Advice

Advice will be updated after the meeting.

Background

Kings Cross PAC has requested consideration for dedicated parking of police operational vehicles in Ward Avenue, Elizabeth Bay.

Comments

The kerb space on the northern side of Ward Avenue, Elizabeth Bay west of Barncleuth Square, where the changes are proposed, is currently signposted as "No Stopping" for a

distance of 22.5 metres. Since the "No Stopping" distance at the intersection is more than the statutory "No Stopping" distance of 10 metres, the distance can be reduced to accommodate additional parking.

In response to NSW Police's request for dedicated parking for police operational vehicles, it is proposed to reallocate a section of kerb space along the "No Stopping" zone to "No Parking Police Vehicles Excepted".

Consultation

The City consulted local residents and businesses in the area. There were 390 letters sent out with no responses supporting or opposing the proposal.

Financial

Funds are available in the current budget.
