Advice

Advice will be updated after the meeting.

Background

Residents of 38 Hickson Road, Millers Point have requested consideration of a Loading Zone restriction in Jenkins Street to improve on-street parking access for loading vehicles.

Comments

The kerb space on the western side of Jenkins Street, Millers Point south of Gas Lane, where the changes are proposed, is currently signposted as "No Parking" and "1/4P 7am-7pm Mon-Fri & 1P Other Times CBD Permit Holders Excepted".

On-site inspection shows there is a need to provide a 'Loading Zone' to cater for deliveries as there are no other Loading Zones within easy walking distance.

"No Stopping" is proposed adjacent a publicly accessible staircase connecting Hickson Road and Jenkins Street to ensure cars do not obstruct pedestrian access.

The change to the existing 1/4P & 1P parking restriction is proposed as the CBD is no longer part of a permit parking scheme.

Consultation

The City consulted local residents and businesses in the area. There were 657 letters sent out with no responses supporting or opposing the proposal.

Financial
