

Item 22.**Parking - No Parking - Young Lane, Redfern**

TRIM Container No.: 2023/385885

Recommendations

It is recommended that the Committee endorse the reallocation of parking in Young Lane, Redfern as follows:

- (A) On the eastern side of Young Lane, between the points 10 metres and 23 metres (two car spaces) north of Cooper Street as "No Parking 6am-6pm Weds Only"; and
- (B) On the eastern side of Young Lane, between the points 0 metres and 10 metres south of Cooper Street as "No Stopping".

Advice

Advice will be updated after the meeting.

Background

The City's Waste Management Team has requested consideration of "No Parking 6am-6pm Weds Only" to improve access for waste vehicles in Young Lane, Redfern.

Comments

The kerb space on the eastern side of Young Lane, Redfern north of Cooper Street, where the changes are proposed, is currently unrestricted for parking.

The road width of Young Lane is approximately 4.8 metres. When cars are parked in the kerb space, it leaves only 2.7 metres for waste vehicles to access through the laneway.

Therefore, it is proposed to provide “No Parking 6am-6pm Weds Only” restrictions in Young Lane during waste collection periods. This will ensure that waste vehicles can operate in a safe and efficient manner on collection days. The kerb space can remain unrestricted on non-garbage collection time/days.

It is also proposed to install a “No Stopping” restriction at the intersection of Cooper Street and Young Lane to prevent vehicles parking too close to the intersection.

Signs or line markings are not required to enforce this rule and it is the responsibility of drivers to be aware of all current traffic and parking laws. The City will, however, install signs to clarify the “No Stopping” restriction.

Consultation

The City consulted local residents and businesses in the area. There were 135 letters sent out with no responses supporting or opposing the proposal.

Financial

Funds are available in the current budget.
