

Item 24.**Parking - No Stopping - Dick Street, Chippendale**

TRIM Container No.: 2023/021864

Recommendations

It is recommended that the Committee endorse the reallocation of parking on the northern side of Dick Street, Chippendale between the points 12 metres and 23 metres (two car spaces) west of Balfour Street as "No Stopping".

Advice

Advice will be updated after the meeting.

Background

A resident of Dick Street, Chippendale has requested consideration of removal of parking to improve access and safety along this one-way narrow street.

Comments

A section of kerb space on the northern side of Dick Street, Chippendale, west of Balfour Street, where the changes are proposed, is currently signposted as "2P Ticket 8am-10pm, Permit Holders Excepted Area 32".

On-site inspection shows there is insufficient travel width available for traffic to pass between an encroaching power pole on the southern side of the street and parked cars on the northern side of Dick Street. Therefore, it is proposed to remove the parking spaces opposite the power pole and provide "No Stopping" restrictions on Dick Street to ensure that vehicles can access Dick Street in a safe and efficient manner.

Consultation

The City consulted local residents and businesses in the area. There were 692 letters sent out with no responses supporting the proposal and five responses opposing the proposal due to loss of parking and the possible increase to traffic speed.

Financial

Funds are available in the current budget.
