Advice

Advice will be updated after the meeting.

Background

Residents of Crown Street has requested consideration of "No Parking" in their street to improve sight lines and vehicle movement into and out of off-street parking.

Comments

The kerb space on the northern side of Crown Street, Glebe between Bay Streets, where the changes are proposed, is currently signposted as "No Parking 8.30am-6pm Mon-Fri".

On-site inspection shows there is a need to provide a full time "No Parking" restriction to maintain sight line and visibility for vehicles entering and exiting off-street parking. The removal of this parking space will allow ample space for waste bins to be placed for collection without impeding footways.

Consultation

The City consulted local residents and businesses in the area. There were 346 letters sent out with no responses supporting the proposal and 1 response opposing the proposal.

The submission opposing the proposal was concerned with loss of parking space

Financial

Funds are available in the current budget.
