<h2>Selected Drawings</h2>

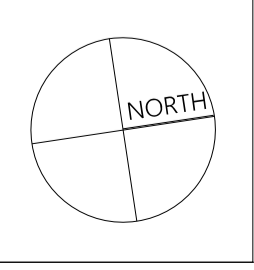

01 SITE PLAN
1:200

FOR DA PURPOSES ONLY
 This drawing is to be read in conjunction with all relevant project documentation and written architectural specifications. All possible consultation documentation and structural, mechanical, electrical & plumbing, engineering documentation etc. Refer architectural drawing notes page for further notations.
 Do not scale from this drawing. Only figured dimensions shall be used.
 Report any discrepancy between this drawing & other project documentation immediately to the architect for clarification prior to commencement of works on site. All structural elements (load bearing columns, beams, walls etc) are shown on these architectural documents as indication only. Refer SE documents for all sizes. Shop drawings to be completed for all materials, joinery etc and checked by architect & SE prior to fabrication.
 This document shall only be used for the purpose for which it was commissioned.

FOR DA PURPOSES ONLY
This drawing is to be read in conjunction with all relevant project documentation and written architectural specifications. All possible consultant documentation (structural, mechanical, electrical & hydraulic engineering documentation etc.) Refer architectural drawing notes page for further notations.
Do not scale from this drawing. Only figured dimensions shall be used.
Report any discrepancy between this drawing & other project documentation immediately to the architect for clarification prior to commencement of works on site. All structural elements (load bearing columns, beams, walls etc) sizes shown on these architectural documents are indicative only. Refer SE documents for all sizes. Shop drawings to be completed for all metalwork, joinery etc and checked by architect & SE prior to fabrication.
This document shall only be used for the purpose for which it was commissioned.
