Summary

The City of Sydney's Grants and Sponsorship Program supports initiatives and projects that build the social, cultural, environmental and economic life of the city. To achieve the objectives of the Sustainable Sydney 2030-2050 Continuing the Vision, genuine partnership between government, business and the community is required.

The provision of grants and sponsorships is a mechanism to further the aims identified in the City's social, cultural, economic and environmental policies. Applications are assessed against these policies and against broad City objectives and plans. In this way, the City and the community act collaboratively to achieve the goals of Sustainable Sydney 2030-2050 Continuing the Vision.

The City advertised the following programs in the annual Grants and Sponsorship Program:

- Creative Grant;

All grants in this report were assessed in accordance with the Grants and Sponsorship Policy, the Grants and Sponsorship Program Guidelines, the priorities set out in Sustainable Sydney 2030-2050 Continuing the Vision and various other relevant City strategies and action plans.

10. The assessment process includes advice and recommendations from a suitably qualified assessment panel. The applications are scored against defined assessment criteria for each grant program as well as the integrity of the proposed budget, project plan, partnerships, contributions and connection to the local community and industry sectors.

 - capacity and experience of the applicant to deliver the festival or event;
 - demonstrated connection and benefit to the local area and community;
