

Item 21.**Parking - No Parking - Dwyer Street, Chippendale**

TRIM Container No.: 2023/624714

Recommendations

It is recommended that the Committee endorse the reallocation of parking on the southern side of Dwyer Street, Chippendale between the points 32.9 metres and 38.7 metres (one car space) east of Kensington Street as "No Parking".

Advice

Advice will be updated after the meeting.

Background

A resident of Dwyer Street, Chippendale has requested consideration of No Parking in the street to improve pedestrian access to their building.

Comments

The kerb space on the southern side of Dwyer Street, Chippendale east of Kensington Street, where the changes are proposed, is currently "2P Ticket 8am-10pm Permit Holders Exceeded Area 32".

Previously, raised planters were placed on the road reserve to stop vehicles parking across the entrance of the building and this occurred for many years. However, the planters have recently been removed and cars are now parking across the entrance of the building, causing obstruction.

Therefore, it is proposed to install a "No Parking" restriction in this location to ensure cars are not blocking access to the building.

Consultation

The City consulted local residents and businesses in the area. There were 217 letters sent out with one response supporting the proposal and one response opposing the proposal due to loss of parking.

Financial

Funds are available in the current budget.

HASSAN CHOUDHRY, SENIOR TRAFFIC ENGINEER
