Background

The Sydney University Settlement Neighbourhood Centre has applied for the temporary road closure of Edward Street, Darlington for The Settlement Neighbourhood Centre's 130th Anniversary Street Fair on Sunday, 20 November 2022 from 7am to 7pm.

Comments

The Settlement Neighbourhood Centre's 130th Anniversary Street Fair is a new event that requires the temporary closure of City streets and traffic detours around the event route.

The Applicant has indicated bump-in times between 7am to 10am and bump-out times from 4pm to 7pm with the event time from 10am to 4pm.

Road Closures

Edward Street between Vine Street and Ivy Lane will be closed.

There are currently no other approved temporary road closures proposed to take place on the same day.

A Traffic Management Plan (TMP) has been prepared and submitted to TfNSW for the event, however, this event is very localised and will not impact traffic in the area.

Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule A.

Financial

All costs associated with the proposed closure will be borne by the Applicant.
