**Advice**

Advice will be updated after the meeting.

**Background**

A resident of Garden Street, Alexandria has requested the removal of the existing " P Mobility Only" space in the street, as it is no longer needed.

**Comments**

The kerb space on the western side of Garden Street, Alexandria between Buckland Lane and Henderson Road, where the changes are proposed, is currently signposted as "P Mobility Only" within a 60 degree angle parking arrangement.

The resident that originally requested the mobility parking space has advised the City that they no longer need the mobility parking space in front of their home. On-site inspection shows there is a need to reallocate the existing "Mobility Parking Only" to "2P 8am-6pm Mon-Fri Permit Holders Excepted Area 36" to match the adjacent kerb space conditions, which will improve parking for local residents.

**Consultation**

The City consulted local residents and businesses in the area. There were 85 letters sent out with nil responses supporting or opposing the proposal.

**Financial**

Funds are available in the current budget.
