

Dele 69 Authorities - PMNSW - Temporary Road Closure - Darling Drive, Sydney

TRIM Container No.: 2023/248226

Recommendations

It is recommended that the Committee endorse the temporary road closure of Darling Drive, Sydney between Murray Street and the roundabout leading towards to the Harbourside development on the southern end of Darling Drive from 10pm on Friday 23 June 2023 to 5am on Saturday 23 June 2023, subject to the following conditions:

- (A) The Applicant must comply with the temporary road closure conditions as mentioned in Schedule B of this agenda.
- (B) The Applicant must comply with any other conditions imposed by City's Construction Regulation Unit.
- (C) There is currently no contingency date proposed as the proposed road closure dates are governed by the Sydney Light Rail shutdown. In the event, the works are postponed, the proposed road closure will be rescheduled to align with the next Sydney Light Rail shutdown.
- (D) The Applicant must contact the Sydney City PAC to discuss deployment of user pay police for the road closure.
- (E) The Applicant is to obtain a Road Occupancy Licence from the Transport Management Centre prior to commencement of works.
- (F) The Applicant must provide a telephone number of the supervisor responsible for the proposed closure and include contact details in the notification letters to be distributed to affected stakeholders.
- (G) The Applicant must contact Sydney Buses and arrange and pay for the rerouting of bus services around the closure, the temporary relocation of bus stops and any additional staff required.

Advice

Advice will be updated after the meeting.

Background

Mirvac has applied for the temporary road closure of Darling Drive, Sydney between Murray Street and the roundabout leading towards to the Harbourside development on the southern end of Darling Drive from 10pm on Friday 23 June 2023 to 5am on Saturday 23 June 2023.

Comments

The proposed temporary road closure is required to enable the partial demolition of the Murray St pedestrian bridge that spans across Darling Drive, monorail station and lift shaft.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in this area.

The temporary road closure will not affect any other properties as local access will be provided at all times and alternative access routes are available nearby.

Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

Financial

All costs associated with the proposed closure will be borne by the applicant.

JASON ANDREWS, SENIOR PROJECT ENGINEER (MIRVAC)
