Advice

Advice will be updated after the meeting.

Background

Bellevarde Constructions has applied for the temporary road closure of Stanley Street, Darlinghurst, between College Street and Young Street, (four lanes), and the southbound traffic lanes of College Street between William Street to Francis Street (four lanes) from 8pm on Saturday 24 September 2022 to 6am on Sunday 25 September 2022, and from 8pm on Saturday 1 October 2022 to 6am Sunday 2 October 2022.

It should be noted only northbound traffic will be allowed through on College Street during the closure.

Comments

The proposed temporary road closure is required to allow a mobile crane to be used for the removal of a tower crane at 18 College Street, Darlinghurst.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in this area.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Transport for NSW (TfNSW).

Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

Financial

All costs associated with the proposed closure will be borne by the applicant.
