Background

In 2022, the City introduced a series of Sydney Streets events closing several high streets to support communities during the pandemic. The initiative was an opportunity for local businesses to extend their trade onto footpaths and outdoor settings. Following the success of the Sydney Streets events in 2022, the City now plans to hold similar Sydney Streets events in 2023 to support communities and local businesses.

The City has applied for the temporary road closures of Stanley Street and surrounding side streets in Darlinghurst for the Sydney Streets 2023 on Saturday, 4 March 2023 from 9am to 11:30pm.

Comments

The Sydney Streets 2023 is an ongoing event taking place several times a year that requires the temporary closure of City streets and traffic detours around the event.
