Advice

Advice will be updated after the meeting.

Background

Richard Crookes Construction has requested a 16.6 metre long Works Zone in Marian Street, Redfern.

The Works Zone is to facilitate construction works at 90 Regent Street, Redfern.

Comments

The kerb space on the southern side of Marian Street, Redfern between William Lane and Regent Street is currently signposted as "No Stopping" restriction and the kerb space on the northern side of Marian Street, Redfern between William Lane and Regent Street is currently signposted as "1P 8.30am-6pm Mon-Fri"

The Works Zone, on the southern side of the street, is intended to operate from 7am to 5pm, Monday to Friday and 7am to 3pm on Saturday in accordance with the Development Consent Conditions. Outside of these hours, the kerb space where the Works Zone is proposed, will revert back to 'No Stopping'.

To maintain uninterrupted traffic flow, the parking opposite the proposed Works Zone (ie the northern side of the street) needs to be removed and replaced with "No Stopping" to accommodate the proposed Works Zone during working hours. Outside of these hours, the kerb space will revert to unrestricted parking.

Consultation

The applicant must notify adjacent properties at least 14 days prior to the implementation of the Works Zone.

Financial

All costs associated with the Works Zone will be borne by the Applicant.
