##### Purpose/Aim:

- To create a genuine Farmers Market which adheres to the Australian Farmers Market Association Charter (refer [www.farmersmarkets.org.au](http://www.farmersmarkets.org.au))
- To celebrate the values of Slow Food – good, clean & fair ([www.slowfoodaustralia.com.au](http://www.slowfoodaustralia.com.au))
- To provide local 2010 residents with access to quality, farm fresh produce at moderate prices
- To promote the support of sustainable agriculture practices thereby eliminating the use pesticides/chemical fertilisers and reducing emissions
- To facilitate an educational platform for sustainable living practices within an urban context
- To deepen community spirit within 2010 and provide a lively meeting space for residents to gather together
- To support the revitalization of the Taylor Square/Oxford Street Cultural Quarter and increase enjoyment and usage of the public spaces
- To increase the profile of Taylor Square and Oxford Street Cultural Quarter within greater Sydney

##### Market Activities:

We propose to utilize the space on north Taylor Square/Forbes Street as a weekly Farmers Market with the following activities:

##### Primary activities:

- Sales of organic and sustainable produce
- Sales of value add & artisan food products

### Secondary activities

- Education & resources regarding sustainable food practices
- Education & resources regarding urban sustainability practices (short lectures/demonstrations by organizations such as The Watershed, Green Pages, Bike NSW, etc)
- Cooking demonstrations by local 2010 chefs, demonstrating use of sustainable food sources
- Community Information exchange

The market activities in this public space would be designed to flex around the broader, annual calendar of Taylor Square, including Sydney Festival, Mardi Gras, Art and About, etc.

### Target Market:

**Anticipated Crowd Size:** 150 – 250 visitors across the day

#### Primary:

- Residents of 2010 within walking distance of Taylor Square

#### Secondary:

- Residents of Inner East & City East
- Visitors to Sydney: tourists & international visitors to Taylor Square/Oxford St precinct

## 5. Parking:

**Stallholders & Staff:** Stallholders will be advised regarding the parking spaces on Bourke and Forbes St. And several large public parking stations are within 5 minutes' walk of the market site.

6. **Emergency vehicles:** a 4-meter-wide emergency lane has been maintained at the Law Courts for the duration of market trading hours.

**Emergency vehicles:** a 4-meter-wide emergency lane has been maintained at the Law Courts for the duration of market trading hours.

**Contractors (n/a):** there will not be any contractors at the markets.

7. **Patrons** It is anticipated that the majority of patrons will attend the market on foot, by bicycle, or by public transport. For the small percentage of patrons that may attend in vehicles, there are several large public parking stations within a 5-minute walk.

## 8. Public Safety:

Kings Cross police will be notified of the intention to hold a weekly farmers market on this site, as Forbes Street, Darlinghurst is within their precinct.

Surry Hills Police will be notified of the intention to hold a weekly farmers market on this site, as a courtesy, as the site is on the border of Kings Cross and Surry Hills Local Area Commands. (The Oxford Hotel, Taylor Square is within Surry Hills Police precinct)

Kings Cross fire brigade will be notified of the intention to hold a weekly farmers market on this site. First aid will be available at the market information stall.

## 9. Notification

**Residents:** Notification and consultation are already occurring with local residents' groups

**Commercial:** Consultation has already occurred with local businesses and organisations

## 10. Contingency Plan

**Bad Weather:** The Sydney Sustainable Markets will be all-weather markets, and will continue to operate even in wet weather. The markets will be cancelled on Bureau of Meteorology advice of

extreme weather conditions (eg wind) that would prove a risk to stallholders and patrons

**Accident on site/on route** – Stallholder cars will be driving at a walking pace during Bump In/Bump Out to diminish the possibility of an accident involving a moving vehicle. In the unlikely event of an accident, all traffic on site will be required to cease movement, until the incident has been resolved. In case of a serious accident, Kings Cross police will be in attendance and take control of the site.

**Breakdown of vehicles:** in the event of a vehicle breakdown during Bump In/Out, the vehicle will be removed to a place on site that does not obstruct the flow of traffic.
