

Grants and Sponsorship – Aboriginal and Torres Strait Islander Collaboration Fund

File No: S117676

Summary

The City of Sydney's Grants and Sponsorship Program supports initiatives and projects that build the social, cultural, environmental and economic life of the city. To achieve the objectives of Sustainable Sydney 2030-2050 Continuing the Vision, genuine partnership between government, business and the community is required.

The provision of grants and sponsorships is a mechanism to further the aims identified in the City's social, cultural, economic and environmental policies. Applications are assessed against these policies and against broad City objectives and plans. In this way, the City and the community act collaboratively to achieve the goals of Sustainable Sydney 2030-2050 Continuing the Vision.

The City advertised the Aboriginal and Torres Strait Islander Collaboration Fund in the annual Grants and Sponsorship Program.

This funding program supports a strong and sustainable Aboriginal and Torres Strait Islander community-controlled sector to deliver projects that meet the needs and aspirations of Aboriginal and Torres Strait Islander people in the local area. Funding supports increase self-determination and equity for Aboriginal and Torres Strait Islander people through projects that connect people with community, Country and culture.

The Aboriginal and Torres Strait Islander Collaboration Fund is open all year for applications until the annual budget is exhausted.

One eligible application meeting the November Committee timeframes for the Aboriginal and Torres Strait Islander Collaboration Fund was received. This report recommends one grant to a value of \$25,000 in cash for payment in the 2022/23 financial year.

A further nine grant applications have been received for the Aboriginal and Torres Strait Islander Collaboration Fund program and these are currently being assessed by City staff with recommendations to be considered by Council as soon as practicable.

On 22 August 2022, Council adopted a Grants and Sponsorship Policy. All grants in this report were assessed in accordance with the Grants and Sponsorship Policy, the Grants and Sponsorship Program Guidelines, the priorities set out in Sustainable Sydney 2030-2050 Continuing the Vision and various other relevant City strategies and action plans.

The grant recipient will be required to sign a contract, meet specific performance outcomes and acquit their grant. All figures in this report exclude GST.
