**Advice**

Advice will be updated after the meeting.

**Background**

On-site inspection by City staff found a need to reallocate the timed "No Stopping" restriction to a full-time restriction.

**Comments**

The kerb space on the southern side of Market Street, Sydney between Elizabeth Street and Castlereagh Street, where the changes are proposed, is currently signposted as "No

Stopping 6am-10am 3pm-8pm Aust Post Vehicles Excepted". The current restrictions allow vehicles to park unrestricted from 10am to 3pm and from 8pm to 6am.

On-site inspection shows there is a need to provide a "No Stopping Aust Post Vehicles Excepted 3 min Limit" restriction to improve traffic safety between the adjacent signalised intersections of Market Street with Castlereagh Street and with Elizabeth Street, while retaining access for Australia Post vehicles to the kerbside mailboxes.

### **Consultation**

The City consulted local residents and businesses in the area. There were 62 letters sent out with no responses supporting or opposing the proposal.

Australia Post was consulted and supports the proposed change.

### **Financial**

Funds are available in the current budget.
