

Item 23.**Parking - No Parking - Cope Street, Redfern**

TRIM Container No.: 2023/385867

Recommendations

It is recommended that the Committee endorse the reallocation of parking on the eastern side of Cope Street, Redfern between the points 28.7 metres and 31.7 metres south of Turner Street, as “No Parking Tribal Warrior Association Vehicles Excepted”.

Advice

Advice will be updated after the meeting.

Background

The Tribal Warrior Association has requested the extension of the existing “No Parking Tribal Warrior Association Vehicles Excepted” restriction. The existing zone is not long enough to accommodate their two minibuses outside of their premises on the eastern side of Cope Street, Redfern south of Turner Street.

Comments

The kerb space on the eastern side of Cope Street, south of Turner Street, where the authorised parking zone is proposed, is currently signposted as “1P 8.30am-6pm Mon-Fri, 8.30am-12.30pm Sat”.

The City has previously provided the Tribal Warrior Association with a parking zone in front of their premises on Cope Street, to be used by their two minibuses. However, the Association has recently raised concerns regarding insufficient space for the two minibuses in this zone.

The two minibuses are needed to help transport children, seniors, youth at risk and people with disabilities to and from the premises. Therefore, the City is proposing to extend the existing “No Parking Tribal Warrior Association Vehicles Excepted” parking space to the north (by only 3 metres) to provide the extra space needed for the two minibuses

Consultation

The City consulted local residents and businesses in the area. There were 86 letters sent out with no response supporting the proposal and three responses opposing the proposal.

The responses opposing the proposal raised concerns about the impact on residential parking.

Financial

Funds are available in the current budget.
