Draft Operational Plan 2022/23

Draft Operational Plan 2022/23

The Council of the City of Sydney acknowledges the Gadigal of the Eora Nation as the Traditional Custodians of our local area. We acknowledge Elders past and present and celebrate the diversity of Aboriginal and Torres Strait Islander peoples and their ongoing cultures and connections to Country.

1. Aboriginal and Torres Strait Islander statement

Aboriginal and Torres Strait Islander communities in the City of Sydney were extensively consulted more than a decade ago to inform Sustainable Sydney 2030 and this consultation continues today.

The First Peoples Dialogue Forum was an integral part of the community engagement process to ensure that Aboriginal and Torres Strait Islander voices were influential in developing our Community Strategic Plan Delivering Sustainable Sydney 2030–2050. The Aboriginal and Torres Strait Islander Advisory Panel was also briefed and invited to participate in workshops and forums.

The City of Sydney is committed to listening to, working with and elevating the voices of Aboriginal and Torres Strait Islander peoples in the city. We acknowledge the harmful impact of colonisation and government policies is still impacting on the city's Aboriginal and Torres Strait Islander peoples. It has led to intergenerational trauma and disadvantage in housing, education, health and wellbeing.

By addressing housing affordability, cost of living and gentrification, we will work to prevent further displacement of Aboriginal and Torres Strait Islander peoples. The City of Sydney understands that these past injustices affect us all as a nation and must be addressed in consultation with Aboriginal and Torres Strait Islander peoples.

We recognise that the British occupation of the shores of Warrane, Sydney Harbour which began in 1788 had far-reaching and devastating impacts on the Eora nation. Longstanding ways of life were disrupted by invasion and the Aboriginal peoples' Country, lands and waterways appropriated.

Today Sydney is of prime importance as an ongoing centre for Aboriginal and Torres Strait Islander communities, cultures, traditions and histories.

Despite the destructive impact of this invasion, Aboriginal cultures have endured and are now globally recognised as one of the world's oldest living cultures. Aboriginal people have shown and continue to show, enormous resilience coupled with generosity of spirit towards other peoples with whom they now share their land.

The City of Sydney strives to reflect the needs and aspirations of Aboriginal and Torres Strait Islander communities and supports their quest for self-determination. By understanding the harsh truth of our shared past, we are laying the groundwork for a future that embraces all Australians, a future based on genuine engagement, mutual respect and shared responsibility for our land.

The ongoing custodianship of the Gadigal of the Eora Nation is an essential part of this future, as is Sydney's continuing place as central to Aboriginal and Torres Strait Islander cultures and communities.

We are working to embed principles that acknowledge the continuing cultural connection to, and care for Country by Aboriginal peoples. The principles aim to provide a new way to think about our responsibilities to the land, to heal and nurture it for future generations.

There are many sites across our local area with historical and cultural significance for Aboriginal and Torres Strait Islander communities. We have documented many of these in Barani / Barrabugu (Yesterday/ tomorrow), a free guide to Sydney's Aboriginal histories.

Figure 1. Jeffrey St Wharf, Kirribilli (31 December 2021) Sydney New Year's Eve 2021 started with a traditional Smoking Ceremony performed by an Aboriginal Elder aboard the Tribal Warrior ship. (Photo by Matt Lambley/City of Sydney)

The City of Sydney works with and has achieved much with Aboriginal and Torres Strait Islander peoples and the Aboriginal and Torres Strait Islander Advisory Panel since 2008. These gains are consistent with the principles of cooperation signed between us and the Metropolitan Local Aboriginal Land Council in 2006. Here are some milestones:

- 2011 As part of the Eora journey project we committed to fund and install seven artworks by Aboriginal and Torres Strait Islander artists in public areas. It is part of our commitment to celebrate the living culture of First Nations Australians.
- 2015 We adopted an inaugural Innovate reconciliation action plan in partnership with Aboriginal and Torres Strait Islander peoples as part of our deep commitment to reconciliation.
- 2016 We adopted the 10-year Eora journey economic development plan.
- 2020 A stretch reconciliation action plan built on our success and extended our actions. It includes targets to increase employment of Aboriginal peoples, spending with businesses, cultural learning activities for all staff and major public works such as the harbour walk and bara, an artwork and monument to the Eora people.

Our actions and commitments will help to ensure the political, economic, social and cultural rights of Aboriginal and Torres Strait Islander peoples are embedded in subsequent economic, social, environmental and cultural change.

2. Inclusion and equity statement

Diverse communities live, work in and visit Sydney. The City of Sydney values and respects the diversity of these cultures, communities and experiences.

We value the city's Aboriginal and Torres Strait Islander peoples, and the Gadigal of the Eora Nation as the Traditional Custodians of this local area.

We value Sydney's multicultural society and the varied languages, traditions, religious and spiritual practices of the people who call the city home.

We value the range of identities, perspectives, experiences and lifestyles of our communities. They include older and young people, people with disability and individuals with diverse political beliefs and perspectives. We respect people with diverse gender identities and our LGBTIQ+ communities.

We value the contributions made by all individuals and believe this diversity strengthens the city.

The City of Sydney champions human rights and people's right to self-determination, as we strive for inclusion.

We demonstrate our commitment to diversity and inclusion by respecting the dignity and worth of all people, equitably treating communities and employees, and fairly providing services, facilities and public spaces.

We want to promote a society where self-determination and inclusive participation is valued and to demonstrate these principles in all that we do.

Our work with communities strives to eliminate discrimination and mitigate disadvantage, to actively remove barriers to inclusive participation and to promote relationships that are based on understanding and respect.

Our communities expressed the same aspirations when we engaged them on the future vision for the city. The citizens jury recommended concepts that included the active participation of Aboriginal and Torres Strait Islander peoples in the governance of the city in an embedded and respectful way. It's a model of participatory governance that genuinely engages all citizens in decision making on all levels and housing for all to ensure that the city is inclusive and promotes social and community cohesion.

Our response is a more equitable and inclusive city. We want the city to be one where everyone has an equal chance in life and the opportunity to realise their potential. Cities that are more equal are cities that thrive.

3. Introduction

Sustainable Sydney 2030-2050 Continuing the Vision continues our vision for a more sustainable future. Ten revised targets enable change to be measured over time. Six guiding principles that consider the values expressed by the community will inform the City of Sydney in its decision-making.

Ten revised strategic directions provide a framework for action to be taken by the City of Sydney, other levels of government, civil society and by communities. Ten project ideas building on past projects have been developed. These ambitious ideas illustrate ways the vision for the city could be realised by 2050.

The Integrated Planning and Reporting Framework provides the mechanism for the implementation of Sustainable Sydney 2030-2050 Continuing the Vision through the Community Strategic Plan Delivering Sustainable Sydney 2030-2050 (also referred to in this document as the community strategic plan).and other key documents such as this operational plan.

Our operational plan

Our operational plan (this document) is prepared and adopted by end of June each year. It sets out the specific projects, programs and activities to be delivered in the year ahead. It is aligned with our delivery program and community strategic plan and assigns responsibility to the divisions in the council to deliver those actions.

The operational plan includes our detailed budget and revenue policy as well as the financial plan for the delivery of the programs and projects. It also includes measures which help us monitor and evaluate the delivery of our projects and programs.

This operational plan has been prepared using the best and most current information available at the time of production, but it may be subject to change due to the ongoing dynamic health and economic crisis created by the impacts of Covid-19. It should be read in conjunction with our Delivery Program 2022 – 26.

Delivering Sustainable Sydney 2030 – 2050

Our Community Strategic Plan Delivering Sustainable Sydney 2030 – 2050 sets directions for our city that respond to our communities' vision for a more sustainable future. The plan positions our city as a regional leader for just and sustainable growth, creativity and innovation and it sets clear directions to help tackle the climate emergency. It builds on the sustained conversations with local communities that began in 2006/07.

In developing the community strategic plan, we gathered the perspectives of people with an interest in the city and its future – workers, visitors, business owners and residents, including younger people, through a comprehensive engagement program that began in 2019.

We have continued to monitor community concerns, ideas and aspirations throughout the pandemic to see if, or how, perspectives might have changed. We have also taken stock of the

devastating impact the pandemic has had on our communities and economy since its emergence in early 2020.

The It includes an urgent imperative to address the climate emergency and adapt to our changing climate. It recognises the economic benefits for our city in transitioning to a decarbonised future. It also addresses rising inequalities and aims to build resilience in our communities, networks and city infrastructure, as we recover from the impacts of the pandemic.

We will continue to engage with the community using the principles outlined in our Community Engagement Strategy to ensure that changing and emerging priorities are identified. Decisions will continue to be based on the principles in our plan, community engagement outcomes, and in alignment with the NSW and Federal Government's recovery efforts and directives.

Six guiding principles

These guiding principles, based on values expressed by our communities, will be used by the City of Sydney in its decision making.

We are accountable to the voices and elevate the knowledge and cultures of Aboriginal and Torres Strait Islander peoples

The City of Sydney strives to reflect the needs and wants of Sydney's Aboriginal and Torres Strait Islander communities and recognise their contribution. We will work to authentically strengthen relationships with Aboriginal and Torres Strait Islander peoples and help build self-determining communities.

We respond to the climate emergency

The City of Sydney responds to the climate emergency by taking bold steps to reduce the city's environmental footprint and transition to a zero-carbon and regenerative economy.

We plan for the sustainable growth of the city. We step lightly on the planet and support biodiversity and nature in the city.

We promote transformative change in energy generation, resource consumption, water use, transport and climate adaptation. We encourage it be done in a way that is equitable and inclusive, with no one being left behind or bearing an unfair burden because of long-term structural change to jobs and industries.

We build the resilience of our society and economy

The City of Sydney is a place where partnerships between government, business and communities strengthen the city.

We build resilience in our economy, communities, systems and infrastructure to respond, recover and adapt to a range of shock events and chronic stresses. These include our energy and transport systems failing to cope with extreme weather or other events, and a lack of affordable housing and poorly constructed buildings that fail to meet current safety, quality or sustainability standards.

Among other stresses are that our health services are under pressure and some vulnerable communities may be isolated or experience increasing inequity.

Our communities are engaged in the governance of their city

The City of Sydney is a democratic city where people of all ages can influence decisions. People are encouraged to be connected and effective community builders.

We lead through stewardship and collaboration

The City of Sydney will lead by facilitating social harmony and inclusion while also acting as a steward of the environment and the economy.

In our role as steward, we are required to understand what our communities' value and the values we have in common, then act in line with those shared values.

As steward of this city, we will ensure that we embrace innovation and are prepared for, respond and adapt to change.

Our communities are also impacted by decisions outside our boundaries and we seek to work collaboratively with partners, our neighbours and all levels of government for the benefit of current and future generations.

Our organisation is governed responsibly and sustainably

The City of Sydney has a responsibility to balance the needs and interests of current and future generations as it makes decisions.

We will ensure the organisation has the financial capacity to serve our communities now and in the future.

Fairness and equity, including intergenerational equity, underpin all our choices. High ethical standards, transparency, accountability and the involvement of our communities are integral to the governance of the city.

About Sydney

The City of Sydney is the local authority with responsibility for the area shown on the map. We share some areas of authority with other agencies at different levels. The NSW Government has an explicit strategic interest. State Agencies also have key planning and development responsibilities.

The City of Sydney (or the **City**) is the organisation, responsible for the administration of the local government area.

The Council is the elected Councillors of the City of Sydney. The most recent election was held on 4 December 2021 and the current term will run until September 2024.

The city is the geographical area administered by the City of Sydney and its physical elements. It is made up of 33 suburbs wholly or partly within our local government area boundary.

The city centre is the Sydney central business district and includes major civic functions, government offices, and cultural and entertainment assets. It runs between Circular Quay and Central station, the Domain / Hyde Park and Darling Harbour.

Eastern City District as defined by the Greater Cities Commission, is “the engine room of Greater Sydney’s economy”. The City of Sydney area is within the Eastern City District. The district also includes these local government areas: Bayside; Burwood; Canada Bay; Inner West; Randwick; Strathfield; Waverly, and Woollahra.

Greater Sydney, or **metropolitan Sydney**, extends from Wyong and Gosford in the north to the Royal National Park in the south and follows the coastline in between. Towards the west, the region includes the Blue Mountains, Wollondilly and Hawkesbury. Greater Sydney covers 12,368 square kilometres.

4. About the City of Sydney

Council policy, strategic directions and major corporate decisions are determined by the elected Council, chaired by the Lord Mayor. Day to day operations are largely delegated to the Chief Executive Officer or managed in conjunction with the Lord Mayor, as provided for in Council resolutions and delegations, and in accordance with relevant legislation. Corporate performance is monitored through quarterly financial reports, and six-monthly operational and whole of council term performance reports to Council and the community.

The City of Sydney is governed by the requirements of the *Local Government Act (1993)* and Regulations, the *City of Sydney Act (1988)* and other relevant legislative provisions.

The City of Sydney, like the community strategic plan itself, is concerned with the full range of issues that affect the wellbeing of the city and its communities. In following the directions of our community strategic plan and striving to achieve its objectives, there are limits to what Council alone can control or even influence.

Figure 4. Concern, influence and control diagram outlining the City’s level of involvement in a range of activities.

The integrated planning and reporting framework

The Integrated Planning and Reporting Framework provides the mechanism for the implementation of Sustainable Sydney 2030-2050 Continuing the Vision. The Community Strategic Plan Delivering Sustainable Sydney 2030-2050 (also referred to as the community strategic plan) is the highest-level plan within this framework.

The City of Sydney is a local government organisation governed by the requirements of the *Local Government Act (1993)* and Regulations, the *City of Sydney Act (1988)* and other relevant legislative provisions.

The Local Government Act includes principles for local government, which identify the matters councils need to consider when carrying out their responsibilities. Integrated planning and reporting is included as one of the principles.

Integrated Planning and Reporting (IP&R) gives the City a framework for identifying the priorities of its many communities and creating a holistic approach to planning to achieve those goals in a sustainable way, given the resources available. The NSW Government's framework, introduced in 2009, applies to all councils in the state.

Using this framework, the City has prepared a number of plans which detail how we intend to deliver on the communities' priorities identified through consultation and engagement and articulated in the community strategic plan¹.

The diagram below illustrates our integrated planning and reporting framework suite of documents and how they are interrelated. It is adapted from the NSW Office of Local Government Guidelines, available from olg.nsw.gov.au

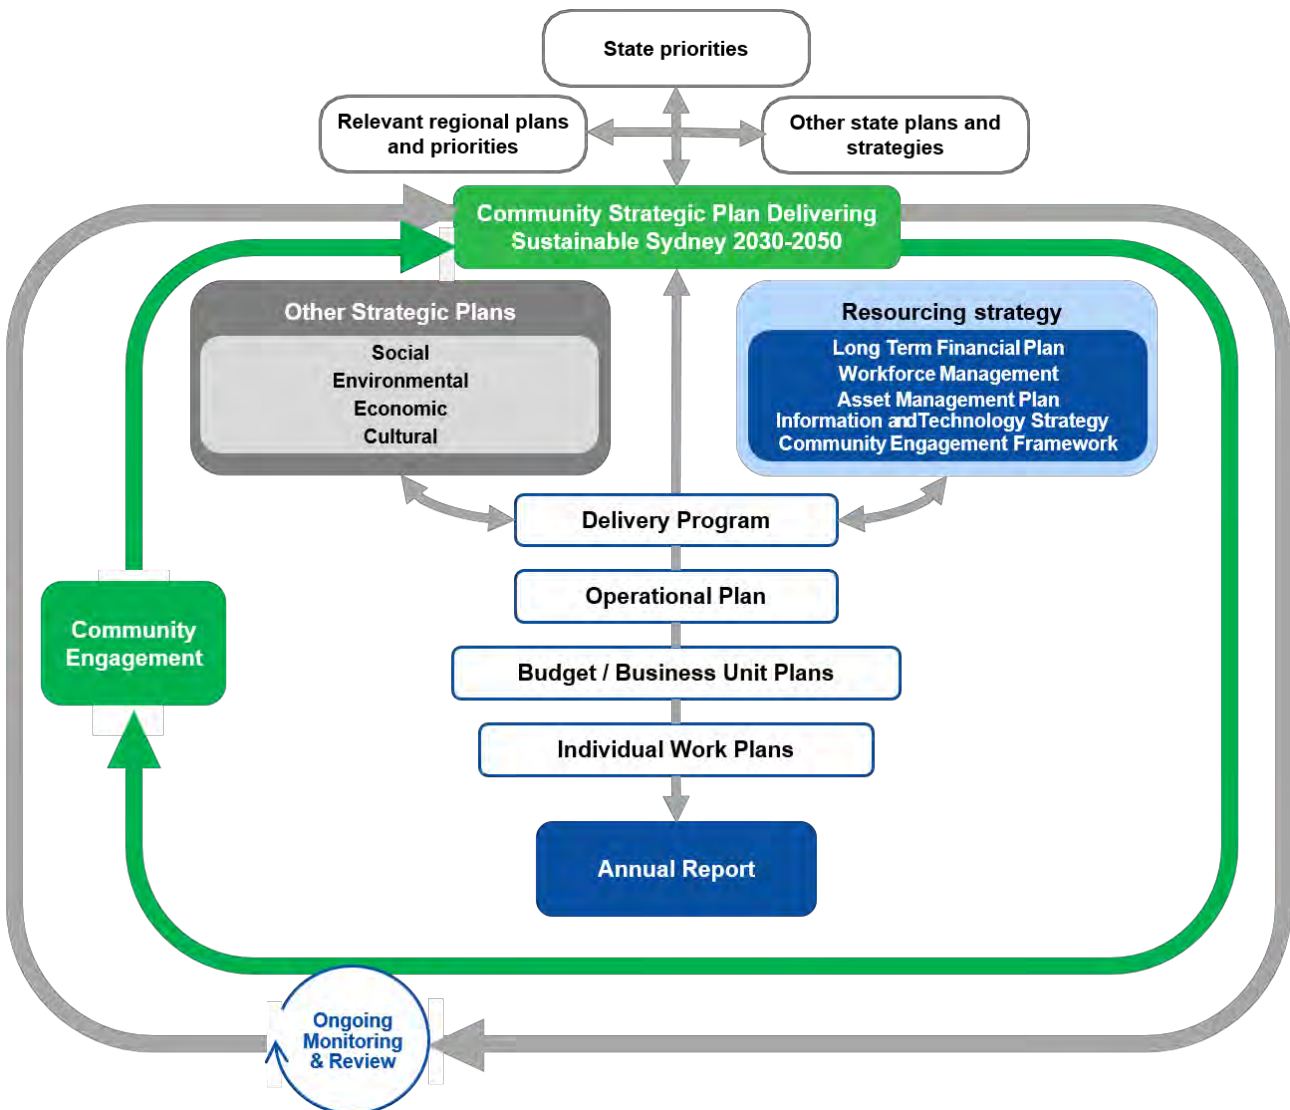

Figure 5. Integrated planning and reporting framework diagram, adapted from Office of Local Government

¹ Community Strategic Plan Delivering Sustainable Sydney 2030 – 2050

How the documents relate

The suite of integrated planning documents represents the City of Sydney's response to the statutory framework for planning and reporting.

The Community Strategic Plan Delivering Sustainable Sydney 2030 (the community strategic plan) is the highest level plan that the City will prepare.

Our community strategic plan was developed with, and on behalf of, the communities we serve. It identifies the community's main priorities and aspirations and guides all our other strategies and plans which help us to achieve these.

It takes a long-term view, identifying issues and opportunities to be addressed in the city over the next three decades. We update this plan every four years, in line with government requirements, and to adapt to changing circumstances and community aspirations.

The delivery program acts as the link between the long term community strategic plan and the annual Operational Plan.

The City's Delivery Program 2022–26 (the delivery program) identifies the actions we will take over the next four years that support the community strategic plan outcomes. The delivery program structure reflects the community strategic plan with activities aligned with the ten strategic directions.

The delivery program also identifies priority projects and programs with key performance indicators and targets that contribute to the outcomes under each strategic direction in the community strategic plan.

Our operational plan (this plan) is an annual plan with more details of individual activities. It sets out the specific projects, programs and activities to be delivered in the year ahead and is aligned with our delivery program. It also includes the City's revenue policy for rates and annual charges, the fees and charges schedule, and other relevant budgetary information.

The IP&R framework includes a reporting process to communicate how we are progressing to the Council and the community.

Resourcing the plan

To support the community's objectives expressed in the community strategic plan a long-term Resourcing Strategy is required as part of the Integrated Planning and Reporting Framework.

The resourcing strategy ensures the City of Sydney has adequate resources to achieve the planned outcomes for which it is responsible, while maintaining the long-term sustainability of the organisation.

The Resourcing Strategy spans a period of ten years and has 5 components:

1. Long term financial plan

The Long Term Financial Plan is a ten year plan that identifies current and future financial capacity to act on the aspirations of the community strategic plan, including providing high quality services, facilities and infrastructure to the community.

2. People (workforce) strategy

The People strategy identifies the City of Sydney's current and future workforce needs. The plan ensures the City of Sydney workforce has the capacity and capability to create the outcomes in the community strategic plan.

3. Asset management plan

The asset management plan is a plan to ensure appropriate standards for maintenance and renewal of key assets, detailing status and resource requirements. These assets are valued at approximately \$13 billion (including land) under City of Sydney care and control.

4. Information and technology strategy

This plan sets the information and technology direction and priorities that are aligned with the community strategic plan, community needs and government information and data policies. The plan guides information and technology related decision making, priorities and investment.

5. Community engagement strategy

The community engagement strategy sets out a framework for how we consult diverse communities and collaborate, involve and empower communities to take part in shaping the future of our city.

The resourcing strategy should be read in conjunction with this delivery program and the operational plan to identify the resourcing needs for our activities.

Monitoring and review

The City's key plans are prepared and updated periodically and are subject to a review following the election of each new Council. The review process includes extensive engagement and input from all business units at the City and feedback from the community from submissions and other engagement activities, as well as consideration of planning priorities of other levels of government and agencies.

Progress towards our Community Strategic Plan Delivering Sustainable Sydney 2030-2050 strategic goals is monitored through regular reporting to Council. We conduct half yearly, annual and whole of each council term performance reporting, and quarterly and annual financial reporting. Additionally, Sustainable Sydney 2030-2050 Continuing the Vision and the community strategic plan contain ten targets to measure progress.

Strategic context

Our community strategic plan is the City of Sydney's highest-level plan. It guides all our other strategies and plans. It was developed with, and on behalf of, the communities we serve and it identifies the community's main priorities and aspirations and the strategies we can take to achieve these. It takes a long-term view, identifying issues and opportunities to be addressed in the city over the next 3 decades and it is supported by our integrated planning and reporting documents and our other plans and strategies.

Other strategic plans

Our activities are planned taking into account other City strategies and plans, such as the Local Strategic Planning Statement, and planning by other levels of government and agencies. Information on some of these other key strategies and plans is given below.

Local strategic planning statement

Our Local Strategic Planning Statement sets out a twenty year land use vision, balancing the need for housing and economic activities with protecting and enhancing local character, heritage, public places and spaces. It links state and local strategic plans with our planning controls to guide development and includes measures to protect and enhance the natural environment. This is achieved by maximising the efficient use and reuse of water, energy and waste in new buildings and precincts, and improving the resilience of our natural and built environment to protect people from natural and urban hazards.

Resilient Sydney

Greater Sydney is one of the most diverse cities in the world with a population of more than five million people from 200 vibrant cultures. Our global city is known for the beauty of its natural

environment and outdoor lifestyle, but it is struggling to maintain liveability and equity during a time of growth and change.

Prior to the Covid-19 pandemic Sydneysiders were already experiencing a range of chronic stresses such as lack of affordable housing and transport congestion, and the need to be prepared for shock events such as heatwaves, storms and cyber-attacks. The coronavirus has added substantially to these chronic stresses.

To become connected, inclusive and resilient is a challenge every organisation and community in metropolitan Sydney must address to create a place of opportunity and well-being for everyone.

In 2015 Sydney became a member of the Resilient Cities Network, pioneered by the Rockefeller Foundation to help cities adapt to and solve the physical, social and economic challenges of the 21st century.

Resilient Sydney is part of the network and is a collaboration between all 33 metropolitan Sydney councils, the NSW Government, business and communities. Together we developed the Resilient Sydney Strategy (2018), the first of its kind for our city, marking a new spirit of collaboration and connection in Sydney.

The strategy identifies solutions and actions to build resilience across systems in metropolitan Sydney.

The community strategic plan and this operational plan have drawn from this strategy to set the direction for the City of Sydney's actions to build the resilience of our local area and its networks, infrastructure, assets and communities.

Premiers' priorities

The NSW Premier has set five priorities which underpin the NSW Government's commitment to enhance the quality of life of the people of NSW. These are:

- a strong economy
- highest quality education
- well connected communities with quality local environments
- putting customer at the centre of everything we do
- breaking the cycle of disadvantage.

More information on the Premier's priorities is here: <https://www.nsw.gov.au/premiers-priorities>

Closing the Gap

The Council of Australian Governments' (COAG) National Indigenous Reform Agreement (NIRA), known as Closing the Gap, started in 2008. In March 2019 a formal Partnership Agreement on Closing the Gap (the Partnership) was established between the Commonwealth Government, state and territory governments, the Coalition of Aboriginal and Torres Strait Islander Peak Organisations (the Coalition of Peaks) and the Australian Local Government Association.

Through this partnership and for the first time, Australian governments have committed to a fundamentally new way of developing and implementing policies and programs that impact on the lives of Aboriginal and Torres Strait Islander people.

This new and shared way of working to close the gap has at its heart, four agreed priority reform targets and 16 socio-economic targets in areas including education, employment, health and wellbeing, justice, safety, housing, land and waters, and Aboriginal and Torres Strait Islander languages.

As the level of government closest to the people, local government plays an essential role in supporting and helping to steer the development of policies and programs in partnership with local Indigenous peoples that address these priorities at the local and regional level.

More information on the Closing the Gap partnership is here: <https://www.closingthegap.gov.au/>

Our organisation

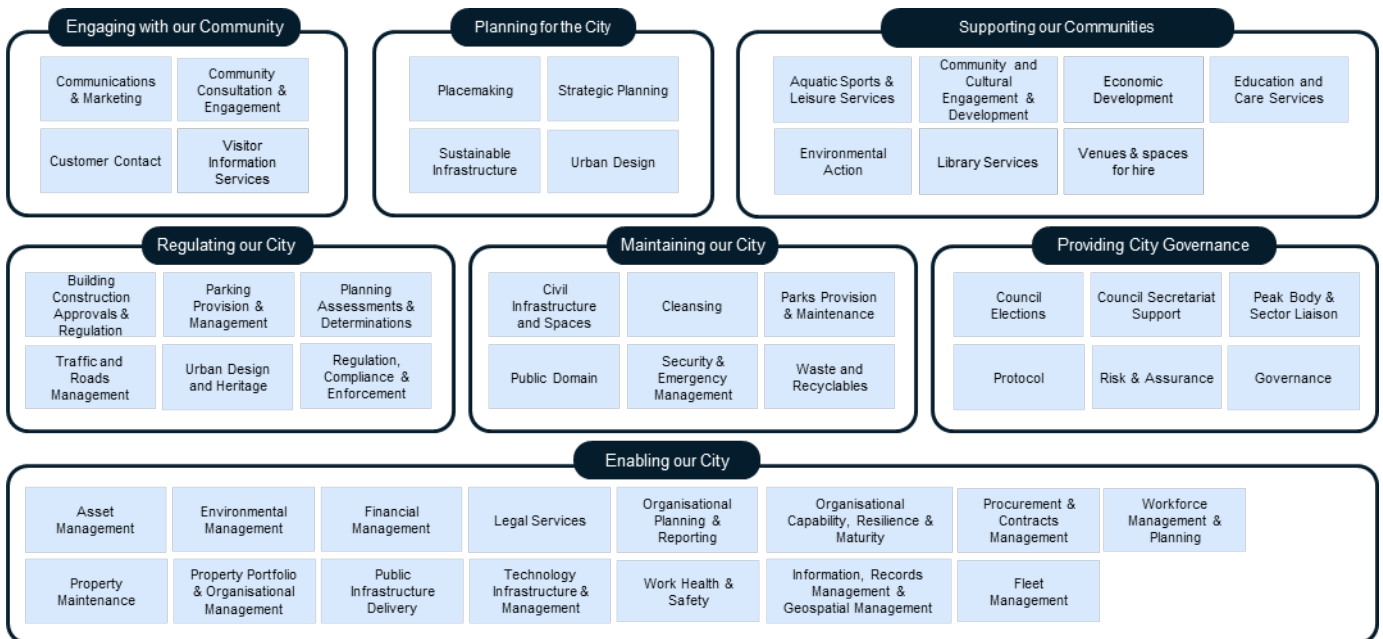

Our services

The City is committed to improving the quality and levels of services to the community. The City will continue a program of reviews and implement subsequent improvement actions across a number of services and functions. Current and proposed reviews include the venue management service, asset management and how we embed sustainability. It is expected that priorities will change over time and the review program may be required to alter accordingly during the year.

When community facing services are to be reviewed, a community engagement program will be developed to ensure the community’s and other stakeholders’ expectations are included.

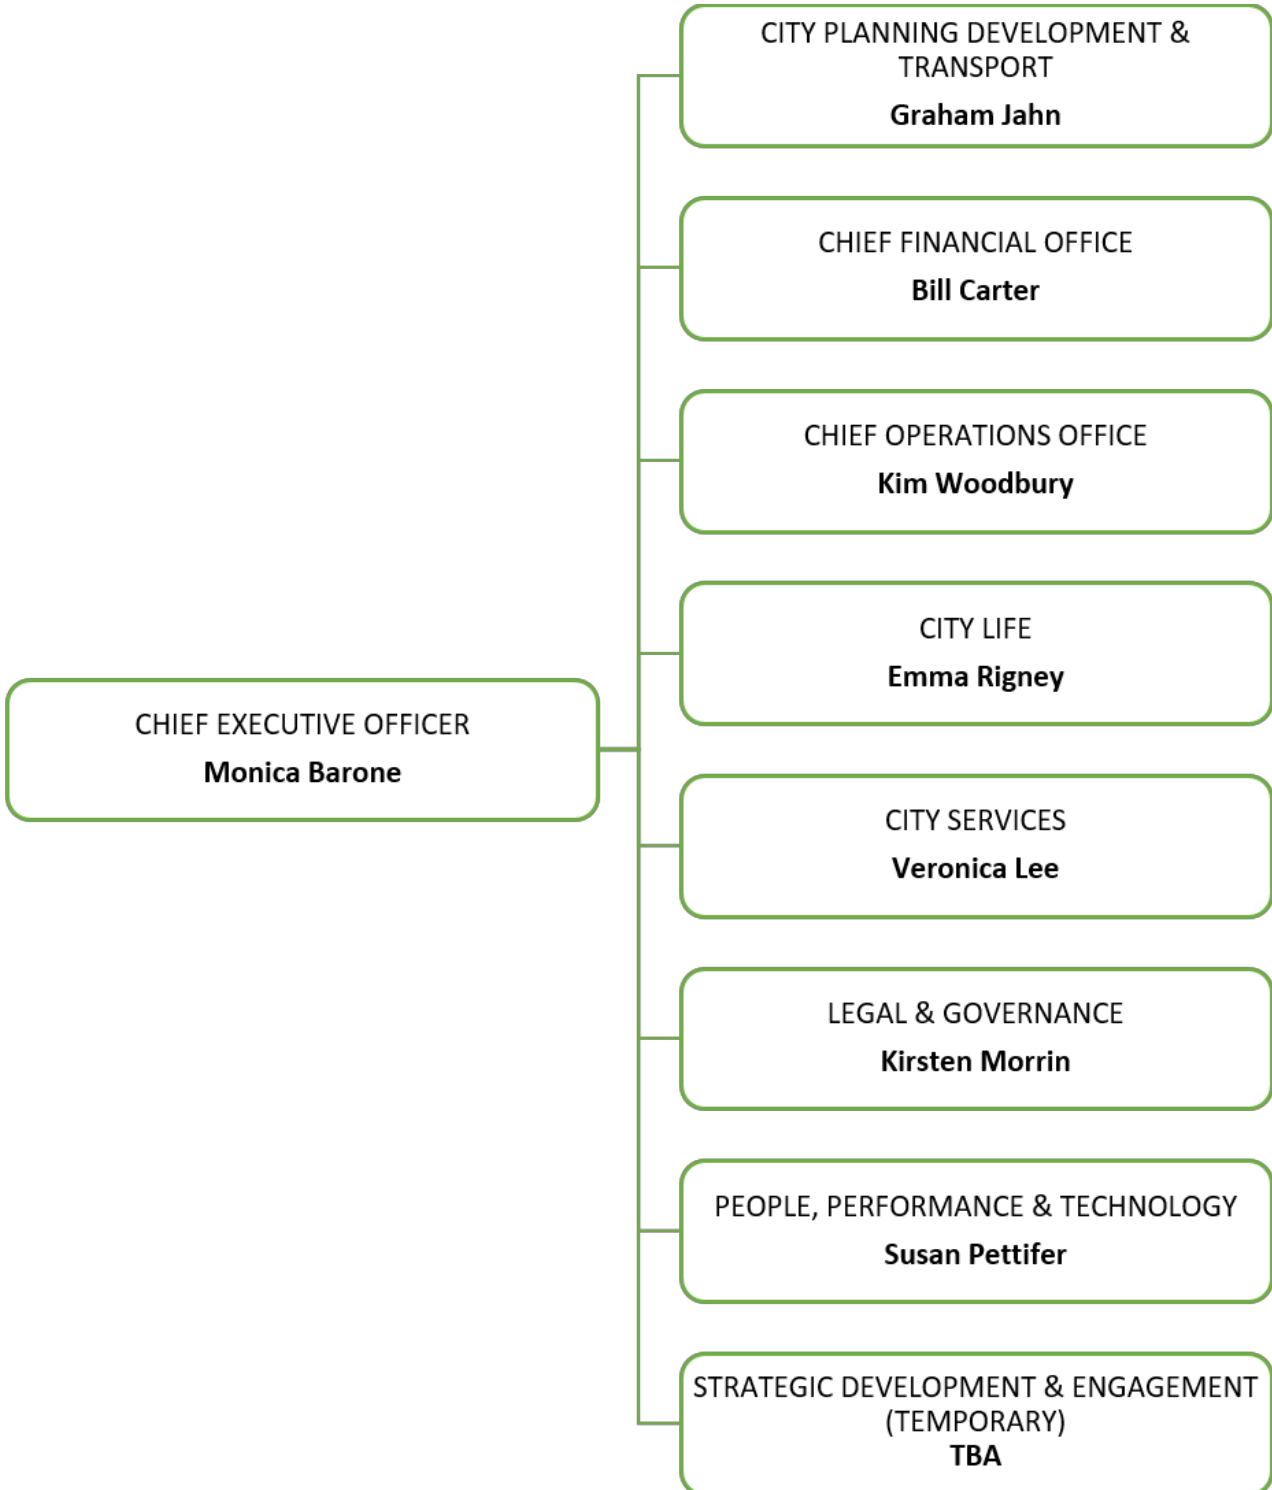

City of Sydney Service Catalogue

The City is developing a service catalogue to enhance our overall management of services and functions. This is a high level representation of the services provided across the organisation that might be shared across multiple organisational units and teams.

Organisational Structure

The following chart shows the City’s organisational structure and senior executive. The directors lead the provision of key services and delivery of programs and projects to achieve the community’s vision.

Governance

The governance framework of our organisation is implemented, monitored and reviewed by the senior management team. Good governance is at the heart of how the City of Sydney operates. Governance refers to the culture, processes, systems, policies and practices that we use to guide our operations.

Good governance is vitally important – it creates confidence in Council because it ensures that we deliver what we say we will deliver and that we act in an ethically robust way.

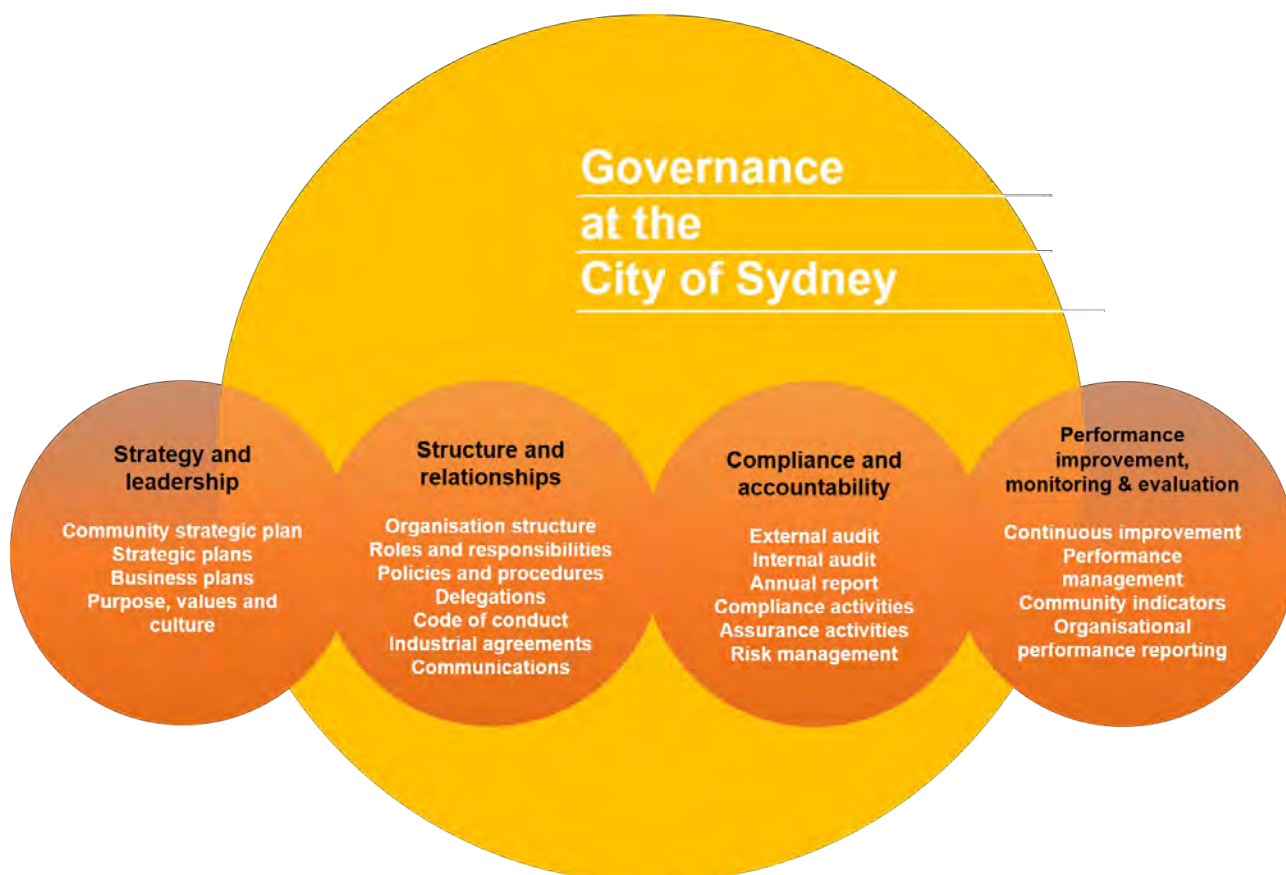

Figure 6. Diagram outlining elements of governance at the City

Code of Conduct

The City of Sydney adopted a new Code of Conduct in May 2019. It is based upon the new Model Code of Conduct for Local Councils in NSW issued by the Office of Local Government. Staff have undertaken mandatory training on the key changes to the Code of Conduct. Staff are also required to undertake compulsory annual refresher Code of Conduct training.

Fraud and Corruption Prevention

The City of Sydney has a Fraud and Corruption Control Plan which underpins the City's commitment to fraud and corruption control and contains the actions we will take to prevent, detect and respond to fraud and corruption. Complaints of corrupt conduct against Council staff or Councillors can be made via the reporting form on our website.

Complaints about staff members are investigated by the Legal and Governance Division. Complaints about Councillors and the Chief Executive Officer are referred in accordance with the provisions of the Code of Conduct. Complaints can also be made directly to the Independent Commission Against Corruption.

Risk Management

The City of Sydney has embedded risk management principles and capabilities across the organisation to ensure effective decision making and to demonstrate good corporate governance within the City. This includes the following risk management structures:

- Risk Management Policy, Program and Frameworks
- Audit Risk and Compliance Committee
- Emergency Management Committee
- Business Continuity Plans
- Internal Audit Program
- Workplace Health and Safety Management System.

Audit, Risk and Compliance Committee

The Audit Risk and Compliance Committee plays an important role in the City's governance framework. It provides Council with independent oversight and monitoring of the City's audit, compliance and risk processes and its other internal control activities.

The primary objectives of the Committee are to assist the Council in discharging its responsibilities relating to:

- financial reporting practices;
- business ethics, policies and practices;
- accounting policies;
- risk management and internal controls;
- compliance with laws, regulations, standards and best practice guidelines; and
- the integrity of the internal audit function.

The Audit, Risk and Compliance Committee Charter sets out the Committee's roles and responsibilities and its oversight of the internal and external audit functions, including any statutory duties. The Committee has three independent members, one of whom acts as Chair, as well as two Councillors.

External Audit

External auditing services are provided by the NSW Audit Office. The External Auditor provides independent audit opinions on both the general and special purpose financial reports of Council, audits statutory returns relating to a number of Council activities (including the ratings return, domestic waste return, and parking enforcement gain share), reports to the Council and the Minister of the conduct of the audit, issues a management letter detailing any matters that arise during the course of the audit and, provides any supplementary reports where required by the Office of Local Government. The External Auditor also contributes to Council's Audit, Risk and Compliance Committee meetings.

Internal Audit

Internal Audit is an independent, objective assurance and consulting activity. The purpose of Internal Audit is to enhance and protect organisational value by systematically and independently evaluating and identifying performance improvements in business operations, risk management, internal controls and governance processes. This is undertaken through a strategic program of audits and reviews on behalf of the Audit Risk and Compliance Committee. This activity is in

accordance with the City's Internal Audit Charter and is reported independently to the City's Audit Risk and Compliance Committee.

In 2021 the OLG released guidelines for the new requirement under section 428A of the *NSW Local Government Act 1993* for councils to appoint an independent Audit Risk and Improvement Committee (ARIC) and invited submissions from councils. The City has made a submission and is awaiting further information from the OLG.

Accountability and Transparency

The City of Sydney takes seriously its responsibility to be open and accountable to the community. The City responds to requests made in accordance with the *Government Information (Public Access) Act (2009)* and proactively revises information about decisions. The City of Sydney fully complies with the intent and requirements of all legislation. At the same time we respect people's privacy by not releasing personal information where inappropriate.

Procurement and external contracts

The City's procurement processes meet the highest standards of probity and integrity. The City's objective in entering into contracts is to obtain goods and services to perform its functions, while using public funds wisely, honestly and in compliance with legislative and public interest requirements. All contracts over \$250,000 undergo a rigorous and open tender process. All other contracts follow best practice and are selected on a value for money basis.

Safety in the City of Sydney

The City is committed to the health, safety and welfare of its employees, residents and visitors. The City has a broad range of roles and responsibilities in relation to ensuring safety is prioritised across the local government area. This includes ensuring safety is a priority consideration in relation to the design and maintenance of public areas, when conducting events, in undertaking compliance and enforcement activities and when providing services to members of the community.

The broad range of legislation in relation to public safety which the City complies with, which the City has a role in enforcing or which regulates the activities of others in our local government area include the following NSW Acts and related regulations, guidelines and standards:

State legislation

- *Anti-Discrimination Act 1977*
- *Boarding Houses Act 2012*
- *Building and Development Certifiers Act 2018*
- *Building Products (Safety) Act 2017*
- *Child Protection (Working With Children) Act 2012*
- *Children (Education and Care Services National Law Application) Act 2010*
- *Children (Education and Care Services) National Law (NSW) No 104a*
- *Children and Young Persons (Care and Protection) Act 1998*
- *Civil Liability Act 2002*
- *Companion Animals Act 1998*
- *Contaminated Lands Management Act 1997*
- *Crown Land Management Act 2016*

- *Design and Building Practitioners Act 2020*
- *Disability Inclusion Act 2014*
- *Electronic Transactions Act 2000*
- *Environmental Planning and Assessment Act 1979*
- *Fair Trading Act 1987*
- *Food Act 2003*
- *Government Information (Public Access) Act 2009*
- *Graffiti Control Act 2008*

5. Strategies, objectives and actions

The Community Strategic Plan Delivering Sustainable Sydney 2030 – 2050 is structured around ten strategic directions. Our strategic directions are the focus of the City's Delivery Program and for the purposes of section 404 of the *Local Government Act (1993)* describe the City of Sydney's principal activities.

Each strategic direction sets out the high level outcomes, with objectives, projects, programs and services identifying what it is we are doing to achieve the outcomes. Delivery measures, including performance indicators are used to measure our progress towards the outcomes.

Monitoring Progress

It is important that we track our progress against our plans and evaluate our success as well as what we could do differently to achieve our goals.

Monitoring the implementation of the objectives within the community strategic plan requires a multi-layered approach. The delivery of the plan's actions are monitored along with a range broad sustainability indicators for the community and city as a whole.

The community strategic plan ten key targets are provided below.

The delivery program and operational plan are monitored through half-yearly, annual and whole of council term performance reports, and through quarterly and annual financial reports to Council. These reports provide details of our operational performance and our progress towards strategic outcomes identified in the community strategic plan. This plan also includes a range of measures within each strategic direction which will be tracked to assess our progress in implementing the Delivery Program.

These reports can be found at cityofsydney.nsw.gov.au

Community Indicators

The City has established a comprehensive set of community wellbeing indicators that measure progress across social, cultural, environmental, economic and democratic perspectives. The Community Indicators add an additional dimension to monitoring and reporting on the community strategic plan, and to the evidence base for integrated planning and reporting.

Performance indicators

In improving our planning and reporting to address our community strategic plan outcomes, we have developed a number of new performance indicators. Not all of these indicators have historical data to report, nor do they all have identified targets.

There are two reasons for this:

1. It is not always appropriate to set targets, as some indicators are not controllable by the City but are useful plot trends or demands that impact performance.
2. There may be no historical data to use as a guide for an appropriate target to set. This will be changed where appropriate as we collect enough data to guide us in target setting.

Each of our strategic directions and underlying performance monitoring processes reflect that City of Sydney works under the principles of PLAN, DO, CHECK, ACT.

Figure 7. Plan, do, check, act process diagram

Ten targets to measure progress

By 2035 we will achieve net zero emissions in the City of Sydney local area

By 2050 there will be a minimum overall green cover of 40%, including 27% tree canopy cover.

By 2030 residential potable water use will be reduced to 170 litres a person a day in the City of Sydney local area. Non-residential potable water use will be reduced by 10% (measured per square metre) from 2018/19 levels.

By 2030 there will be a 15% reduction in waste generated by each person based on 2015 levels. And by 2030 there will be 90% recycling and recovery of residential waste, commercial and industrial waste, and construction and demolition waste, which will be maintained at that level to 2050.

By 2036 there will be approximately 700,000 jobs in the City of Sydney local area including 200,000 new jobs compared to 2017. An increased proportion of all jobs will be secure jobs.

By 2036 there will be at least 156,000 private dwellings and 17,500 non-private dwellings that include boarding houses and student accommodation. Of the private dwellings, 7.5% will be social housing and 7.5% will be affordable housing with this proportion maintained into the future.

By 2036 there will be at least 40,000m2 of new cultural production floor space in the City of Sydney local area compared to 2017.

By 2050 people will use public transport, walk or cycle to travel to and from work. This includes 9 out of 10 people working in the city centre and 2 out of 3 people working in the rest of the local area.

By 2030 every resident will be around a 10-minute walk to what they need for daily life.

By 2050 community cohesion and social interaction will have increased. This is based on at least 75% of the local resident population feeling part of the community, agreeing most people can be trusted and believing that when needed, they can get help from their neighbours.

6. The City's ten strategic directions

Strategic Direction 1 Responsible governance and stewardship

Our organisation evolves to provide governance and leadership for the city and communities.

Strategic Direction 2 A leading environmental performer

The city is part of a decarbonised world. Our communities live in a city that is regenerative and makes a positive contribution to the planet, to society and to individual lives. We are innovative leaders in climate change adaptation and innovation.

Strategic Direction 3 Public places for all

The city has more places for people who live, work, invest and visit here. The history of the city and connections to Aboriginal and Torres Strait Islander peoples is evident in our public places. The city centre is an inviting and lively place, clean and safe, day and night, and with creativity and public art at its heart. Our local main streets are thriving hubs with their own distinctive characters.

Strategic Direction 4 Design excellence and sustainable development

The city will continue to grow sustainably and with good design. Communities are inclusive, socially connected, healthy, and live in walkable well-serviced neighbourhoods, supported by public transport. We take the impact of our changing climate into account in the policies that influence development in the city.

Strategic Direction 5 A city for walking, cycling and public transport

The city is greener and calmer, with more space for people on the streets – including footpaths and cycleways. More people choose to walk, ride and use public transport. All vehicles in the city are zero emissions.

Strategic Direction 6 An equitable and inclusive city

Everyone feels welcome and can afford to live here if they choose. Everyone can participate, prosper, and reach their full potential in a city that is fair and just.

Strategic Direction 7
Resilient and diverse communities

The city and its public places and infrastructure can withstand impacts from a changing climate and emergency situations. We work with communities, businesses, and other organisations to strengthen connections and networks, to prepare the city and be able to recover from most situations.

Strategic Direction 8
A thriving cultural and creative life

We are proud of the city. We are all able to participate in, contribute to and benefit from the city's cultural life.

Strategic Direction 9
A transformed and innovative economy

The city maintains its position locally, nationally, and internationally as a destination for business, investment, and talent. Innovation is central to the economy and transformation has occurred across all industries. Wealth and benefits are shared equitably.

Strategic Direction 10
Housing for all

This is a city where everyone has a home. Social, affordable, and supported housing is available for those who need it. High-quality housing is available for everyone.

Strategic Direction 1: Good governance and stewardship

Our organisation evolves to provide governance and leadership for the city and communities.

Objective 1.1 The City of Sydney provides effective governance and leadership

Ref	Action	Operational Plan Deliverable	Responsible Area
1.1.1 (1)	Governance, risk & audit frameworks	Implement systems and practices to embed a strong risk management and corporate compliance culture at the City.	Legal & Governance
1.1.1 (2)	Governance, risk & audit frameworks	Improve the health, safety and wellbeing of our workers through the implementation of the safety management system and a mentally healthy workplace plan.	People, Performance & Technology
1.1.1 (3)	Governance, risk & audit frameworks	Continue to deliver governance programs to support compliant, ethical and transparent decision making and community confidence in the City.	Legal & Governance
1.1.1 (4)	Governance, risk & audit frameworks	Continue to implement a risk based and comprehensive annual internal audit plan.	Legal & Governance
1.1.1.(5)	Governance, risk & audit frameworks	Deliver completed annual financial statements without qualification by the Audit Office of NSW	Chief Finance Office
1.1.1 (6)	Governance, risk & audit frameworks	Continue to deliver and enhance the Integrated Planning and Reporting and business planning framework to improve integrated long-term planning and sustainability.	Chief Financial Office
1.1.2	Foster leadership capabilities	Ensure Councillors have access to relevant information and assistance to enable them to fulfil their obligations to lead, govern and serve the community.	Office of the CEO
1.1.3	Legal advice and representation	Provide legal services and support to the organisation, optimising outcomes for the City	Legal Services

Objective 1.2 The City of Sydney has the capacity, capability, information, data and systems to serve the community into the future

Ref	Action	Operational Plan Deliverable	Responsible Area
1.2.1 (1)	Continuous improvement	Identify and implement business and service improvements to optimise the efficiency and effectiveness of key services.	People, Performance & Technology

Ref	Action	Operational Plan Deliverable	Responsible Area
1.2.1 (2)	Continuous improvement	Refine and revise asset management policy, strategy and long term asset management plans for critical infrastructure assets, including resilience and maturity assessment recommendations.	Chief Operations Office
1.2.1 (3)	Continuous improvement	Deliver initiatives to improve information and data management with a focus on privacy, security, ethics, quality, and sharing.	People, Performance & Technology
1.2.2 (1)	Digital services	Develop responsive digital services that are easy for our community and employees to access and use.	People, Performance & Technology
1.2.2 (2)	Digital services	Develop and maintain the City's technology and communications infrastructure to support service delivery and business continuity	People, Performance & Technology
1.2.3 (1)	Access to City information and data	Provide and promote equitable public access to City information and data to meet the spirit and requirements of the Government Information (Public Access) Act.	People, Performance & Technology
1.2.3 (2)	Access to City information and data	Proactively publish to the City's Data Hub and Archives & History Resource Catalogue to inform, educate and improve services to the community, including Aboriginal and Torres Strait Islander communities.	People, Performance & Technology
1.2.4	Business and spatial intelligence	Deliver business and spatial intelligence for better planning, operations, and decision making.	People, Performance & Technology
1.2.5 (1)	Strengthen workforce capability, diversity and inclusion	Implement the City's People Strategy to strengthen the workforce's capacity f to deliver the outcomes in the community strategic plan.	People, Performance & Technology
1.2.5 (2)	Strengthen workforce capability, diversity and inclusion	Implement actions in the City's Diversity and Inclusion Plan.	People, Performance & Technology

Objective 1.3 The City of Sydney is financially sustainable over the long-term

Ref	Action	Operational Plan Deliverable	Responsible Area
1.3.1	Financial Sustainability	Continue detailed costing reviews of core services, business cases and opportunities to ensure value for money outcomes, and appropriate equitable fees and charges.	Chief Financial Office
1.3.2	Integrate planning and reporting	Develop, monitor and report against the City's long term financial plan and financial recovery plan to ensure and demonstrate council's financial sustainability, and intergenerational equity.	Chief Financial Office
1.3.3	Advocacy and policy initiatives	Continue to collaborate with the NSW Government to achieve positive rating legislative reforms.	Chief Financial Office
1.3.4	Strategic property management	Continue to manage the City's investment property portfolio to optimise revenue opportunities.	Chief Operations Office
1.3.5	Best practice procurement	Ensure best practice procurement and contract management focused on value for money, optimised risk allocation and improved sustainability.	Chief Financial Office

Objective 1.4 The City of Sydney is an active contributor to the governance of metropolitan Sydney

Ref	Action	Operational Plan Deliverable	Responsible Area
1.4.1	Advocacy	Research, assess and make submissions on intergovernmental policy issues to NSW and the Federal Government where appropriate.	Office of the CEO

Objective 1.5 The transformation of the city is enabled by successful partnerships and collaboration

Ref	Action	Operational Plan Deliverable	Responsible Area
1.5.1 (1)	Partnerships	Strengthen local and regional partnerships through collaboration, consultation, advocacy and knowledge exchange to facilitate improved decision making and outcomes for the community, including mechanisms such as the Resilient Sydney Program.	Office of the CEO

Ref	Action	Operational Plan Deliverable	Responsible Area
1.5.1 (2)	Partnerships	Strengthen state and national partnerships through collaboration, consultation, advocacy and knowledge exchange to improve decision making and facilitate the achievement of shared objectives. Partnerships include Council of Capital City Lord Mayors and the Greater Cities Commission.	Office of the CEO
1.5.1 (3)	Partnerships	Utilise international partnerships' programs to facilitate knowledge exchange and ensure the City benefits from the best and most current knowledge and processes to improve outcomes for the community and the area, including C40 and Global Resilient Cities Network.	Strategic Development & Engagement
1.5.1 (4)	Partnerships	Deliver a high-value community engagement program, both face-to-face and online, to inform decision making, build capacity and develop a shared responsibility for action with the community.	Strategic Development & Engagement

Performance Measures

Objective area	Measure description	Unit	Target / Trend	Responsible area
Governance, risk & audit frameworks	GIPAA Formal Access Applications received	No.	–	People, Performance & Technology
Governance, risk & audit frameworks	GIPAA Informal Access Applications received	No.	–	People, Performance & Technology

Strategic Direction 2: A leading environmental performer

The city is part of a decarbonised world. Our communities live in a city that is regenerative and makes a positive contribution to the planet, to society and to individual lives. We are innovative leaders in climate change adaptation and innovation.

Objective 2.1 The city reaches net zero emissions by 2035 with embodied carbon significantly reduced

Ref	Action	Operational Plan Deliverable	Responsible Area
2.1.1 (1)	Net zero emissions – City assets and operations	Manage and analyse low and zero emissions options for the City's light and heavy vehicle fleets and use fleet analytics to encourage low emission driving behaviour and reduce CO2 emissions.	City Services
2.1.1 (2)	Net zero emissions – City assets and operations	Actively manage the replacement of conventional lights with LED lights for all public domain light types in the city.	City Services
2.1.1 (3)	Net zero emissions – City assets and operations	Implement new net zero framework to drive electrification in City buildings and switching to zero-emissions and improved energy efficiency.	Chief Operations Office
2.1.2 (1)	Net zero emissions in the LGA	Support building owners and occupants to implement a net zero pathway through targeted programs and grants.	City Life
2.1.2 (2)	Net zero emissions in the LGA	Continue to support the community's adoption of renewable energy in line with the City's 50% renewable electricity by 2030 target.	City Life
2.1.2 (3)	Net zero emissions in the LGA	Actively participate in industry groups committed to creating a market for low embodied carbon steel, concrete and aluminium.	Strategic Development & Engagement
2.1.3 (1)	Zero emissions transport	Advocate to the Australian and NSW Governments on key transport emissions reduction (carbon emissions and local air quality) improvement opportunities.	Strategic Development & Engagement
2.1.3 (2)	Zero emissions transport	Continue to support more people walking, riding bicycles and catching zero emissions public transport.	Chief Operations Office
2.1.3 (3)	Zero emissions transport	Advocate to the NSW Government for zero emissions buses.	Chief Operations Office

Objective 2.2 Greening has increased to create a cool, calm, and resilient city

Ref	Action	Operational Plan Deliverable	Responsible Area
2.2.1 (1)	Urban greening and canopy cover	Deliver landscaping of parks, streets and City spaces to achieve the City's greening target.	City Services
2.2.1 (2)	Urban greening and canopy cover	Continue to deliver tree planting programs to maximise urban canopy and reduce the impacts of the urban heat island effect.	City Services
2.2.2	Urban greening resilience	Improve urban greening resilience and diversity by reviewing the City's relevant policies and plans.	City Services
2.2.3	Habitat and biodiversity	Continue to expand, improve and protect bush regeneration areas and habitat for native fauna in the City's parks and open spaces.	City Services
2.2.4	Community greening	Support and promote the development of community gardens, footpath gardening, laneway greening, and sites maintained and managed by community volunteer groups.	City Services

Objective 2.3 Water is managed to support a resilient, sustainable, and liveable city

Ref	Action	Operational Plan Deliverable	Responsible Area
2.3.1	Reduce water use	Reduce potable water consumption in the City's parks through efficiency measures, continuous improvement of park management practices and identifying opportunities for use of recycled or alternative water sources	City Services
2.3.2 (1)	Water sensitive city	Partner with Sydney Water to support business and strata communities to improve water performance.	City Life
2.3.2 (2)	Water sensitive city	Work with Sydney Water to facilitate delivery of recycled water in the Central Business District.	Chief Operations Office
2.3.3	Stormwater quality	Implement and renew Pollution Control Devices and other stormwater systems to reduce stormwater pollution discharged to waterways.	City Services

Objective 2.4 A circular economy approach is embedded in products, services, and systems

Ref	Action	Operational Plan Deliverable	Responsible Area
2.4.1 (1)	Reduce waste from City Operations	Review and update recycling streams and collection receptacles in City properties and implement an education and behaviour change program to increase recycling and reduce contamination.	Chief Operations Office
2.4.1 (2)	Reduce waste from City Operations	Engage with contracted service providers to develop a pathway for reuse and refurbishment of strip out waste from City buildings.	Chief Operations Office
2.4.2	Sustainable procurement	Implement Social and Sustainable Procurement guidelines and related documentation and ensure it is incorporated into procurement planning and processes in relation to targeted relevant categories	Chief Financial Office
2.4.3	Circular economy	Engage with industry and other stakeholders to create opportunities for development of circular economy outcomes in our local area.	City Services
2.4.4	Advocacy	Advocate for NSW Government allocation of appropriate land resources to waste treatment, improved waste data, expanded product stewardship, funding for education and maintaining landfill levy.	City Services
2.4.5 (1)	Reduce waste to landfill	Implement Resource Recovery Engagement Action Plans to foster a community that avoids, reuses and reduces waste.	City Services
2.4.5 (2)	Reduce waste to landfill	Plan to implement a food organics recycling service across the local government area for residents.	City Services
2.4.5 (3)	Reduce waste to landfill	Increase recycling and reuse opportunities of textiles, soft plastics, electronics and other tricky items through innovative drop-off events and services for residents.	City Services
2.4.5 (4)	Reduce waste to landfill	Conduct targeted patrols in the public domain to address illegal dumping, discarded cigarette butts, littering and other activity which is contrary to the provisions of the Protection of the Environment Operations Act.	City Services

Ref	Action	Operational Plan Deliverable	Responsible Area
2.4.6	Efficient cleansing and waste services	Manage the collection of waste including scheduling of waste collection services to ensure the least disruption to the community.	City Services

Objective 2.5 All city residents and businesses have the capacity to reduce emissions, adapt to a changing climate and share sustainable solutions

Ref	Action	Operational Plan Deliverable	Responsible Area
2.5.1	Air quality	Facilitate community access to air quality data.	Strategic Development & Engagement
2.5.2 (1)	Climate risk and adaptation	Continue research and trials in monitoring and reducing the urban heat island effect.	Strategic Development & Engagement
2.5.2 (2)	Climate risk and adaptation	Develop a framework to understand and address climate change impacts on vulnerable community groups.	Strategic Development & Engagement
2.5.3 (1)	Programs and partnerships	Implement projects, programs and advocate to improve environmental performance in the commercial office sector.	City Life
2.5.3 (2)	Programs and partnerships	Implement projects, programs and advocate to improve environmental performance in the accommodation and entertainment sector.	City Life
2.5.3 (3)	Programs and partnerships	Implement projects, programs and advocate to improve environmental performance and resilience in the residential strata sector.	City Life

Performance measures

Objective area	Measure description	Unit	Target / Trend	Responsible area
Net zero emissions – City assets and operations	Total greenhouse gas emissions for City of Sydney operations	Tonnes CO₂e	\	Chief Operations Office ISO: Johri, Kunal FSO: Palagedara, Neil

Objective area	Measure description	Unit	Target / Trend	Responsible area
Net zero emissions – City assets and operations	Reduction in total greenhouse gas emissions for City of Sydney operations Baseline 2006 data – 52,972 tCO2e	%	80% reduction by 2025	Strategic Development & Engagement
Net zero emissions in the LGA	Total greenhouse gas emissions for the City of Sydney local government area	Tonnes CO2e	↘	Strategic Development & Engagement
Net zero emissions in the LGA	Reduction in total greenhouse gas emissions for City of Sydney local government area (includes emissions from electricity, gas, refrigerants, transport and waste) Baseline 2006 data – 5,815,521 tCO2e	%	70% reduction by 2030 Net zero emissions by 2035	Strategic Development & Engagement
Net zero emissions in the LGA	Percentage of electricity demand in NSW met by renewable sources	%	50% by 2030	Strategic Development & Engagement
Net zero emissions in the LGA	Environmental grants approved by the City of Sydney	\$ '000	N/A	City Life
Urban greening and canopy cover	New plants planted in City parks and street gardens	No.	50,000	City Services
Urban greening and canopy cover	New and renewed public domain landscaping installed (nature strips, rain gardens, traffic treatments)	m2	7,500	City Services
Habitat and biodiversity	Maintain or increase number of indigenous bird species observed from community and/or formal surveys Baseline 2009/10 – 63 species	No.	↗	City Services
Habitat and biodiversity	Extent of locally-indigenous bushland	Ha	13.5	City Services

Objective area	Measure description	Unit	Target / Trend	Responsible area
Reduce water use	Potable water use from City operations Baseline 2006 – data 431,000 kL	kL	↘	Chief Operations Office
Reduce water use	City of Sydney local government area residential potable water use per person per day	Litres	170 litres by 2030	Strategic Development & Engagement
Reduce water use	Reduction in City of Sydney local government area non-residential potable water use Baseline 2019 data – 2.32 litres/sqm/day	%	10% reduction by 2030	Strategic Development & Engagement
Reduce waste from City Operations	Total waste collected from City managed properties including aquatic centres	Tonnes	–	Chief Operations Office
Reduce waste from City Operations	Reduction in total waste collected from City managed properties including aquatic centres by 2025 Baseline 2019 data – 945 tonnes	%	15% reduction by 2025	Chief Operations Office
Reduce waste to landfill	Total residential waste collected	Tonnes	–	City Services
Reduce waste to landfill	Total residential waste collected per capita	Kg/ Capita	↘	City Services
Reduce waste to landfill	Reduction in total residential waste collected per capita Baseline 2015 data – 336.74 kg/capita	%	15% reduction by 2030	City Services
Reduce waste to landfill	Percentage of source separated recycling of total residential waste	%	35% by 2025	City Services
Reduce waste to landfill	Percentage diversion from landfill of residential waste	%	70% by 2025 90% by 2030	City Services

Objective area	Measure description	Unit	Target / Trend	Responsible area
Reduce waste to landfill	Resource recovery of waste from the City's parks, streets and public places	%	50% by 2025	City Services
Reduce waste to landfill	Percentage diversion from landfill of waste from City managed properties including aquatic centres	%	90% by 2030	Chief Operations Office
Reduce waste to landfill	Percentage of source separated recycling of waste from City managed properties including aquatic centres	%	50% by 2025	Chief Operations Office

Key Services provided under this strategic direction

- Sustainability programs
- Parks and Trees Services
- Drainage
- Cleansing & Waste Services

Strategic Direction 3: Public places for all

The city has more places for people who live, work, invest and visit here. The history of the city and connections to Aboriginal and Torres Strait Islander peoples is evident in our public places. The city centre is an inviting and lively place, clean and safe, day and night, and with creativity and public art at its heart. Our local main streets are thriving hubs with their own distinctive characters.

Objective 3.1 Aboriginal people, their history and cultures of this place are evident in the public realm

Ref	Action	Operational Plan Deliverable	Responsible Area
3.1.1	Aboriginal and Torres Strait Islander people are influential in shaping the city	Develop a framework / strategy, in consultation with relevant stakeholders, to assist in planning the city to address and implement Connecting with Country principles.	Strategic Development & Engagement

Objective 3.2 Welcoming, inclusive and connected streets and public spaces are created and maintained

Ref	Action	Operational Plan Deliverable	Responsible Area
3.2.1 (1)	Welcoming, accessible and equitable public spaces	Continue to deliver public domain capital works projects.	Chief Operations Office
3.2.1 (2)	Welcoming, accessible and equitable public spaces	Maintain and enhance public domain across the local government area through an ongoing program of improvement works.	City Services
3.2.2	Public amenity	Provide high quality street cleansing service that meets the needs of the community.	City Services
3.2.3 (1)	Public safety and compliance	Maintain inspection programs to monitor legislative compliance in the areas of fire safety, building compliance, late night trading premises and public health.	City Planning, Development & Transport
3.2.3 (2)	Public safety and compliance	Operate proactive patrols to monitor legislative compliance and respond to complaints including but not limited to development consents, companion animals, noise, litter and unlawful trading.	City Services
3.2.4	Public spaces meet community needs	Undertake periodic review of public domain design codes in the city.	Chief Operations Office

Objective 3.3 Creativity and culture is embedded in the fabric of the city

Ref	Action	Operational Plan Deliverable	Responsible Area
3.3.1	Enable artists' contributions	Advocate for and support the delivery of public art in new developments and develop partnerships to enable delivery of public art projects and programs.	Chief Operations Office

Objective 3.4 Physical and visual connections to the harbour are strengthened

Ref	Action	Operational Plan Deliverable	Responsible Area
3.4.1	Connecting with the harbour foreshore	Develop and deliver a staged implementation of public art and other projects for the Eora Journey Recognition in the Public Domain Program through the Yananurala walk.	Chief Operations Office

Objective 3.5 Equitable access to open green spaces, playgrounds, pools, recreational and sporting facilities supports social connection and wellbeing

Ref	Action	Operational Plan Deliverable	Responsible Area
3.5.1	Equitable distribution and access	Continue the ongoing data collection, research and analysis to inform the City's Open Space and Recreation Needs Study priorities and directions.	Chief Operations Office
3.5.2	Land under the care and control of the City is managed equitably	Review the City's Plans of Management as required, ensuring that public space is managed in an equitable, inclusive, resilient and regenerative way.	Chief Operations Office

Performance Measures

Objective area	Measure description	Unit	Target / Trend	Responsible area
Welcoming, accessible and equitable public spaces	Road renewed/treated program	m2	20,000	City Services
Welcoming, accessible and equitable public spaces	Amount of footway dining in the Village Centres	m2	—	City Planning, Development & Transport
Welcoming, accessible and equitable public spaces	Footway dining in the city centre	m2	—	City Planning, Development & Transport

Key Services provided under this strategic direction

- Traffic Operations
- Infrastructure Construction and Maintenance
- City Design
- Aquatic Facilities

Strategic Direction 4: Design excellence and sustainable development

The city will continue to grow sustainably and with good design. Communities are inclusive, socially connected, healthy, and live in walkable well-serviced neighbourhoods, supported by public transport. We take the impact of our changing climate into account in the policies that influence development in the city.

Objective 4.1 The city's liveability will be enhanced through well planned and designed development

Ref	Action	Operational Plan Deliverable	Responsible Area
4.1.1 (1)	Inclusive and accessible places	Review and update planning controls to facilitate inclusive and accessible places and support the health, wellbeing and culture of communities.	City Planning, Development & Transport
4.1.1 (2)	Inclusive and accessible places	Implement entertainment sound management planning controls and explore establishing special entertainment precincts to support thriving and vibrant 24-hour economy	City Planning, Development & Transport / City Life
4.1.2	Create great places	Review planning controls for centres, high streets, heritage areas and other strategic precincts to create great places.	City Planning, Development & Transport
4.1.3	Urban renewal	Develop and implement Public Domain Plans and Placemaking Strategies for urban renewal areas as required.	Chief Operations Office

Objective 4.2 Productivity will be supported by planning for jobs, innovation, and enterprise activities

Ref	Action	Operational Plan Deliverable	Responsible Area
4.2.1	Central Sydney Planning Strategy	Implement the Central Sydney Planning Strategy to facilitate commercial space and activity.	City Planning, Development & Transport
4.2.2	Planning for business, industry and economic opportunities	Conduct strategic studies and reviews to inform planning control amendments that protect and grow business, jobs and economic opportunities.	City Planning, Development & Transport

Objective 4.3 Communities will be supported by the provision of infrastructure and assets that are aligned with growth

Ref	Action	Operational Plan Deliverable	Responsible Area
4.3.1 (1)	Infrastructure planning, delivery and collaboration	Collaborate with the private sector to deliver new or upgraded public infrastructure aligned with new development.	City Planning, Development & Transport
4.3.1 (2)	Infrastructure planning, delivery and collaboration	Review contributions plans to support the delivery of infrastructure needed by new development.	City Planning, Development & Transport

Objective 4.4 Good design leads to buildings and public spaces that are high performing, well designed, inviting and inclusive

Ref	Action	Operational Plan Deliverable	Responsible Area
4.4.1	Design excellence	Facilitate competitive architectural design processes to achieve design excellence.	City Planning, Development & Transport
4.4.2	Advice from expert panels	Facilitate the Design Panels to provide expert advice on major public projects, private development and public art proposals.	Chief Operations Office / City Planning, Development & Transport
4.4.3	Advocacy	Engage with government led urban renewal projects to deliver design excellence, high environmental performance and provide appropriate infrastructure.	City Planning, Development & Transport

Objective 4.5 Well planned and designed development reduces environmental impacts and improves resilience, health and sustainability

Ref	Action	Operational Plan Deliverable	Responsible Area
4.5.1	Development supports a healthy environment and community	Investigate planning controls to increase tree canopy, encourage green roofs and support biodiversity in development.	City Planning, Development & Transport
4.5.2 (1)	Better designed and operated buildings	Advocate for improvements to the National Construction Code Trajectory to net zero buildings.	Strategic Development & Engagement
4.5.2 (2)	Better designed and operated buildings	Develop a pathway for the City's planning controls to be strengthened over time to deliver net zero energy buildings.	City Planning, Development & Transport

Ref	Action	Operational Plan Deliverable	Responsible Area
4.5.2 (3)	Better designed and operated buildings	Investigate opportunities for development to use water efficiently and improve the health of waterways through changes to the planning controls.	City Planning, Development & Transport
4.5.3	Increase resilience through well designed and planned development	Update floodplain management planning controls to manage risk and achieve good urban design outcomes.	City Planning, Development & Transport

Performance Measures

Objective area	Measure description	Unit	Target / Trend	Responsible area
Create great places	Average time to determine 90% of footway applications	Days	35	City Planning, Development & Transport
Urban renewal	Voluntary Planning Agreements offers	No.	–	City Planning, Development & Transport
Urban renewal	Voluntary Planning Agreements executed	No.	–	City Planning, Development & Transport
Better designed and operated buildings	Average time to determine 90% of DA applications	Days	55	City Planning, Development & Transport
Better designed and operated buildings	Average processing time for construction certificates	Days	10	City Planning, Development & Transport
Better designed and operated buildings	Average time to determine 90% of S4.55 applications (previously S96 applications)	Days	40	City Planning, Development & Transport
Better designed and operated buildings	Median (net) assessment time to determine DA & S4.55 applications (previously S96 applications)	Days	45	City Planning, Development & Transport
Better designed and operated buildings	Outstanding DA & S4.55 applications over 100 days (previously S96)	%	20	City Planning, Development & Transport

Strategic Direction 5: A city for walking, cycling and public transport

The city is greener and calmer, with more space for people on the streets – including footpaths and cycleways. More people choose to walk, ride and use public transport. All vehicles in the city are zero emissions.

Objective 5.1 Street space is reallocated for people, places and planting

Ref	Action	Operational Plan Deliverable	Responsible Area
5.1.1	Public domain and public space programs	Ensure the needs of our diverse community are considered in the public domain master planning for transport and urban growth projects.	Chief Operations Office
5.1.2	Reallocation of street space	Continue to support the implementation of the pedestrianisation of George Street and relevant city streets.	Chief Operations Office
5.1.3	Partnerships to improve road safety and reduce traffic	Work in partnership with the NSW Government to reduce traffic speeds and volumes to keep people safe and reduce road trauma.	Chief Operations Office

Objective 5.2 Most people use the high-capacity, rapid and frequent public transport network that connects the city and the metropolitan area

Ref	Action	Operational Plan Deliverable	Responsible Area
5.2.1	Promote public transport solutions	Advocate for extension of Metro West by 2030, including stations for at least Zetland and Central.	Chief Operations Office / City Planning, Development & Transport

Objective 5.3 More people walk more, because walking is the most attractive and convenient choice for short trips in the local area

Ref	Action	Operational Plan Deliverable	Responsible Area
5.3.1 (1)	Improve safety, connectivity and amenity	Develop and oversee a program of pedestrian crossings to make walking safer and easier.	Chief Operations Office
5.3.1 (2)	Improve safety, connectivity and amenity	Deliver the Central Business District Streetscape Improvement program, including the installation of Smartpoles, upgraded and improved LED street lighting, traffic signals, street furniture and the installation of granite paving.	City Services

Ref	Action	Operational Plan Deliverable	Responsible Area
5.3.1 (3)	Improve safety, connectivity and amenity	Continue to implement priority public domain improvements from the Liveable Green Network strategy	City Services
5.3.2	Encourage and monitor walking participation	Ensure all road and path users have information and training available that enables them to exhibit correct and safe behaviours.	Chief Operations Office
5.3.3	Advocacy	Work with the NSW Government to decrease waiting time and journey time for people walking in areas of high pedestrian activity in the local government area.	Chief Operations Office

Objective 5.4 More people ride more, because it is an attractive, convenient and safe option for everyday transport

Ref	Action	Operational Plan Deliverable	Responsible Area
5.4.1 (1)	Safe, connected cycleways	Continue the implementation of cycleways within the City of Sydney.	Chief Operations Office
5.4.1 (2)	Safe, connected cycleways	Improve bicycle safety, access and amenity through small scale infrastructure changes and improved on street facilities throughout the local government area.	City Services
5.4.2	Collaboration	Work with neighbouring councils, state and federal governments to implement a cycleway network across Sydney.	Chief Operations Office

Objective 5.5 Freight, servicing and parking will be managed to support the efficient functioning of the city while improving the amenity of city spaces

Ref	Action	Operational Plan Deliverable	Responsible Area
5.5.1	Efficient freight and servicing	Work with the NSW Government and businesses to develop new and innovative solutions to freight and servicing, including more productivity from loading spaces and exploring higher-amenity options for “last mile” distribution.	City Planning, Development & Transport
5.5.2 (1)	Manage parking and kerbside space	Ensure the Neighbourhood Parking Policy and kerbside allocation support city outcomes, such as the need for access for people with disabilities.	Chief Operations Office

Ref	Action	Operational Plan Deliverable	Responsible Area
5.5.2 (2)	Manage parking and kerbside space	Manage the demand for parking to ensure there is equitable access to the constrained supply.	City Services

Performance Measures

Objective area	Measure description	Unit	Target / Trend	Responsible area
Public domain and public space programs	Length of streets across the local government area with a speed limit of 40km/h or less	Km	↗	Chief Operations Office
Public domain and public space programs	Transport-related projects (footpath widening, traffic calming measures, intersection upgrades, etc.) delivered as part of the City's Pedestrian, Cycling and Traffic Calming (PCTC) plans	No.	10	City Services
Reallocation of street space	Footway replaced by green verge	m2	2,000	City Services
Improve safety, connectivity and amenity	Footway renewed	m2	10,000	City Services
Improve safety, connectivity and amenity	New granite infill paving	m2	1,500	City Services
Safe, connected cycleways	Length of new separated cycleways provided	Km	2.0	Chief Operations Office
Safe, connected cycleways	Length of new on-road cycleways provided/upgraded	Km	2.6	Chief Operations Office
Encourage and monitor cycling participation	Growth in cycling activity at key intersections around the City of Sydney	%	↗	Chief Operations Office
Encourage and monitor cycling participation	Attendees at cycle safety courses	No.	↗	Chief Operations Office
Manage kerbside space	Car share bookings	No.	↗	Chief Operations Office

Key Services provided under this strategic direction

- City Transport and Access
- Parking

Strategic Direction 6: An equitable and inclusive city

Everyone feels welcome and can afford to live here if they choose. Everyone can participate, prosper, and reach their full potential in a city that is fair and just.

Objective 6.1 We will respectfully strengthen partnerships and relationships with Aboriginal and Torres Strait Islander peoples and prioritise their cultural, social, environmental, spiritual and economic aspirations

Ref	Action	Operational Plan Deliverable	Responsible Area
6.1.1 (1)	Partnerships, self-determination and reconciliation	Ongoing implementation of the Stretch Reconciliation Action Plan acknowledging the Closing the Gap priority actions.	Strategic Development & Engagement
6.1.1 (2)	Partnerships, self-determination and reconciliation	Continue to work with the coalition of Aboriginal peak organisations and their affiliates on Closing the Gap initiatives.	Strategic Development & Engagement
6.1.2	Enable self determined, culturally safe spaces	Support the community's aspirations for the future use of the local Aboriginal knowledge and culture centre in Redfern at 119 Redfern Street.	Strategic Development & Engagement

Objective 6.2 Everyone feels welcome and included in the city

Ref	Action	Operational Plan Deliverable	Responsible Area
6.2.1	Inclusion	Continue to implement the Inclusion Disability Action Plan.	City Life
6.2.2	Support community needs	Deliver a library service which is responsive to existing and emerging community needs.	City Life
6.2.3	Inclusive and accessible programs and services	Deliver cultural programs and services that are inclusive, accessible and affordable for all.	City Life

Objective 6.3 Everyone benefits from equitable economic growth and has financial security

Ref	Action	Operational Plan Deliverable	Responsible Area
6.3.1 (1)	Build community skills and capacity	Provide demographic, visitor and sector data and analysis to local businesses to assist in decision making and sustainable growth.	Strategic Development & Engagement
6.3.1 (2)	Build community skills and capacity	Continue to advocate to ensure everyone can afford the essentials of daily life, from healthy fresh food through to services such as health care and education.	Strategic Development & Engagement

Ref	Action	Operational Plan Deliverable	Responsible Area
6.3.2 (1)	Increased employment and access to procurement	Develop and implement an Aboriginal and Torres Strait Islander procurement strategy.	Chief Financial Office
6.3.2 (2)	Increased employment and access to procurement	Review and implement the City's Aboriginal and Torres Strait Islander workforce strategy in consultation with Aboriginal and Torres Strait Islander stakeholders and staff.	People, Performance & Technology

Objective 6.4 Communities are engaged and actively participate in the governance of their city

Ref	Action	Operational Plan Deliverable	Responsible Area
6.4.1	Community engagement	Implement the Community Engagement Strategy to involve the community in the City's decision making processes for projects, strategies, policies and services.	Strategic Development & Engagement
6.4.2	Provide inclusive, clear, accurate and accessible information to the community	Provide updates on our policies, projects and programs through communications that reflect and reach the diverse communities of the city.	Strategic Development & Engagement
6.4.3	Council elections	Ensure all electoral processes are well managed and meet legislative requirements.	Legal & Governance

Objective 6.5 Communities have the skills, tools and access to technology to engage and participate in a digital life

Ref	Action	Operational Plan Deliverable	Responsible Area
6.5.1	Equitable access to technology	Deliver free access to technology throughout our community facilities and relevant programs to support digital literacy.	City Life

Objective 6.6 There is equitable access to education and learning opportunities

Ref	Action	Operational Plan Deliverable	Responsible Area
6.6.1 (1)	Capacity building	Ensure equitable and affordable community access to education programs through our community centres and libraries.	City Life

Ref	Action	Operational Plan Deliverable	Responsible Area
6.6.1 (2)	Capacity building	Provide education and care services and facilities across the local area, including preschool, long day care, occasional care and out-of-school hours services.	City Life

Objective 6.7 A sustainable and equitable food system that increases access to nutritious and affordable food

Ref	Action	Operational Plan Deliverable	Responsible Area
6.7.1	Research, collaborate and investigate	Coordinate research and strategic work on local food security and urban food systems to establish priorities, roles and pathways to guide future policy, advocacy and resource allocation.	Strategic Development & Engagement
6.7.2	Improve food security	Enable community responses to improve food security through grants, partnerships, and collaborations.	City Life

Performance Measures

- Library Services
- City Engagement
- Marketing and Communications
- Pine St Creative Arts Centre
- Childcare Services
- Food Services

Strategic Direction 7: Resilient and diverse communities

The city and its public places and infrastructure can withstand impacts from a changing climate and emergency situations. We work with communities, businesses, and other organisations to strengthen connections and networks, to prepare the city and be able to recover from most situations.

Objective 7.1 Communities are connected and socially cohesive

Ref	Action	Operational Plan Deliverable	Responsible Area
7.1.1	Strengthen social cohesion	Foster cross-cultural awareness, tolerance, and connections among people from diverse cultural backgrounds including through services, programs, events and targeted initiatives.	City Life
7.1.2	Collaborate to address loneliness and social isolation	Support sectors of the community who are at risk of loneliness and isolation, including older people, people who identify as LGBTIQ+, new migrants and international students.	City Life

Objective 7.2 Everyone has equitable and affordable access to community and cultural facilities, supporting social connection and wellbeing

Ref	Action	Operational Plan Deliverable	Responsible Area
7.2.1 (1)	Equity and affordability	Support a diverse, inclusive and accessible range of community programs and projects through community facilities.	City Life
7.2.1 (2)	Equity and affordability	Deliver social programs that are inclusive, accessible and affordable for all.	City Life
7.2.2	Accessibility and inclusiveness	Manage the property portfolio to ensure that planned upgrades to community facilities make spaces more inclusive to all and optimise community needs.	Chief Operations Office
7.2.3 (1)	Support social connection and wellbeing	Collect, analyse and report data within the Community Indicators framework to identify wellbeing trends and to inform priority programs and services.	Strategic Development & Engagement
7.2.3 (2)	Support social connection and wellbeing	Deliver programs and services at pools and community tennis courts that support social connection and wellbeing.	City Services

Objective 7.3 Infrastructure, services and communities are prepared for and can withstand the impacts of acute shocks and chronic stresses and emergency situations

Ref	Action	Operational Plan Deliverable	Responsible Area
7.3.1 (1)	Resilience and climate risk management planning	Develop the City of Sydney area Resilience Plan.	Strategic Development & Engagement
7.3.1 (2)	Resilience and climate risk management planning	Partner with regional governments, business and the community to facilitate delivery of the Resilient Sydney Strategy for the greater Sydney region.	Strategic Development & Engagement
7.3.1 (3)	Resilience and climate risk management planning	Continue to implement the City's Floodplain Management Policy and work collaboratively with asset owners and developers to fund and implement flood risk management plans, incorporating climate change scenarios.	City Services
7.3.2 (1)	Support communities to build capacity and capability for resilience	Work with the community, emergency services and relevant agencies to build capacity and resilience to prevent, prepare, respond and recover from emergencies.	City Services
7.3.2 (2)	Support communities to build capacity and capability for resilience	Support communities beyond our local area and international communities experiencing emergency situations.	City Life / Office of the CEO

Objective 7.4 The city economy is diversified to strengthen its resilience

Ref	Action	Operational Plan Deliverable	Responsible Area
7.4.1	Economic diversity	Invest in projects delivered through alternative business models that support equitable and inclusive recovery.	Chief Operations Office
7.4.2	Economic resilience	Contribute to metropolitan and state-wide strategic economic planning.	Strategic Development & Engagement

Objective 7.5 People feel safe in the city

Ref	Action	Operational Plan Deliverable	Responsible Area
7.5.1 (1)	Collaboration	Provide community safety information and effective emergency contact services for the community.	City Life

Ref	Action	Operational Plan Deliverable	Responsible Area
7.5.1 (2)	Collaboration	Deliver programs that support community safety.	City Life
7.5.1 (3)	Collaboration	Work with police and other organisations to deter, detect, delay, and respond to incidents in the public domain.	City Services
7.5.2	Embed the NSW Child Safe Standards	Develop and implement strategies to embed the NSW Child Safe Standards across our organisation.	City Life
7.5.3	Community safety	Operate proactive patrols to monitor legislative compliance and respond to complaints including but not limited to parking, development consents, companion animals, noise, litter and unlawful trading.	City Services

Objective 7.6 Communities are empowered to lead the change they want to see in the city

Ref	Action	Operational Plan Deliverable	Responsible Area
7.6.1	Community led solutions	Research and understand the role of volunteering in delivering social impact within the City.	Strategic Development & Engagement / City Life
7.6.2	Strong Aboriginal and Torres Strait Islander community-controlled sector	Provide support through the City's grants and sponsorship program to Aboriginal and Torres Strait Islander led organisations to respond to the needs and aspirations of the community.	Strategic Development & Engagement
7.6.3	Strengthen young people's civic engagement	Deliver youth civic engagement programs.	City Life

Performance Measures

Strategic Direction 8: A thriving cultural and creative life

We are proud of the city. We are all able to participate in, contribute to and benefit from the city's cultural life.

Objective 8.1 We value our cultural life and champion our creative industries

Ref	Action	Operational Plan Deliverable	Responsible Area
8.1.1	Public art	Deliver the City Art program including commissioning public art works and maintaining, conserving and communicating the City Art Public Art collection.	Chief Operations Office
8.1.2	Investment in local creation and production	Provide support through our cultural funding and programs to a range of cultural groups that offer opportunities for creative participation, enhance creativity in the public domain and strengthen the sustainability and capacity of local cultural and creative industries.	City Life
8.1.3	Sydney is an innovative, creative and global city	Produce an annual program of events and festivals that showcase local stories internationally, champions local cultural production, actively engages with local communities.	City Life
8.1.4	Prioritise local culture	Continue to implement the City's history and curatorial programs.	City Life
8.1.5	Connect with and engage the community	Deliver an inclusive, welcoming cultural program within relevant City cultural venues.	City Life

Objective 8.2 Aboriginal and Torres Islander people and their cultural practice are visible and respected

Ref	Action	Operational Plan Deliverable	Responsible Area
8.2.1	Improve local cultural representation for Aboriginal and Torres Strait Islander people	As part of the City Art Public Art program, commission a series of public artworks to deliver the Eora Journey; Recognition in the Public Domain program.	Chief Operations Office

Objective 8.3 An increasing number of creative workers live or work in the city

Ref	Action	Operational Plan Deliverable	Responsible Area
8.3.1	Encourage investment in new creative employment space	Investigate innovative partnerships, financing models and revenue streams to support the delivery of new cultural infrastructure at scale.	City Life
8.3.2	Encourage creative and cultural organisations and operators to live and work in Sydney	Deliver cultural programs and liaise with providers to deliver programs.	City Life

Objective 8.4 Sydney's cultural life reflects the diversity of our communities

Ref	Action	Operational Plan Deliverable	Responsible Area
8.4.1	Diversity of workers and audiences	Deliver cultural programs and events that represent the cultural and social diversity of the community.	City Life
8.4.2	Diversity in creative workforce and leadership	Provide support to a range of cultural groups that offer opportunities for creative participation and enhance creativity in the public domain.	City Life

Objective 8.5 There is an increased supply of accessible creative space

Ref	Action	Operational Plan Deliverable	Responsible Area
8.5.1	Stable and affordable creative space	Develop planning and regulatory reforms to support the provision of cultural infrastructure and activities.	City Planning, Development & Transport

Performance Measures

Objective area	Measure description	Unit	Target / Trend	Responsible area
Investment in local creation and production	Cultural grants approved by the City of Sydney (excluding major events) (Wording from CSP: Annual value of City of Sydney cultural grants (cash and value in kind) Baseline \$9.89m)	\$ '000	—	City Life

Sydney is an innovative, creative and global city	Annual value of City of Sydney cultural expenditure (non-staff) Baseline \$12.6m			
Encourage investment in new creative employment space	Creative organisations in creative spaces supported by the City of Sydney	No.	—	City Life
Diversity in creative workforce and leadership	Creative personnel supported by City of Sydney programs	No.	—	City Life
Stable and affordable creative space	Accommodation concessions given by the City through the accommodation grants program – leases for cultural initiatives	\$ '000	—	City Life

Key Services provided under this strategic direction

- Creative City programs
- History & Curatorial
- Cultural Programs and Venues

Strategic Direction 9: A transformed and innovative economy

The city maintains its position locally, nationally, and internationally as a destination for business, investment, and talent. Innovation is central to the economy and transformation has occurred across all industries. Wealth and benefits are shared equitably.

Objective 9.1 An expanding innovation economy will support Sydney's future prosperity

Ref	Action	Operational Plan Deliverable	Responsible Area
9.1.1	Develop and promote the Tech Central Innovation precinct	Work collaboratively with the Camperdown Ultimo Alliance, Greater Cities Commission and other agencies and organisations to position Tech Central as the driver of place-based innovation.	Strategic Development & Engagement
9.1.2	A safe and desirable destination	Work collaboratively with relevant organisations to help promote Sydney to potential investors, global companies, entrepreneurs, researchers and talent.	City Life
9.1.3	Support local businesses – technology and innovation	Deliver and support free capacity building programs for businesses and tech startups that encourage innovation, diversification, and adoption of new technologies across emerging and priority sectors.	City Life
9.1.4	Support creative industries	Deliver and facilitate opportunities for skills development, collaboration and capacity building to ensure cultural sector resilience and sustainability.	City Life

Objective 9.2 The transition to a zero-carbon economy offers new economic opportunities

Ref	Action	Operational Plan Deliverable	Responsible Area
9.2.1	Innovation and commercialisation of research	Work closely with the City's Business Innovation Space, Circular Quay operator to provide affordable workspace, capacity building programming, and access to funding for green and climate tech startups.	City Life / Chief Operations Office
9.2.2	Promote and support development of key green sectors	Explore opportunities to position Sydney as a regional hub for sustainable finance, in collaboration with the NSW Government, Australian Sustainable Finance Initiative, and other key stakeholders.	Strategic Development & Engagement

Objective 9.3 An inclusive city economy provides opportunities for everyone to participate and share in its prosperity

Ref	Action	Operational Plan Deliverable	Responsible Area
9.3.1	Collect, analyse and share data	Provide demographic and economic development information to enable enhanced community decision making.	Strategic Development & Engagement

Objective 9.4 Creativity and great experiences fuel the vitality of the city

Ref	Action	Operational Plan Deliverable	Responsible Area
9.4.1	Activation of places & precincts	Activate local precincts through fostering collaboration within the business community and investment in year-round creative programming.	City Life
9.4.2	Streamlined regulation and compliance	Design and deliver a Business Concierge service to assist small businesses in navigating Council processes to enable place activation.	People, Performance & Technology
9.4.3 (1)	Support the visitor economy	Continue to invest in, support and promote major festivals and events that attract local and global audiences which contribute to Sydney's vibrancy.	City Life
9.4.3 (2)	Support the visitor economy	Collaborate with relevant visitor economy peak bodies and agencies to rebuild and promote the visitor economy, with particular focus on Sydney experiences, tourism and international education.	Strategic Development & Engagement
9.4.3 (3)	Support the visitor economy	Develop and deliver tourist information programs to meet visitor requirements.	Strategic Development & Engagement
9.4.3 (4)	Support the visitor economy	Collaborate with the NSW Government and event organisers of Sydney WorldPride to deliver a world-class global event that celebrates the culture and raises awareness of the human rights issues of the LGBTIQ+ community.	City Life
9.4.3 (5)	Support the visitor economy	Implement projects and programs to support the recovery of the international education sector impacted by Covid-19.	City Life

Objective 9.5 Unique local neighbourhoods and the global city centre support thriving economic activity

Ref	Action	Operational Plan Deliverable	Responsible Area
9.5.1	Promote economic activity and local neighbourhood identify	Support the development and implementation of the Oxford Street LGBTIQ+ Place Strategy business charter.	Chief Operations Office / City Life
9.5.2 (1)	Economic diversity	Continue to implement the Eora Journey Economic Develop Plan by facilitating access to appropriate space, skills development programs and employment opportunities in the city centre for Aboriginal and Torres Strait Islander business.	City Life
9.5.2 (2)	Economic diversity	Develop and promote vibrant, safe and sustainable 24-hour precincts that offer a diverse range of leisure and entertainment options, inviting public spaces and connected transport options in collaboration with NSW Government 24-Hour Economy Office.	City Life

Performance measures

Strategic Direction 10: Housing for all

This is a city where everyone has a home. Social, affordable, and supported housing is available for those who need it. High-quality housing is available for everyone.

Objective 10.1 People sleeping rough or at risk of experiencing homelessness have access to adequate accommodation, services, and support to meet their needs

Ref	Action	Operational Plan Deliverable	Responsible Area
10.1.1 (1)	Collaboration & advocacy	Advocate for innovative responses, and build the capacity of City staff, non-government services and the community to contribute to preventing and reducing homelessness.	City Life
10.1.1 (2)	Collaboration & advocacy	Partner and support the delivery and coordination of services to link people sleeping rough with services and support.	City Life
10.1.2	Access to safe, secure and sustainable housing	Monitor patterns of homelessness, and services available for people who are homeless or at risk of homelessness to identify gaps and trends.	City Life

Objective 10.2 The supply of well maintained, safe, secure and sustainable social housing is increased to support diverse communities

Ref	Action	Operational Plan Deliverable	Responsible Area
10.2.1	Safe, cohesive and connected neighbourhoods	Provide and support community capacity building initiatives in social housing neighbourhoods.	City Life
10.2.2	Collaboration	Work in partnership to enhance the safety, liveability and amenity of social housing communities and properties.	City Life
10.2.3	Support people during urban renewal and development	Support communities to participate in social housing redevelopment projects.	City Life
10.2.4	Advocacy	Advocate to ensure that the renewal of the housing estates are well planned and deliver improved social housing outcomes.	City Planning, Development & Transport

Objective 10.3 An increased supply of affordable housing supports diverse communities and the economy

Ref	Action	Operational Plan Deliverable	Responsible Area
10.3.1	Partnerships	Work with Councils across Metropolitan Sydney to increase Affordable Housing Supply	City Planning, Development & Transport
10.3.2	Planning controls to encourage affordable rental housing	Facilitate affordable housing through the planning system, optimising programs, leveraging site specific opportunities and investigating opportunities for innovative approaches.	City Planning, Development & Transport

Objective 10.4 Every neighbourhood has a mix of housing accommodating diverse and growing communities

Ref	Action	Operational Plan Deliverable	Responsible Area
10.4.1	Facilitate supply of diverse range of housing	Monitor the balance of residential development to non-residential development in the city including the quantity and type of dwelling types.	Strategic Development & Engagement

Objective 10.5 There is an increased supply of culturally appropriate social and affordable housing for Aboriginal and Torres Strait Islander peoples

Ref	Action	Operational Plan Deliverable	Responsible Area
10.5.1	Partner with the Aboriginal and Torres Strait Islander community to deliver improved housing outcomes	Work with Aboriginal and Torres Strait Islander communities, housing providers, the NSW government and others to provide culturally appropriate affordable and social housing for Aboriginal and Torres Strait Islander peoples.	City Planning, Development & Transport

Performance Measures

Objective area	Measure description	Unit	Target / Trend	Responsible area
Collaboration & advocacy	People assisted to exit homelessness into long term housing as a result of a program supported by the City of Sydney	No.	—	City Life
Collaboration & advocacy	People prevented from becoming homeless through the City supported brokerage program	No.	—	City Life

Objective area	Measure description	Unit	Target / Trend	Responsible area
Access to safe, secure and sustainable housing	People sleeping rough in the city area	No.	–	City Life
Facilitate supply of diverse range of housing	Grants for Affordable and Diverse Housing Fund and homeless funding approved by the City of Sydney	\$ '000	–	City Life
Planning controls to encourage affordable rental housing	Affordable rental housing units in the city area	No.	–	City Planning, Development & Transport
Facilitate supply of diverse range of housing	New dwellings approved	No.	–	City Planning, Development & Transport

Key Services provided under this strategic direction

- Homelessness

7. Budget and grants & support program

The City's revenue and financial position have been impacted by the Covid-19 pandemic. We're working to restore our financial position back in line with our long-term financial plan and to meet our commitments to provide services and support to the community and businesses in our local government area.

Despite the impacts of the pandemic, the City's strong financial management over the past years has provided a platform to respond to the crisis.

As we emerge from the pandemic we will focus on building the recovery while continuing to adjust to ensure the health and wellbeing of the community.

We will continue to engage with the community using the principles outlined in our Community Engagement Strategy to ensure that changing and emerging priorities are identified. Decisions will continue to be based on the principles in our plan, community engagement outcomes, and in alignment with the NSW and Federal Government's recovery efforts and directives.

Budget and financial schedules

The City has produced a number of financial reports to demonstrate its plans and commitments over the ten year horizon of the Long Term Financial Plan.

The following briefly describes these schedules and any assumptions have not been previously discussed throughout the body of the plan.

Additional alternative schedules have been presented for the Income Statement and Cash Flow Forecast, to reflect potential scenarios associated with recovery from the Covid-19 pandemic.

Income and Expenditure (Income Statement)

Income & Expenditure Statements have been provided at summary and detailed level to reflect the City's ten year operational plan, including the 2022/23 budget and future years' forward estimates.

The summary report provides a high level overview, accords with the discussion in this plan, and aligns to the required Annual Financial Reports format.

Scenario Modelling

The 'base case' assumes that the Additional Special Variation to rates income submitted in April 2022 is approved by the Minister for Local Government.

Beyond the base case modelled in the main financial schedules, supplementary Income Statement schedules have been included, modelling additional scenarios related to:

1. Variations to Additional Special Variation to rates income not being approved in line with expectations (note scenario 1a and 1b)

2. prolonged impact from the Covid-19 pandemic. Whilst the base case largely reflects a recovery from the worst of the pandemic, this second additional scenario has modelled longer term structural impacts on key income sources:
 - commercial property leasing and licencing income
 - street furniture advertising income
 - venue and facility hire
 - associated impact on investment revenue

Additional income and expenditure reports then provide more detailed information for the base case:

- By main income and expenditure type
- By the City's organisational structure; and
- Distributed by the City's principal activities

Capital Works

The Capital Works budget within the Long Term Financial Plan identifies each major project, rolling program and future project provision over the course of the ten year planning horizon.

The proposed Capital Works program includes a total of \$1,862.3M comprising Asset Enhancement programs of \$884.2M, Asset Renewal programs of \$968.1M and a Capital Contingency sum of \$10.0M.

Balance Sheet (Statement of Financial Position)

The Balance Sheet reflects the City's financial assets, liabilities and equity over the ten years of the plan.

The ten year balance sheet reflects movements in cash and investments levels, the acquisition and divestment of assets and estimated movements in employee leave provisions, accounts payable and accounts receivable.

Cash Flow Forecast

The Cash flow Forecast takes the Net Surplus result from the Income & Expenditure Statement, adjusts for non-cash transactional movements and allows for the Capital Expenditure program to forecast the movements in the City's total Cash Reserves.

Achieving this cash forecast is critical to ensuring the sustainability of the Long Term Financial Plan, and as such it will be one of the key measures that is regularly monitored and reviewed over the life of the plan.

As with the Income Statement, additional Cash Flow schedules have been included, modelling the same additional scenarios related to potential further Covid-19 impacts.

Office of Local Government Performance Measures

Projections relating to key performance measures are included in graphical format to provide additional context and to indicate performance trends over the period of the Plan.

Consistent with the requirements of the Office of Local Government, the Long Term Financial Plan projects financial forecasts for the City for ten years and is updated annually as part of the development of the Operational Plan.

Budgeted Income Statement

The above Income Statement (and other financial schedules) reflect the City's "base case" Net Operating Result, incorporating ongoing financial impacts of Covid-19 (and subsequent recovery) on the City's operations as detailed in the Long Term Financial Plan. Scenarios reflecting extended impacts of Covid-19 on key income streams have also been modelled and are included after the "base case" scenario financial schedules.

The City's budgeted Income Statement (and future year projections) is prepared with regard to International Financial Reporting Standards (AIFRS) and the NSW Office of Local Government's Code of Accounting Practice and Financial Reporting. The formatting of the statement above reflects this approach.

Major non-cash items that may impact the City's financial results include:

- the incremental increase / decrease arising from the annual market revaluation of the City's investment properties
- the initial recognition of transferable Heritage Floor Space (HFS) rights

These items will have no initial impact upon the budgeted funds available for the Council and are therefore excluded from the annual budget and future years' financial estimates. Expected realisation of these assets through anticipated sale/divestment is reflected in forward estimates as applicable.

Draft Operational Plan 2022/23

City of Sydney

Summary of Income and Expenditure by Principal Activity

The schedule below reflects the Strategic Directions from *Sustainable Sydney 2030-2050* as Principal Activities for this Delivery Program. A number of Principal Activities are largely of an advocacy and facilitation role for the City (such as Housing for all) and not one of direct service provision. As a result, the proposed budget does not reflect substantial operational costs (particularly salaries expenditure) incurred indirectly in delivering this Principal Activity. Other Principal Activities (such as Design excellence and sustainable development), will be delivered primarily via operational expenditure, rather than directly through capital works.

The summary of income and expenditure by Principal Activity below includes both the proposed operational budgets and the capital works program (for 2022/23) to better reflect the allocation of Council funds towards these major directions.

	2022/23				2023/24	2024/25	2025/26	2026/27	2027/28	2028/29	2029/30	2030/31	2031/32

Capital Works Expenditure Summary

The City's Capital Works Program is built around a number of significant projects that will expand and/or significantly upgrade the provision of infrastructure and facilities for the community, and Capital Programs that underpin key asset groups such as public domain, roads, footways, pools, open space and community facilities. The proposed program will enable the commencement and completion of many identified priorities and progress a number of Sustainable Sydney 2030 projects. The program prepared is in line with the agreed long term financial parameters and represents the City's capacity to deliver the program each year and expenditure provisions for significant projects which may be delivered by third parties.

Asset Replacement and Sales (including Information Services - Capital Projects)

Council holds assets to ensure its financial viability, for commercial and strategic reasons, and to meet the needs of its operations.

Depreciating assets, such as plant, equipment and vehicles, held for Council's operations are changed or replaced in line with Council's current needs and the operational life of the asset. The City replaces its light fleet every two years or 40,000km excluding utility vehicles which are replaced every three years or 60,000km. The City also adopts a replacement program to renew its Personal Computer assets on an average three-yearly cycle.

The City has a program of upgrades and enhancements to information systems. These can include installation and configuration of 3rd party software and development of new in-house solutions.

Where these system developments are deemed to have an enduring benefit to the City, the costs of the project are capitalised as assets within the Fixed Asset Register, and amortised over an appropriate useful life. Capitalisation of costs is consistent with the City's *Asset Recognition and Capitalisation Policy*.

Summary of Expenditure - 2022/23

	2022/23		
	Acquisitions	Sales	Net Budget
Books & Library Resources	0.8	0.0	0.8
Information Technology (Equipment)	2.3	0.0	2.3
Technology and Digital Services - Capital Projects	7.0	0.0	7.0
Vehicles and Plant	6.8	(0.5)	6.3
Equipment, Furniture & Fittings and Miscellaneous	3.6	0.0	3.6
Total	20.4	(0.5)	19.9

Statement of Business or Commercial Activities

The City of Sydney expects to continue with Parking Stations as a Category 1 business activity. In a typical operating environment, these commercial activities provide an additional source of funding that enables the Council to continue to provide enhanced services and infrastructure delivery without placing additional burden on the City's ratepayers.

Revenue Policy - Charges for Works Carried out on Private Land

Council does not generally carry out works on private land, however if Council were required to undertake such works (e.g. the construction of a private road), then the works would be charged at the appropriate commercial rate.

OFFICE OF LOCAL GOVERNMENT PERFORMANCE MEASURES - PROJECTIONS

The City's performance in respect of the mandated Office of Local Government Performance measures is detailed below. The charts demonstrate performance trends on the basis of forward projections contained in the Long Term Financial Plan, and estimates related to future asset maintenance and renewal requirements (per the Asset Management Plan) and infrastructure backlog.

The formulas used in the calculations, as provided by the NSW Office of Local Government, are also included.

The graphs plot the annual performance for each ratio shown - while longer term projections generally reflect above-benchmark performance against all measures, one-off impacts can result in minor fluctuations from year to year.

Sustainability

Operating Performance Ratio

$$\frac{\text{Operating Revenue (excl Capital Grants \& Contributions)} - \text{Operating Expenses}}{\text{Operating Revenue (excl Capital Grants \& Contributions)}}$$

The City's Operating Performance for 2021/22 has been significantly impacted by the continuation of the Covid-19 pandemic, particularly the Delta and Omicron variants that resulted in extended lockdowns and economic disruption. These impacts are beginning to ease in the latter part of the 2021/22 financial year.

Forward estimates anticipate a financial recovery reflecting a return to long term averages over time. The base case of the model relies upon the recovery of key income sources in 2022/23, and scenarios have been provided within this Long Term Financial Plan modelling financial impacts of an extended or delayed period of recovery.

Own Source Revenue

$$\frac{\text{Total continuing operating revenue} - \text{all grants and contributions}}{\text{Total Operating Revenue (inclusive of Capital Grants and Contributions)}}$$

The City's Own Source Operating Revenue is already well above the required benchmark level and is forecast to continue to grow as a proportion of total operating revenue.

As detailed in the Long Term Financial Plan document, minor incremental growth in the City's rates base and the assumed continuation of the "cap" on developer contributions per new dwelling will result in capital income representing a declining proportion of the City's income base, reflected in the gradual increase in the Own Source Revenue ratio. The ratio may be impacted in any given year by higher-than-expected capital income receipts.

Building and Infrastructure Asset Renewal Ratio

$$\frac{\text{Actual Asset Renewals}}{\text{Required Renewal* of Building and Infrastructure Assets}}$$

Rather than utilise depreciation expense as an arbitrary proxy, the required renewal of building and infrastructure assets is instead sourced from the Asset Management Plan within the City's Integrated Planning and Reporting documents. Depreciation rates are also re-assessed regularly to reflect appropriate useful lives for assets, but the straight line methodology inevitably presents a limitation.

Ratio performance is forecast to exceed benchmark over the life of the plan. Performance in excess of the ratio benchmark is driven by large-scale capital works projects that provide a renewal benefit to major assets while achieving long term strategic goals. These major items are in addition to underlying capital renewal programs that meet cyclical renewal requirements.

Infrastructure and Service Management

Infrastructure Backlog Ratio

Estimated Costs to Bring Assets to a Satisfactory Standard

Written Down Value of Infrastructure
(incl roads and drainage assets), **Building, Other Structures** and **Depreciable Land Improvements Assets**

The City holds the view that the vast majority of its buildings and infrastructure are currently maintained at or above a "satisfactory standard". The identified infrastructure backlog is subject to ongoing review, to ensure that backlog levels reported are reflective of those assets deemed to be at less than "satisfactory standard".

The City's projected Infrastructure Backlog ratio is subject to future assessments of asset condition, and therefore difficult to predict. However, the ratio result is expected to improve as targeted renewal works (per the City's asset management plans) are completed. Condition assessments of assets are also completed periodically, in order to better prioritise works.

Asset Maintenance Ratio

Actual Asset Maintenance

Required Asset Maintenance

In line with the City's Asset Management Plan, asset maintenance is forecast to remain at (or near to) benchmark over the life of the plan (i.e 98% or higher).

Whilst gross expenditure on asset maintenance will continue to grow over time, so to will the "required" level of annual maintenance, as the City's asset base continues to grow. Resourcing of asset maintenance and operating expenditure is considered in conjunction with capital renewal, as part of a holistic approach to asset management. Over the longer term, increases to asset maintenance expenditure will continue to be 'matched' to growth in the City's asset base.

Debt Service Ratio

Principal Repayments (from Statement of Cash Flows) plus Borrowing Interest Costs (from the income statement)

Operating Results before Interest and Depreciation (EBITDA)

Historically strong financial management has alleviated the need for the City to borrow funds, and the Long Term Financial Plan projects that this trend will continue over the next 10 years.

In addition to cash and investment reserves accumulated over a period of 15 years, the City has access to considerable capital income (in the form of developer contributions and interest on cash and investments) that will facilitate the delivery of new capital projects without the use of borrowings. Should funding circumstances change, the City will review the appropriateness of debt financing accordingly.

Efficiency

Real Operating Expenditure per capita

Real Operating Expenditure

Residential Population of Local Government Area

A declining trend over time is in line with OLG requirements, and reflects the City's commitment to targeting efficiencies in service delivery.

Whilst gross Operating Expenditure is forecast to increase over time, the residential population of the LGA is projected to grow more rapidly, representing a gradual decline in Real Operating Expenditure per capita. Service levels are reviewed as part of the Integrated Planning and Reporting process, and will reflect ratepayer priorities within tight budgetary controls.

Note that the green line reflects the inclusion of **all users** of the City, currently over 1.2M per day (in a business-as-usual environment)

Impacts on Net Operating Result of Additional Special Rates Variation (ASV) approval on a temporary basis only

The base case of this Long Term Financial Plan anticipates that a number of key income streams will continue a recovery during 2022/23, before returning to an expected long term average from 2023/24. It also assumes that the City's additional special rates variation (ASV) application is approved in June 2022. In other words, the City is granted a permanent 2.5% increase to ordinary rates. Scenarios have been modelled to demonstrate potential additional impacts changes to the City's ordinary rate base if the ASV is not successful in full or in part. In addition a third scenario has been modelled showing no ASV plus the impact of a prolonged COVID pandemic effect on key revenue streams.

This income statement reflects Scenario 1 that models the impact of the non approval of the permanent ASV application but instead an increase of 2.5% for 2022/23 only (ie removed in future years). The adjustments under this scenario affect rates income by \$35.4M with annual rates income reduced by \$3M to \$4M over each of the final 9 years of the plan, as well as associated impacts to Interest and Investment income (\$4.3M total reduction)..

Cash Flow Forecast - Alternative Scenario 1a - Impact of approval of ASV on a temporary basis only on Cashflow

Impact on Net Operating Result of an Additional Special Rates Variation (ASV) non-approval

The base case of this Long Term Financial Plan anticipates that a number of key income streams will continue a recovery during 2022/23, before returning to an expected long term average from 2023/24. It also assumes that the City's additional special rates variation (ASV) application is approved in June 2022. In other words, the City is granted a permanent 2.5% increase to ordinary rates. Scenarios have been modelled to demonstrate potential additional impacts changes to the City's ordinary rate base if the ASV is not successful in full or in part. In addition a third scenario has been modelled showing no ASV increase plus the impact of a prolonged COVID pandemic effect on key revenue streams.

This income statement reflects Scenario 2 that models the impact of the non approval of the ASV application. The adjustments under this scenario affect rates income by \$38.9M with annual rates income reduced by \$3M to \$4M over each of the years of the plan, as well as associated impacts to Interest and Investment income (\$5.1M total reduction).

Impacts on base case Net Operating Result of prolonged negative effect on key revenue streams from the pandemic

The base case of this Long Term Financial Plan anticipates that a number of key income streams will continue a recovery during 2022/23, before returning to an expected long term average from 2023/24. It also assumes that the City's additional special rates variation (ASV) application is approved in June 2022. In other words, the City is granted a permanent 2.5% increase to ordinary rates. A third scenario has been modelled and presented here modelling the impact of a prolonged COVID pandemic effect on key revenue streams.

The adjustments under this scenario include;

- Advertising income reduced by \$37.8M
- Venue Hire income reduced by \$42.8M
- Commercial Property income reduced by \$63.1M
- Associated impacts on Interest and Investment income, reduced by \$12.8M

Cash Flow Forecast - Alternative Scenario 2 (prolonged impact of Covid-19 disruption on key revenue streams)

Grants and support program

The City of Sydney's Grants and Sponsorship Program supports initiatives and projects that build the social, cultural, environmental and economic life of the city. The City seeks to optimise the use of public funds through effective and efficient grant processes, and clear grant program objectives linked to the organisation's strategic goals.

In response to the global pandemic the City responded with a new Covid grants program to help support our creatives, community sector and small businesses. In 2021/22, the City's Grant and Sponsorship program was aligned to the Community Recovery Plan to better address emerging community issues and to support economic, cultural and social recovery in our city.

In July 2021 in response to the ongoing lockdown, Council approved funding donations of \$700,000 to provide food relief to vulnerable communities and \$250,000 in new Community Emergency Quick Response Grants for not for profit entities to deliver community services addressing urgent community needs as they arise. These activities were funded from a transfer of \$950,000 from the General Contingency funds

In November 2021, Council approved funding donations of \$250,000 to provide food relief to vulnerable communities and \$100,000 in new Community Emergency Quick Response Grants for not for profit entities to deliver community services addressing urgent community needs as they arise. The funding for these grants has been made available through the reallocation of unspent funding from other programs.

Grants, Sponsorships and Donations 2022/23

2022/23 budget:

Grants Program 2022/23 – Cash	\$15.1M	
Grants Program 2022/23 – Value in Kind	\$7.3M	(includes Accommodation Grant Program + banners + venues)
	\$22.4M	

In April 2022, Council adopted an addendum to the 2021/22 Operational Plan to develop a grant program for delivery of an additional \$4 million to support business and creatives in the recovery of the city economy (including \$300,000 for resources to do so and \$700,000 estimated waving of fees as revenue forgone through this program).

The new Precinct Activation grant program will focus on funding projects that promote place-based activations, strengthen local precincts, seed micro-precincts, and regenerate the City's 24-hour economy.

Each application must have a lead applicant plus a minimum of five project collaborators located near each other. The lead applicant may be a for-profit organisation, not-for-profit organisation or sole trader that is:

- a creative producer and/or agency
- an event manager
- a precinct coordinator.

The funding for this grant has been made available through the reallocation of unspent funding from other programs. Therefore, no cash or value-in-kind increase is required for the Grants Program Budget.

City staff have commenced work on a comprehensive review of the Grants and Sponsorship Policy to align the policy and programs with the strategic outcomes of Sustainable Sydney 2030 – 50, pillar strategies and the Community Recovery Plan. The new Grants and Sponsorship Policy is due to go to Council for adoption in June 2022 with implementation in time for the Round 2 Grants Program 2022/23 which is due to open for applications in July 2022.

* Grants may be allocated over multiple financial years.

Grants programs names and proposed budgets

Cash

- Cultural and Creative Grants and Sponsorship – \$1,300,000
- Festivals and Events Sponsorship – \$4,397,486
- Business Support Grant – \$780,000
- Commercial Creative and Business Events Sponsorship – \$655,000
- Environmental Performance Grants – \$850,000
- Community Services Grant – \$1,145,107
- Affordable and Diverse Housing Fund – \$3,000,000
- Matching Grant – \$340,000
- Knowledge Exchange Sponsorship – \$725,000
- Quick Response Grant – \$20,000
- Out of policy grants and major homelessness support – \$1,935,000
- Precinct Activation grant program

Value in Kind (VIK)

- Accommodation Grant – \$5,894,806
- Creative Spaces Grant – \$114,400
- Short Term Empty Properties Grant – no budget required
- Venue Hire Support Grants and Sponsorship – \$780,000
- Street Banner Sponsorship – \$480,000

Note: while some programs are open to for profit organisations, the total funding provided to such entities will not exceed 5% of the City's forecast for ordinary rates this year.

8. Rating and revenue policy statement

The Independent Pricing and Regulatory Tribunal (IPART) determined in December 2021 that the City of Sydney could increase its general rate income by 1.4%, being a 0.7% base increase plus a further 0.7% to allow for population growth. The City has applied to IPART for a permanent special rate variation of 2.5% under section 508(2) of the *Local Government Act 1993*. Two rating options are now on display in the draft rating and revenue policy. Rating Structure 1 reflects a 2.5% rate increase pending approval from IPART. Rating Structure 2 reflects a 1.4% rate increase if the application to IPART is not approved.

Both proposed rating structures have one ordinary rate for all residential properties, one business sub-category rate for the CBD and a business ordinary rate, with minimum rates in each category to ensure that all ratepayers make a minimum contribution to the City.

The City has determined the following residential and business categories and sub-category of rateable land for the 2022/23 year:

Residential:

Residential Rate – Ordinary

Business:

Business Rate – Ordinary

Business Rate – Central Business District (CBD)

The boundaries of the business sub-category are shown on the plan located within this document.

The City will continue to investigate rating models during 2022/23, and invite community feedback, to consider options to improve the fair and equitable distribution of the rates burden for all of our ratepayers.

In a high density local government area with population increases, NSW Government housing targets and steady increases forecast to continue, the City is looking closely at its rating path and the best way to equitably align its rating structure to service this growth. High volumes of apartment living puts additional demands on the City's services, facilities and infrastructure, however the relatively low additional income that arises from the minimum rates attributable to these additional apartments fails to provide appropriate financial support to offset the rising costs of servicing our growing community.

Rating Structure 1

The proposed rating structure for 2022/23 set out in the following table reflects the City's intention to adopt a 2.5% general rate increase if its application to IPART for a special rate variation is approved:

Rating category	Minimum rate	Ad valorem rates (in the \$)	Estimated yield \$M
Residential Rate – Ordinary	\$613.50	0.00119024	\$85.2
Business Rate – Ordinary	\$785.00	0.00381862	\$67.1
Business Rate – CBD	\$785.00	0.00755000	\$171.5

Rating Structure 2

This proposed rating structure for 2022/23 set out in the following table reflects the City's intention to adopt a 1.4% general rate increase if its application to IPART for a special rate variation of 2.5% is not approved:

Rating category	Minimum rate	Ad valorem rates (in the \$)	Estimated yield \$M
Residential Rate – Ordinary	\$606.90	0.00117837	\$84.3
Business Rate – Ordinary	\$776.65	0.00377163	\$66.4
Business Rate – CBD	\$776.65	0.00747100	\$169.7

Note: the above ad valorem rates and estimated yields may change due to new supplementary valuations received by Council, for the purpose of rating, prior to this operational plan being adopted.

Pensioner Rebates

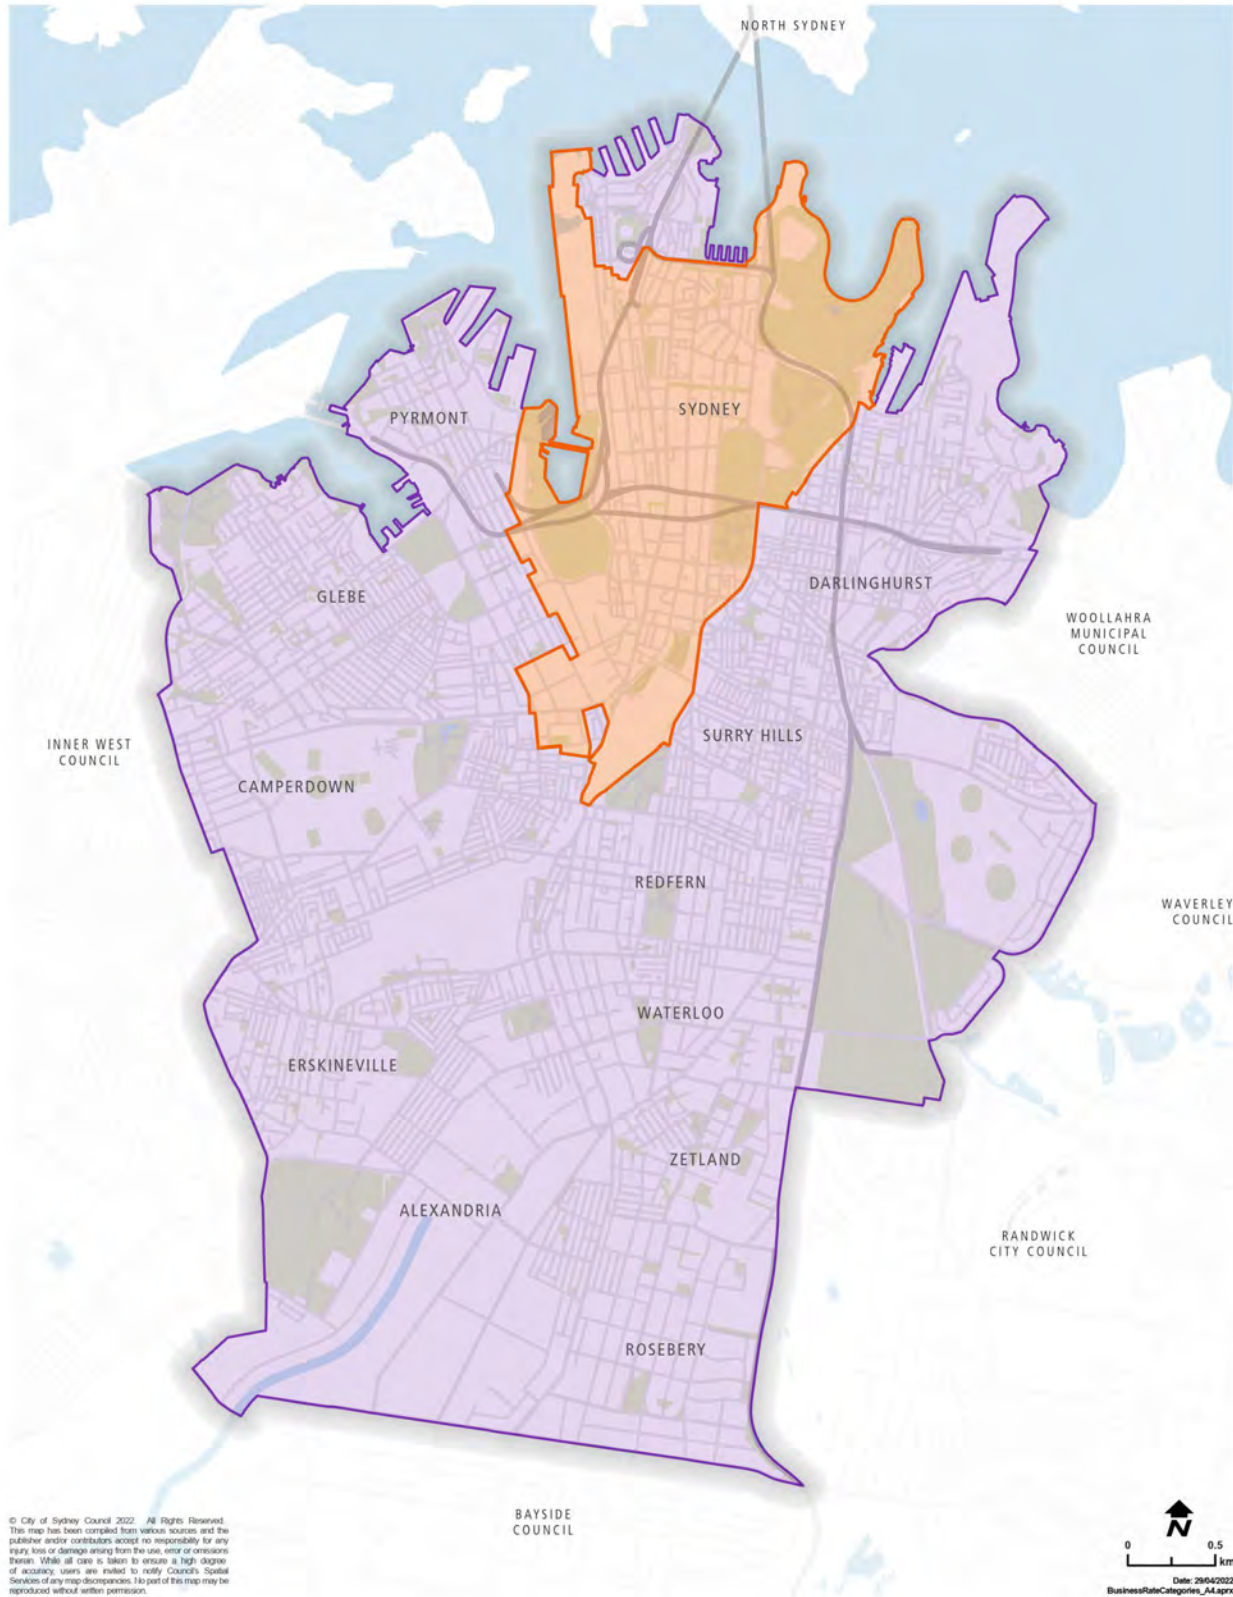

The City of Sydney will continue to provide a 100% rebate for eligible pensioners in 2022/23, determined in accordance with section 575 of the *Local Government Act (1993)* (the Act). Requests for retrospective rebates may be approved for the current rating year and a maximum of one prior rating year only.

Categorisation of land for the purposes of ordinary rates

Council determines rating categories for rating purpose in accordance with sections 514 – 529 of the Act and *Local Government (General) Regulation 2005* (the Regulations).

Business rate categories:

-  Business rates - CBD
-  Business rates - Ordinary

While all care is taken to ensure a high degree of accuracy, users are invited to notify Council's Spatial Services of any map discrepancies. No part of this map may be reproduced without written permission.

Residential and Business Categories

The Act only allows four available categories of rateable land, including farmland and mining, which are not applicable within the City of Sydney LGA. All rateable land in the City is categorised as either residential or business. As noted within section 518 of the Act, land that does not satisfy the criteria to be deemed residential, farmland or mining will be categorised and rated as business. The business category applies to land that is used for industrial and commercial operations, and can also include car spaces, storage lots, marina berths and mooring lots.

Council will use the plans approved under a development application or building application as a basis for determining the initial categorisation of a property, unless other more relevant information is available. The ratepayer will be advised through the issue of an annual or supplementary rate notice.

Mixed Development

There are instances where a property is used for both residential and business purposes. If applications are submitted to and approved by Valuer General NSW, the City will be advised of the relevant apportionment of use between residential and business rate components to enable a mixed rate to be levied.

Change to Category for Rating Purpose

A review of the categorisation of land for rating purposes may arise in response to a ratepayer request (application), or because Council elects to review one or a number of parcels of land or because it believes that the current categorisation may be incorrect. Council may request further information and/or access to inspect the property to assist with making this determination.

Applications for a change in categorisation of land for rating purposes must be made on the approved form that can be found on the City's website.

The ratepayer will be formally advised in writing of the outcome and where applicable, will receive an annual or supplementary rate notice.

Ratepayers with a property that is used for both a business and residential purpose should also make an application for a change in categorisation of land for rating purposes on the approved form if they wish to change from one category to mixed use rating.

Decisions on requests for refunds will be made having regard to the *Recovery of Impost Act 1963*.

Refund of Overpayments

Refunds may be made on request for payments made toward the next rating year. Refunds are subject to the refund fee. Payments made in advance for instalments due within the current rating year will not be refunded.

Aggregation of land parcels (lots) for the purposes of ordinary rates – Rating of car spaces and storage lots

Where a lot for a strata unit includes part lots for car and/or storage lots, only one rateable valuation exists and therefore only one rate is calculated on the total value of the unit, car and storage lots.

Where car and/or storage lots are separately titled, they attract their own unit entitlement and rateable value separate from the strata unit. In this circumstance, Council may allow the rateable values to be aggregated, and a single rate to be levied on the combined rateable value, in accordance with section 548A of the Act, subject to the limitations below.

Council will aggregate only where:

1. the lots are used in conjunction with the unit, by the occupier of the unit;
2. the ownership of each lot noted on the certificate of title is exactly the same for each;
3. all lots are within the same strata plan, or strata scheme, or the strata plan notes that the lots are used in conjunction; and
4. the lots are not leased out separately

Residential – Council will only aggregate a maximum of 3 car spaces and all storage lots, to a residential strata unit.

Business – Council will only aggregate a maximum of 1 car space and one storage lot, to a business rated strata unit.

Council will not permit aggregation of marina berths and mooring lots.

Aggregation of car and storage lots will continue until the use, or ownership changes. Upon change of ownership, aggregation of a unit with car and storage lots purchased in the same dealing will occur automatically following receipt of the Notice of Sale (subject to meeting criteria mentioned above). The levying of rates on the combined rateable value will commence from the start of the next quarter following the settlement date.

Applications for aggregation must be made using the form found on the City's website. Approved aggregations will come into effect from the start of the next quarter following receipt of the application.

Debt recovery and financial hardship

The Act and related regulations require Council to assist in effective and efficient collection of the rates and annual charges due to Council, while being responsive and supportive to those ratepayers who are suffering genuine financial hardship.

When is a debt recoverable and what actions may be taken to recover the debt?

Rates and charges will be deemed overdue when the due date for instalment has passed, and payment has not been received.

Where an instalment is overdue, Council may commence recovery action, either directly or via its debt recovery agent.

Council's recovery action options will generally include a reminder, through verbal or written correspondence. If payment is still not received, then a final demand will be issued. Council may commence legal recovery action to recover the overdue rates and charges in accordance with section 695 of the Local Government Act, and any costs incurred in this regard will be recoverable from the ratepayer.

Payment Arrangements

To assist in recovery of the overdue amount, the Council and a ratepayer may at any time agree a payment arrangement whereby regular scheduled payments pay off the debt, in accordance with section 564 of the Act. The arrangement must be formally approved by the City or its debt recovery agent.

Payment arrangements must include any legal or interest charges that will or already have occurred due to the rates being overdue.

Council will generally seek an arrangement to have the overdue debt paid within 90 days from the original due date (being the instalment due date).

If the payments are not made in accordance with the agreed payment arrangement, Council may commence recovery action at any time after the payment due date.

Interest on Overdue Rates

Interest is charged on all overdue rates and annual charges in accordance with section 566(3) of the Act. The City will adopt the maximum interest rate permitted by the Minister for Local Government for the 2022/23 financial year.

Ratepayers in genuine Financial Hardship

While ratepayers are required to pay their annual rate and charges to support local government operations, Council is mindful of the need to support ratepayers who suffer genuine financial hardship.

The City of Sydney's 100% pensioner rebate policy covers many in need of support; however there will still be ratepayers whose financial circumstances for a specific period of time render them unable to meet their obligations as they fall due.

To address these situations, ratepayers are able to apply for consideration of extended payment terms. Options for eligible ratepayers may include:

- a. a short term deferment for paying their current rates and charges; or
- b. longer term arrangement plans for arrears owed, with current instalments being paid as they become due.

Provided that an approved hardship repayment plan is maintained, the City can consider reducing or waiving interest on overdue rates in accordance with sections 564 and 567 of the Local Government Act.

Financial Hardship as a result of valuation changes

Section 601 of the Act specifically caters for ratepayers who may suffer financial hardship arising from an increased rate levy due to changes in the valuation of their property.

Ratepayers in this position should contact the City to discuss their circumstances. Evaluation of any such application will be considered in light of the valuation change and subsequent rate increase.

Stormwater management services charge

The Office of Local Government released guidelines in July 2006 that provide assistance to councils raising additional funding through the Stormwater Management Services Charge to support them in improving the management of urban stormwater in NSW. This follows the gazettal of the *Local Government Amendment (Stormwater) Act 2005*.

The City introduced a Stormwater Management Services Charge in 2008 and proposes to continue this charge. The legislation enables the City to raise charges to improve its stormwater networks. The charges remain at \$25 per residential property, \$12.50 per residential strata unit, and a pro rata rate of \$25 for every 350m² or part thereof for business properties.

The funds raised from this charge are quarantined to improve the quality and quantity management of the City's stormwater network, over and above the existing works that are currently undertaken. The City plans to expend significant sums towards these important infrastructure improvements in the coming ten years, and this contribution has assisted with the preliminary planning of network enhancements, and in the future will contribute to the delivery of works identified with the Stormwater Management Plan.

Residential

Non Strata land parcels

\$25.00 per parcel

Strata Unit	\$12.50 per unit
Company Title	\$12.50 per unit

Business

Non Strata land parcels \$25.00 per 350m2 or part thereof

Strata Unit	Pro-rata of above, but a minimum of \$5
-------------	---

The income of the proposed stormwater management services charge is approximately \$2 million.

Domestic waste management annual availability charge (DWMAAC)

The *Local Government Act 1993* requires Council to recover the full cost of providing the domestic waste management service.

This is achieved through an annual availability charge for each parcel of rateable land entitled to receive the service [s496]. This mostly applies to land categorised “residential” but includes some land categorised business where the property contains a residential component and some non-rateable land with a residential component where a domestic waste service is requested. Every dwelling in a strata lot or company titled unit is to be taken as a separate parcel and levied a separate Domestic Waste Management Annual Availability Charge (DWMAAC) [S518A].

Similarly, the form of a charge may be expressed as the number of individual units or dwellings forming part of that assessment [s540]. For example, a block of units with ten residential premises (flats, bedsits etc.) may be owned by one ratepayer subject to a single rates assessment but the DWMAAC charge would be for ten dwellings, that is ten DWMAAC’s.

Council retains the right to determine the most suitable means of providing the service particularly in terms of the bin size and type (carry bin, mobile garbage bin or bulk bin) and frequency of collection (daily, weekly or multi) to suit particular properties and localities mindful of efficiencies and practicalities.

Compacted bins will be recognised as having twice the volume capacity of the bin when calculating shared service charges. Single dwellings that share a waste service will attract a shared service charge.

Individual requests for amendments to annual domestic waste charges can only apply from the current financial year.

The domestic waste management service charge covers residual waste collection as well as recycling, garden organics, bulky waste pickups, various drop off days and waste education. The service availability charges are described by the residual waste available to the land as follows:

Single Service Charges

Description	Charge per residual waste bin	Estimated yield
Minimum Domestic Waste Charge (bins smaller than 120L)	\$323	\$787,651
Domestic Waste Charge (120L bin)	\$491	\$9,216,771

Description	Charge per residual waste bin	Estimated yield
Domestic Waste Charge (240L bin)	\$987	\$1,051,934

Multiple Dwelling Shared Service Charges

Description	Charge per dwelling	Estimated yield
Minimum Domestic Waste Charge (<81L garbage waste per dwelling per week) 1 x weekly collection	\$323	\$1,992,917
Small Domestic Waste Charge (<81L garbage waste per dwelling per week) 2 x weekly collections	\$372	\$5,229,279
Small Domestic Waste Charge (<81L garbage waste per dwelling per week) 3 x weekly collections	\$411	\$774,392
Standard Domestic Waste Charge (between 81 – 160L garbage waste per dwelling per week) 1 x weekly collection	\$491	\$1,604,203
Standard Domestic Waste Charge (between 81 – 160L garbage waste per dwelling per week), 2 x weekly collections	\$532	\$18,170,528
Standard Domestic Waste Charge (between 81 – 160L garbage waste per dwelling per week), 3 x weekly collections	\$586	\$6,850,172
Large Domestic Waste Charge (between 161 – 240L garbage waste per dwelling per week) 1 x weekly collection	\$770	\$118,682
Large Domestic Waste Charge (between 161 – 240L garbage waste per dwelling per week), 2 x weekly collections	\$814	\$5,526,695
Large Domestic Waste Charge (between 161 – 240L garbage waste per dwelling per week), 3 x weekly collections	\$879	\$3,967,864
Extra Large Domestic Waste Charge (>240L garbage waste per dwelling per week), 1 x weekly collection	\$987	\$46,150
Extra Large Domestic Waste Charge (>240L garbage waste per dwelling per week), 2 x weekly collections	\$1,031	\$2,269,432
Extra Large Domestic Waste Charge (>240L garbage waste per dwelling per week), 3 x weekly collections	\$1,075	\$1,911,216
Domestic Waste Charge, 7 day service area	\$524	\$4,966,390

Total Estimated Domestic Waste Yield \$64.5 million.

9. Fees and charges

Fees and charges – revenue policy

Council will charge a range of fees in 2022/23, as detailed within the attached Schedule of Fees and Charges.

The legislative basis for these fees may be found in Section 608 of the *Local Government Act 1993*, which provides that Council may charge and recover an approved fee for any service it provides, including the following:

- supplying a service, product or commodity
- giving information
- providing a service in connection with the exercise of Council's regulatory functions, including receiving an application for approval, granting an approval, making an inspection and issuing a certificate; and
- allowing admission to any building or enclosure.

Under the principle of “user pays”, fees are introduced to offset the cost of service provision, or in the case of commercial activities, to realise a reasonable rate of return on assets employed by Council, in order to support the provision of services and to alleviate the burden that would otherwise be unfairly placed upon ratepayers.

Council has given due consideration to the following factors in determining the appropriate price for each fee:

- the cost of providing the service
- whether the goods or service are supplied under a commercial basis
- the importance of the service to the community
- the capacity of the user to pay
- the impact of the activity on public amenity
- competitive market prices; and
- prices dictated by legislation.

Council discloses its pricing policy by showing a pricing code against each individual fee within the attached Schedule of Fees and Charges, as:

Market – Council provides a good or service in a competitive environment

Full cost – Council intends to fully recover the direct and indirect cost of provision, plus any community cost

Partial cost – Council intends to partially recover the costs of provision

Legislative – Prices are dictated by legislation

Zero – Council absorbs the full cost of delivery

Security deposit – Refundable deposit against possible damage to Council property.

All fees are quoted in “GST Inclusive” terms, as this is the relevant price to the customer. However it should be recognised that, within the Schedule of Fees and Charges, there are many fees that do not attract GST. These fees have either been specifically exempted by the GST legislation or have been included within the Division 81 determination as the Australian government has deemed that the customer does not actually receive a taxable supply in consideration for the fee. The latter excludes many fees for regulatory services that are not provided within a competitive environment, and other forms of information that are provided on a non-commercial basis.

In accordance with the Office of Local Government’s guidelines on competitive neutrality, Council has identified its Category 1 business (those with a turnover exceeding \$2 million) as Parking Stations. This business sets prices in line with market conditions and its results are disclosed, including tax equivalent payments and return on capital, in Council’s Annual Report.

Waiving, Discounting or Reducing Fees

Section 610E of the *Local Government Act 1993* allows Council to waive payment of or reduce a fee in a particular case, if it is satisfied that the case falls within a category of hardship or any other category that Council has determined it may consider in waiving payment, or reducing a fee.

Council has determined the following categories:

Hardship – where there is evidence that the payment of the fee or charge will impose unreasonable financial hardship on the applicant(s), given their particular circumstances

Charity – where the applicant is a registered charity and the fee is for a service that will enable the provision of charitable services to the City of Sydney community

Not for profit – where the following conditions all apply:

5. the applicant is an organisation that holds “not for profit” status; and
6. the fee is for a service that will enable the achievement of the applicant’s objectives and betterment for the City of Sydney community; and
7. the payment of standard fees or charges would cause financial hardship for the applicant.

Commercial – where Council, or its contractor, operates a service and reduction of the fee is required to compete in the market

Non-provision of service – where Council is unable to provide a service or venue that has been previously agreed upon and an appropriate discount, fee waiver, refund or substitution is required as compensation

Filming related activities – when a production is completed within the local government area, if undertaken by an educational institution for a non-commercial purpose, or by a registered charity or not-for-profit organisation and where the primary purpose is for improvement/benefit to the City of Sydney community, or where the production’s primary purpose is to highlight the City as a tourist destination

Aquatic, leisure and recreation centre special events – where Council, or its contractor, operates an aquatic, leisure or recreation centre and a reduction of fees is offered for community events, open days or other special or promotional events

Covid-19 recovery – in response to the Covid-19 pandemic as it evolves, where it is considered appropriate to facilitate recovery or revitalisation activities related to the Covid-19 pandemic

World Pride 2023 associated events – where an event or function is officially associated with World Pride 2023 and upon demonstration of community benefit

Grants and sponsorships – where fee waiver or reduction form part of the financial assistance under an approved grant or sponsorship made under the Grants and Sponsorship Policy and in accordance with the terms of any agreement executed in accordance with that policy.

The following principles will be considered when applying any reduction or waiver of a fee or charge:

- Compliance with statutory requirements
- Fairness and consistency
- Integrity
- Equity and transparency
- Commercial imperatives.

Some fees or services are prescribed by legislation or are regulatory in nature and a fee waiver or reduction is not available in connection with those fees

Council will directly, or through delegated authority, assess and make determinations on requests for reduction or waiver of fees in accordance with these principles.

Council resolved to waive the rental fee for footways for 2022/23, which are shown as a zero fee in the schedule of fees and charges attached to the Revenue Policy. The City anticipates reintroducing these fees in future years. Had these fees not been waived, the fees that would have applied are summarised in the tables below.

Rental and other fees for use of footway areas (outdoor dining)

Description	Pricing code	Unit of measure	\$ Fee	GST
Zone 1 – Circular Quay, City Centre –	market	per m2/annum	700.00	0%
Zone 1A – Darlinghurst; Woolloomooloo; South Sydney (East)	market	per m2/annum	340.00	0%

PUBLIC DOMAIN CHARGES

DEVELOPMENT SITES / S138 ROADS ACT APPROVALS

Note: Approval may be under a DA consent, or a Section 138 Roads Act 1993 application.

Note: bonds may be retained in full by the City until all public domain construction and rectification works are completed to City standards and the required documentation is provided. A minimum of 10 % of the bond amount may be retained for the duration of the specified defects liability period.

Public Domain Works Bond

Applicable when works are constructed in the public domain (e.g.: for approved Public Domain Plans) and calculated on the total area (m²) and/or lineal metres (lm) of public domain works for each type of infrastructure listed below. A minimum area of 1 m² and/or a minimum length of 1 lm apply. The Bond may also include and be held against potential damage to the public domain that may arise during the works in lieu of a separate Public Domain Damage Bond, to allow release of a separate Public Domain Damage Bond.

Stone, Brick or Concrete Paver Footway	Security Deposit	per m ²	845.00	0%
Asphalt or Concrete Footway	Security Deposit	per m ²	387.00	0%
Asphalt Surfaced Roadway with Concrete Base	Security Deposit	per m ²	705.00	0%
Asphalt Surfaced Roadway with DGB Roadbase	Security Deposit	per m ²	490.00	0%
Concrete Roadway	Security Deposit	per m ²	580.00	0%
Strip and Resurface Asphalt Roadway	Security Deposit	per m ²	336.00	0%
Concrete Kerb & Gutter	Security Deposit	per lm	490.00	0%
Concrete Gutter Only	Security Deposit	per lm	295.00	0%
Stone Kerb	Security Deposit	per lm	730.00	0%
Grassed Area	Security Deposit	per m ²	117.00	0%
Trees	Security Deposit	each	1530.00	0%

Public Domain Incomplete Lighting Works Bond

Applicable when the completion of lighting works are delayed, due to unforeseen circumstances beyond the developer's control

Incomplete Lighting Works - charged at cost of works, with a minimum charge of \$1,000.00	Security Deposit	per application	Fee	0%
---	------------------	-----------------	-----	----

DRAFT SCHEDULE OF FEES and CHARGES 2022/23

Description	Pricing Code	Unit of Measure	\$ Fee	GST
<u>PUBLIC DOMAIN CHARGES</u>				
<u>DEVELOPMENT SITES / S138 ROADS ACT APPROVALS</u>				
<u>Note: Approval may be under a DA consent, or a Section 138 Roads Act 1993 application.</u>				
Public Domain Damage Bond				
<i>Applicable to all public domain frontages (including footpaths and roadway) where the frontages may be damaged during the development works. The Bond is calculated on the total area (m2) of public domain frontage plus 2m for each adjoining property, multiplied by the corresponding rate for the existing footpath and roadway surface treatment, as listed below. A minimum area of 1 m2 applies. Note: a Kerb and Gutter Damage Bond may also apply, as listed below.</i>				
Stone, Brick or Concrete Paver	Security Deposit	per m2	450.00	0%

DRAFT SCHEDULE OF FEES and CHARGES 2022/23

Description	Pricing Code	Unit of Measure	\$ Fee	GST
-------------	--------------	-----------------	--------	-----

RESTORATION CHARGES FOR DRIVEWAYS, ROADWAYS, FOOTWAYS, KERB & GUTTERS WHERE WORKS ARE PERFORMED BY COUNCIL

Restoration Charges - Notes

1: Prices quoted are inclusive of GST, unless indicated. Works carried out by utilities or their authorised agents in relation to the placement, creation, maintenance, enhancement or removal of utility assets within the public road or public open space as part of their responsibility of providing, managing and operating a utility network are free of GST.

2: All rates are per square metre (m2) or lineal metre (lm), and include cost of labour, materials and overheads unless stated.

3: Minimum charge per line item is 1 m2 or 1 lm, except for Bicycle Lane Separator, Bicycle Lane Coating and TGSi replacement.

4: An additional surcharge of 30% over standard rate is charged for works in high traffic locations within the CBD, State or Regional Roads, or where required by RMS restrictions.

5: Openings greater than 10m2 but less than 50m2 within footways will be subject to a 5% reduction in restoration charges.

6: Openings of 50m2 or greater within footways will be subject to a 15% reduction in restoration charges.

ROADWAY

Asphalt Surfaced Roadway & Concrete Base including dowelling

Site Establishment - including road plate/plant opening	Market	each	809.00	10%
Fee	Market	per m2	1362.00	10%

Concrete Roadway including Dowelling

Site Establishment - including road plate/plant opening	Market	each	809.00	10%
Fee	Market	per m2	730.00	10%

Asphalt Roadway & FCR Roadbase

Fee	Market	per m2	550.00	10%
-----	--------	--------	--------	-----

Strip & Resurface Asphalt Roadway (no base repairs)

Fee	Market	per m2	381.00	10%
-----	--------	--------	--------	-----

Stencilling of Concrete or Asphalt

Fee	Market	per m2	104.00	10%
-----	--------	--------	--------	-----

Stencilling - Notes

1: Stencilling is charged in addition to the Roadway Restoration surface and base materials required.

Bicycle Lane Separator

Fee	Market	per lm	236.00	10%
-----	--------	--------	--------	-----

Bicycle Lane Separator - Notes

1: Bicycle Lane Separator Fees are charged in addition to the Roadway Restoration surface and base required.

2: Bicycle Lane Separator replacement must be measured to the nearest full section lock-in joint at each end.

3: Minimum charge for Bicycle Lane Separator is 1.5 lm.

Bicycle Lane Counter/Loop

Supply & Installation	Market	each	13902.00	10%
-----------------------	--------	------	----------	-----

Bicycle Lane Counter/Loop - Notes

1. Any Bicycle Lane Counter/Loop damaged during road openings requires complete unit replacement in the permanent restoration.

Supply and Install (recovery of the City's costs)	Full Cost	each	Fee + GST	10%
Stormwater Drainage Outlet in Kerbstone				
Fee	Market	per outlet	597.00	10%

Notes for Kerb and Gutter

1. To aid sustainability, the City encourages the preservation of existing kerbstones/pavers wherever possible.
2. Cracked and sawcut kerbstones/pavers are not reusable. Full replacement for all non-reusable kerbstones/pavers will be added to the permanent restoration to ensure the pre-road opening laid condition can be restored.
3. Reusable kerbstones/pavers must be returned in a clean state (fee of adhesive and/or mortar) to be accepted for re-use, to a designated storage location, at the instruction of the City's Restorations Coordinator.
4. A City Delivery Record of Reusable Kerbstones/Pavers (Road Opening Permit details plus reusable kerbstone/paver type and quantity in 1m) is required to avoid the cost of replacement kerbstones/pavers being added to the permanent restoration charges.
5. Kerbstones/pavers may only be returned to the designated City storage location during business hours and following prior arrangement.
6. The City cannot guarantee availability of replacement kerbstones/pavers. Supply of replacement kerbstones/pavers may require research and sourcing from commercial suppliers, at the applicant's cost.
7. Where exact matching kerbstones/pavers are no longer available, the closest match alternative kerbstone/paver available will be substituted and, if due to size, texture or colour variations, the restoration may require replacement of a larger area than the initially measured permanent restoration, at the applicant's cost.

DRAFT SCHEDULE OF FEES and CHARGES 2022/23

Description	Pricing Code	Unit of Measure	\$ Fee	GST
<u>RESTORATION CHARGES FOR DRIVEWAYS, ROADWAYS, FOOTWAYS, KERB & GUTTERS WHERE WORKS ARE PERFORMED BY COUNCIL</u>				
<u>DECORATIVE PAVING</u>				
Re-lay Stone, Brick or Concrete Pavers and Reseal Pavers and Restore Concrete Base (excluding paver supply)				
Fee	Market	per m2	823.00	10%
Re-lay Stone, Brick or Concrete Pavers and Reseal Pavers where no base repairs are required (excluding paver supply)				
Fee	Market	per m2	412.00	10%
Supply Replacement Stone Pavers				
All Quantities	Market	per m2	530.00	10%
Supply Replacement Brick or Concrete Pavers				
All Quantities	Market	per m2	112.00	10%

Notes for Decorative paving

1. To aid sustainability the City encourages the preservation of existing pavers wherever possible.
2. Cracked and sawcut pavers are not reusable. Full paver replacement for all non-reusable pavers will be added to Permanent Restoration to ensure Per Road Opening laid condition can be restored.
3. Reusable Pavers must be returned to the City Stoneyard in a clean state (free of adhesive and/or mortar) to be accepted for reuse.
4. City Stoneyard Delivery Record of Reusable Pavers (Road Opening Permit details plus reusable paver type and quantity in m2) is required to avoid the cost of replacement pavers being added to the Permanent Restoration charges.
5. Pavers may only be returned to the City Stoneyard during business hours and following prior arrangement.
6. The City cannot guarantee availability of replacement pavers. Supply of replacement pavers may require research and sourcing from commercial suppliers at the Applicant's cost.
7. Where exact matching pavers are no longer available the closest match alternative paver will be substituted and, due to size, texture or colour variations may require the replacement of a larger area than the initially measured permanent restoration at the Applicant's cost.

Introduction

The City of Sydney offers several landmark venues for hire, for corporate functions, wedding receptions, live performances, exhibitions, film shoots and other events.

These landmark venues are:

Sydney Town Hall

- Centennial Hall
- Lower Town Hall
- Ancillary venues

Customs House

- Barnet Long Room

Paddington Town Hall

- Stapleton Hall

These venues are managed on a commercial basis by the City's Venue Management business unit. This document outlines the fees and charges for these landmark venues.

Figure 1. Centennial Hall, Sydney Town Hall – Photo by Paul Patterson / City of Sydney

Overview

The fees and charges for these landmark venues are categorised as follows:

- Venue hire
- Technical services
- Personnel, and
- Miscellaneous.

Venue hire fees are the fees applicable for hiring the venue for a period. These fees are calculated on an hourly rate, subject to a minimum number of hours per event type.

Technical services charges are charges for the hiring of audio and visual equipment. They are most commonly charged on a per item per day basis. However, Venue Management does offer several packages tailored to different types of events.

Personnel charges are charges for technical and event support staffing, to facilitate an event.

Miscellaneous charges relate to ancillary services which may be required to facilitate an event, including building management, sub-hiring, communications technology, and waste removal.

Please note the following in relation to pricing:

- Pricing in this document is valid from 1 July 2022 until 30 June 2023.
- All prices quoted include GST, unless stated otherwise.
- The basis of pricing is market rates, unless stated otherwise.

Hirer categories

The City recognises 2 customer/hirer categories in relation to the hire of landmark venues, as follows:

Category 1 – For profit organisation / individual

- Any organisation (including federal / state governments) that operate their business with the purpose of generating revenue, and whose event may or may not contribute to that goal of revenue generation.
- A group or individual who, although their event has no revenue generation purpose, is holding a private activity (e.g. wedding, reception, dinner, meeting, cocktail party, etc).

Category 2 – Not-for-profit organisation

- Any organisation that does not operate to derive any profit, personal gain or benefits from its operation and whose purpose is to benefit the community through its activities.
- This includes charities and community organisations, both of which may aim to raise funds of which are spent on benefitting the wider community.
- To be considered as a Category 2 customer/hirer, the organisation must provide the City with a copy of their Letter of Incorporation or evidence of not-for-profit status.

Venue hire rates

The Venue Management unit will negotiate a venue hire rate for landmark venues with customers, based on the nature and the requirements of the booking.

The factors which may be considered by Venue Management, when negotiating a venue hire rate are outlined below.

Subsidised rates

- Subsidised rates (for venue hire only) may be available to registered not-for-profit and charitable organisations, and to public schools based in the local government area.
- Eligible customers may receive a discount of up to 25% on venue hire charges.
- Subsidised rates are not applicable to other fees and charges related to the booking (such as equipment hire, personnel and miscellaneous charges).
- To be eligible for subsidised rates, the hirer must be a registered not-for-profit organisation at the time of signing their event contract. Subsidised rates will not be backdated or applied retrospectively.
- Subsidised rates may be offered in conjunction with other promotions or seasonal pricing. This will be at the discretion of the City and subject to relevant terms and conditions.

Seasonal pricing

- Seasonal pricing / rate adjustments may apply.
- Where seasonal rates are applied, the base rate advertised below may increase or decrease accordingly.
- Seasonal rates may be applied to all or part of the booking period, or to individual days, at the discretion of the City.

Bundled / all-inclusive / package rates

- The City may, where appropriate, negotiate a bundled / all-inclusive / package rate, which incorporates charges for several different services and fees.
- This rate may be charged on a per person or per hour basis, or as a lump sum amount, or another applicable basis.
- This rate may include charges for third party suppliers required to facilitate the event and may include commissions or mark-ups, as appropriate.

Multiple day events

- The venue hire rate for multiple day events (of any type, excluding exhibitions) of 3 or more days are subject to negotiation.
- Standard rates, including a total minimum venue hire charge, apply to exhibitions with a duration of 14 days or less.
- Fees and charges for exhibitions with a duration of 15 days or more are subject to negotiation.

Long Duration Events

- The venue hire rate for events that are of a long duration (15 days or more, excluding exhibitions), and occupy the majority of spaces of a single building (ie: Sydney Town Hall), are subject to negotiation.

Commercial Venue Hire

Promotions

- The City may, from time to time as appropriate, implement and run promotional activities.
- These promotional activities may include, but not be limited to, offering booking incentives, discounts, and value-add incentives.
- Where the City determines to implement and run such promotional activities, the rate will be determined by the City as it sees fit, and in line with market conditions.

Performing arts technical services rates

- The City may, from time to time, elect to support the performing arts by offering co-promotional, tiered, or seasonal rates on technical equipment and services.

These rates will only be available upon application to eligible hirers for live performance and performing arts events.

Support for Grant Recipients

- Hirers awarded a grant from the City (either in cash or value-in-kind) to be used towards a landmark venue hire booking, will be entitled to a 25% reduction on their equipment hire fees.

Sydney Town Hall

Centennial Hall and Vestibule

Category	Total minimum hours per day	Total minimum venue hire charge (\$)	Hourly rate ¹
Catered rate	17	13,855	1,125
Standard rate	15	16,875	1,125
Standard half day rate	8	11,040	1,380
Elections	12	29,640	2,470
Load-in / load-out full day	–	–	By negotiation
Non-performance day	–	–	By negotiation

¹ Hourly rate is the rate charged per hour, over and above the total minimum venue hire charge.

These venues are not hired on an individual hourly rate, so the hourly rate only applies where the duration of the booking exceeds the total minimum hours per day.

Lower Town Hall

Category	Total minimum hours per day	Total minimum venue hire charge (\$)	Hourly rate
Standard rate	4	2,740	685
Exhibition ¹ (1-2 days)	10	6,850	685
Exhibition ¹ (3-14 days)	10	5,400	540
Exhibition ¹ (15 days+)	–	Upon application	Upon application
Elections ²	12	13,800	1,150
Load-in / load-out full day	–	–	By negotiation
Non-performance day	–	–	By negotiation

¹ One combined patron entrance / exit only

² Separate patron entrance and exit

Ancillary venues

Category	Total minimum hours per day	Total minimum venue hire charge (\$)	Hourly rate ¹
Lower Town Hall Foyer	4	660	165
Marconi Room (composite)	4	1,060	265
Marconi Room A	4	620	155
Marconi Room B	4	620	155
Marconi Terrace	4	2,120	530
Southern Function Room	4	620	155
Treasury Room	4	620	155
The Vault	4	620	155
Vestibule ²	5	4,275	855
VIP Boardroom	4	420	105

¹ Hourly rate is the rate charged per hour, over and above the total minimum venue hire charge. These venues are not hired on an individual hourly rate, so the hourly rate only applies where the duration of the booking exceeds the total minimum hours per day.

² Hiring of the Vestibule is at the discretion of the City and does not include access to Centennial Hall.

Customs House

Barnet Long Room

Venue hire is inclusive of the Barnet Long Room, pre-function rooms, balcony and boardroom.

Category	Total minimum hours per day	Total minimum venue hire charge (\$)	Hourly rate ¹
Catered rate	5	2,200	440
Standard rate half day	5	2,350	470
Standard rate	8	3,520	440
Exhibition	10	3,700	370
Load-in / load-out full day	–	–	By negotiation

¹ Hourly rate is the rate charged per hour, over and above the total minimum venue hire charge. These venues are not hired on an individual hourly rate, so the hourly rate only applies where the duration of the booking exceeds the total minimum hours per day.

Figure 3. Customs House, Circular Quay – Photo by Katherine Griffiths / City of Sydney

Paddington Town Hall

Stapleton Hall

Inclusive of the bar, pre-function area and Oxford Street balcony.

Category	Total minimum hours per day	Total minimum venue hire charge (\$)	Hourly rate ¹
Half-day (until 2:00 pm)	5	2,100	420
Full day / evening ²	12	3,420	285
Load in / load out full day	10	2,850	285
Post event load out ³	4	1,140	285

¹ Hourly rate is the rate charged per hour, over and above the total minimum venue hire charge. These venues are not hired on an individual hourly rate, so the hourly rate only applies where the duration of the booking exceeds the total minimum hours per day.

² All events at Paddington Town Hall must be concluded by midnight.

³ Post-event load-out is the rate charged the day after the event and is subject to availability.

Catering commission

The catering commission is the fee paid for the use of the commercial kitchen or bar at Paddington Town Hall.

The fee is applicable per event, or per event day where the event runs over multiple days.

Where both the kitchen and bar are used for the same event, only the kitchen commission is charged.

Number of guests	Kitchen commission (\$)	Bar commission (\$)
Less than 100 guests	1,020	510
100 – 149 guests	1,225	665
150 – 199 guests	1,430	815
200 – 249 guests	1,630	970
250 – 300 guests	1,835	1,120
300 – 349 guests	2,040	1,275
350 – 399 guests	2,245	1,430
More than > 400 guests	2,550	1,530

Civic Spaces, Parks and Sporting Fields

Introduction

The City of Sydney's parks and open spaces are amongst the community's most highly valued assets, providing for the diverse recreational needs of our communities. Our park and open space network encompass approximately 212ha throughout the local government area, providing both active and passive places for the community's use and enjoyment.

There are over 400 parks and open spaces of various sizes, from pocket parks to extensive regional parklands, as well as civic spaces. They are broadly categorised, as follows:

Civic spaces are formal public spaces, usually in an urban setting. Civic spaces include squares, plazas and malls, or spaces associated with the forecourt of a building. These spaces are usually hard surfaced, but may accommodate passive recreation, depending on their size.

Iconic parks are parks that are of cultural and historical significance, or of a significant size or prominent location. These parks have high visitation rates from surrounding suburbs, the whole of the City of Sydney or broader than the City, including tourists.

Neighbourhood parks are larger parks within villages and suburbs that have high visitation rates and have greater levels of amenity and infrastructure. These parks usually incorporate areas of turf, trees and garden beds. Depending on their size, these parks can support a variety of functions, including unstructured recreation and organised sport. Neighbourhood parks may also include facilities such as sports fields, with playgrounds and toilets.

Pocket parks are smaller parks and reserves, of less than 2,000m² in area, some of which may be built on street closures. These parks provide informal recreational areas, serving surrounding residents, and usually only accommodate a single function, such as usage as a playground. Some limited facilities may be provided.

Sports fields are areas of landscaped turf and synthetic surfaces purposed for club and professional sport, both games and training.

This document lists the individual parks, sports fields and open spaces within the City of Sydney local government area.

Civic Spaces

List of Civic spaces in the City of Sydney local government area

Civic Spaces are formal public spaces, usually in an urban setting. Civic spaces include squares, plazas and malls, or spaces associated with the forecourt of a building. These spaces are usually hard surfaced, but may accommodate passive recreation, depending on their size. Civic spaces in the City of Sydney local government area are listed below:

Hyde Park South	120 Elizabeth Street	Sydney
Macquarie Place Park	36 Bridge Street	Sydney
Wynyard Park	1001 York Street	Sydney
Cook & Phillip Park	1B Cathedral Street	Woolloomooloo

Neighbourhood parks

List of neighbourhood parks in the City of Sydney local government area

Neighbourhood parks are larger parks within villages and suburbs that have high visitation rates and have greater levels of amenity and infrastructure. These parks usually incorporate areas of turf, trees and garden beds. Depending on their size, these parks can support a variety of functions, including unstructured recreation and organised sport. Neighbourhood parks may also include facilities such as sports fields, with playgrounds and toilets. Neighbourhood parks in the City of Sydney local government area are listed below:

Neighbourhood park name	Address	Suburb
Alexandria Park	10 Buckland Street	Alexandria
Perry Park	1B Maddox Street, corner of Bourke Road	Alexandria

City of Sydney Aquatic and Leisure Centres

Overview

The City of Sydney manages 6 aquatic and leisure centres across its local government area, providing for the diverse health and fitness needs of our communities, and contributing to their quality of life.

The City of Sydney's 6 aquatic and leisure centres are:

Centres	Type of Facility	Suburb
Andrew (Boy) Charlton Pool	Outdoor	Sydney
Cook + Phillip Park Aquatic and Fitness Centre	Indoor	Sydney
Ian Thorpe Aquatic Centre	Indoor	Ultimo
Prince Alfred Park Pool	Outdoor	Surry Hills
Victoria Park Pool	Outdoor	Camperdown
Gunyama Park Aquatic and Recreation Centre	Indoor and outdoor	Zetland

Customers

Adult: any person over the age of 16 years who does not qualify for any concession categories outlined below.

Child: 3 – 16 years. (applies to swimming only).

Children under 3 years: free entry.

Companion card NSW holders: free entry.

Concession: children under 16, full time students, holders of Commonwealth health care cards, pensioner concession cards, seniors health cards, ImmiCards, Ex-carer allowance (child) health care cards, foster child health care cards, low income health care cards, NSW half-fare entitlement card for job seekers, Department of Veterans Affairs concession cards, or people with proof of receipt of centrelink payments. It does not include seniors card.

Spectator all ages: a person who is accompanying / watching a child who is participating in a structured program such as learn to swim, school carnival and parties. This includes siblings who may be required to accompany the adult but are not participating in the program and/or have no intention of using the facilities (ie: entering the water).

The City of Sydney implements supervision requirements which are consistent with the Royal Life Saving Society of Australia Guidelines for Safe Pool Operations and the 'Keep Watch' safety campaign.

- Supervisory adult: An adult accompanying a child under ten years of age for casual / recreational swimming. The supervisory adult must pay the adult fee.
- A child (5 – 9 years of age) must be accompanied by an adult (over 16 years of age) ready to enter the water. Therefore, the adult and child fees apply.
- A toddler (0 – 4 years) must be supervised by an adult (aged 16 years and over of age) who is always expected to accompany the toddler in the water and be within arm's reach. Therefore, the adult fee applies (the toddler enters free of charge).
- An adult accompanying a child over 10 years of age is required to pay the adult fee as their attendance is optional from a safety and supervision perspective.

Glossary

BASIX – Building sustainability index, is a NSW Government planning measure to reduce household electricity and water use by setting minimum sustainability targets for new and renovated homes.

CALD – Culturally and linguistically diverse peoples referencing the many Australian communities that originally came from different countries and therefore have cultures and languages that are different to those of Australians born here generation after generation.

CBD – Central Business District. The Sydney Central Business District is the historical and main commercial centre of Sydney. Geographically, its north-south axis runs from Circular Quay in the north to Central railway station in the south. Its east-west axis runs from a chain of parkland that includes Hyde Park, The Domain, Royal Botanic Gardens and Farm Cove on Sydney Harbour in the east, to Darling Harbour and the Western Distributor in the west.

CCAP – Climate Change Action Plan – City is a web-based software application owned by Kinesis designed to aggregate, analyse and report disparate urban data to measure, track, report and manage energy use and sustainability performance.

CWI – Community Wellbeing Indicators developed in partnership with the Institute for Sustainable Futures at the University of Technology, Sydney and the McCaughey Research Centre from the University of Melbourne which provide a critical evidence-base on changing trends and issues affecting the community over time that can inform policy development and service provision investment planning.

DCJ – Department of Communities and Justice supports vulnerable people and families to participate in social and economic life and build stronger communities.

DPIE – Department of Planning, Industry and Environment provide services in urban and regional planning, natural resources, industry, environment, Aboriginal and social housing, and regional New South Wales.

EPA – NSW Environment Protection Authority is the primary environmental regulator for New South Wales. Its purpose is to improve environmental performance and waste management for NSW.

HART – Homelessness Assertive Outreach Response Team is a partnership between NSW Department of Communities and Justice and City of Sydney who collaborate with specialist health, homelessness, and other non-government services to provide services for people sleeping rough.

ICAC – The Independent Commission Against Corruption in an independent organisation to protect the public interest, prevent breaches of public trust and guide the conduct of public officials in the NSW public sector.

IPART – Independent Pricing and Regulatory Tribunal. Is the independent regulator that determines the maximum prices that can be charged for certain retail energy, water and transport services in New South Wales and also reviews certain matters relating to local government, including the annual rate peg.

LGA – local government area. The Sydney LGA is made up of 33 suburbs wholly or partly contained within our Local Government Area boundary. They are Alexandria, Annandale, Barangaroo, Beaconsfield, Camperdown, Centennial Park, Chippendale, Darlinghurst, Darlington, Dawes Point, Elizabeth Bay, ,Erskineville, ,Eveleigh, Forest Lodge, ,Glebe, Haymarket, Millers Point, Moore Park, Newtown, Paddington, Potts Point, Pyrmont, Redfern, Rosebery, Rushcutters Bay, St Peters, Surry Hills, Sydney, The Rocks, Ultimo, Waterloo, Woolloomooloo and Zetland.

MPEP – Major Properties Efficiency Project, implemented by the City to investigate and deliver cost-effective options for reducing emissions generation and water consumption at 14 City properties which together account for at least 80% (electricity), 95% (gas) and 70% (water) of utility usage across the City's property portfolio.

NABERS – National Australian Built Environment Rating System is a national rating system that measures the environmental performance (energy efficiency, water usage, waste management and indoor environment quality) of Australian buildings and tenancies and their impact on the environment.

PPE – Personal protective equipment or clothing used and/or worn to provide personal health and safety.

RMS – Roads and Maritime Services is an operating agency within TfNSW responsible for setting the strategic direction and guiding an extended network of public and private service delivery agencies to provide improved transport outcomes.

SMART System – the sustainability management and reporting tool used to record and report the Council's utility consumption for its buildings, parks, civic-spaces and street lighting.

SRAP – Stretch Reconciliation Action Plan. Adopted by the City in 2020, this reconciliation action plan outlines our vision and action we will take for reconciliation that values the living cultures of Aboriginal and Torres Strait Islander people, embraces the truthful reflection of the history and experiences of First Nations peoples, and is dedicated to equity, opportunity and respect for Aboriginal and Torres Strait Islander communities.

SSROC – South Sydney Regional Organisation of Councils is an association of 11 councils spanning Sydney's southern, eastern, central and inner west suburbs which provides a forum through which member councils can interact, exchange ideas and work collaboratively to solve regional issues and contribute to the future sustainability of the region.

TfNSW – Transport for NSW is responsible for improving the customer experience, planning, program administration, policy, regulation, procuring transport services, infrastructure and freight.
