brandling Lane from 30 May 2022 to 24 June 2022 (24-hour continuous closure).

## **Comments**

The section of Allen Avenue where the road closure is required is a pedestrian and cycling only road (ie the not trafficable section). Users of this road will therefore be detoured through Henderson Lane.

The proposed temporary road closure is required to conduct sewer encasement works along the side of 91 Kingsclear Road.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

## **Consultation**

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

## **Financial**

All costs associated with the proposed closure will be borne by the applicant.
