Advice

Advice will be updated after the meeting.

Background

A resident of Belmore Street, Alexandria has requested consideration of a "No Parking" restriction in Lawrence Lane to have unobstructed access to their rear garage.

Comments

The kerb space on the western side of Lawrence Lane, Alexandria, south of Fountain Street, where the changes are proposed, is currently unrestricted for parking.

Lawrence Lane is approximately 4.3 metres wide and provides rear-lane property access to houses fronting Lawrence and Belmore Streets.

The NSW Road Rules 2014 prohibit drivers from parking at any time across a driveway, or in any other way which blocks access to a driveway. In narrow streets like Lawrence Lane, car parking opposite driveways obstruct or prevent vehicles from entering or exiting these driveways. Section 6 of the Roads Act 1993 gives adjoining land owners a right of vehicles access to the public road.

On-site inspection shows there is a need to provide a 'No Parking' restriction to maintain rear-lane property access.
