Item 6.7

Exemption from Tender and Contract Variation - Green Square Water Reuse Scheme

It is resolved that:

- (A) Council approve an exemption from tender in accordance with section 55(3)(i) of the Local Government Act 1993 for the contract to Sydney Water Corporation for the operation and maintenance of the Green Square Water Reuse Scheme (GSWRS);
- (B) Council note the reasons a satisfactory outcome would not be achieved by inviting tenders is due to the following extenuating circumstances:
 - (i) operators of water infrastructure and suppliers of water in NSW must hold relevant licences under the Water Industry Competition Act 2006 specific to the particular scheme, which take an estimated two years to obtain;
 - (ii) Sydney Water Corporation is the current operator of the Green Square Water Reuse Scheme and, as a nominated public water utility in the Water Industry Competition Act 2006, is exempt from the requirement to obtain licences for this scheme; and
 - (iii) it is not possible to procure an alternative operator prior to the exhaustion of the current total value, meaning the only other option is to cease operating the scheme;
- (C) Council approve the variation to increase the total contract value of the contract with Sydney Water Corporation for the operation and maintenance of the Green Square Water Reuse Scheme, as detailed at Confidential Attachment A to the subject report;
- (D) Council note that the revised total contract value for this contract is outlined in Confidential Attachment A to the subject report; and

The Corporate, Finance, Properties and Tenders Committee recommends the following:

Item 6.8

Exemption from Tender - IT Licence, Subscription, Maintenance and Support Contracts

It is resolved that:

- (A) Council approve an exemption from tender for the provision of the maintenance, support, subscription and licencing of the software applications, platforms and hardware appliances upon the expiry of the current agreements, for the respective extension period along with the optional extension, if appropriate, as listed in Confidential Attachment A to the subject report, noting that because of extenuating circumstances, a satisfactory result would not be achieved by inviting tenders;
- (B) Council note the reasons why a satisfactory outcome would not be achieved by inviting tenders differ for each application, platform or appliance and include:
 - (i) high costs and/or extensive business disruption associated with a transition to a new provider;
 - (ii) upgrades or changes to service requirements are planned to be implemented within the next five years;
 - (iii) cost to take the arrangement to market would be disproportionate to the potential value of change; and
 - (iv) a lack of availability of alternative suppliers;
- (C) Council note that the detailed reasons as to why a satisfactory result will not be achieved by inviting tenders are outlined further in Confidential Attachment A to the subject report;
- (D) Council enter into the subscription, licencing, maintenance and support agreements with the suppliers upon the expiry of the current agreements for the respective extension period along with the optional extension, if appropriate, as listed in Confidential Attachment A to the subject report; and
- (E) authority be delegated to the Chief Executive Officer to finalise, execute and administer (including exercising options, if appropriate) the subscription, licencing, maintenance and support agreements with the relevant suppliers as listed in Confidential Attachment A to the subject report.

The Corporate, Finance, Properties and Tenders Committee recommends the following:

Item 6.9

Exemption from Tender and Contract Variation - Meals on Wheels Pre-Packed/Cooked Individual Chilled and Frozen Meals

It is resolved that:

- (A) Council approve an exemption from tender in accordance with section 55(3)(i) of the Local Government Act 1993 for Meals on Wheels Pre-Packed/Cooked Individual Chilled and Frozen Meals to extend the term of the existing contract to 30 June 2027 (37 months and 13 days) with an optional further 12-month extension (30 June 2028);
- (B) Council note that a satisfactory result would not be achieved by inviting tenders for this work because:
 - (i) the Commonwealth Government's funding model announcement (expected July 2027) is likely to have significant changes in how grant funding is allocated (post July 2027);
 - (ii) significant uncertainty will continue in the market until the funding model changes are implemented; and
 - (iii) market testing has indicated a lack of suppliers capable of meeting the City's requirements;
- (C) Council approve a contract variation for Meals on Wheels Pre-Packed/Cooked Individual Chilled and Frozen Meals to:
 - (i) increase the contract value to accommodate an increased need to procure meals through the life of the contract, as shown in Confidential Attachment A to the subject report;
 - (ii) extend the contract by a further three years one month and 13 days to 30 June 2027 to align with the Commonwealth Home Support Grant and enable a tender process to take place in line with any changes to funding provided by the Commonwealth;
 - (iii) include a 12-month option (1 July 2027 to 30 June 2028) as a contingency should the Commonwealth's aged care reforms be further delayed; and
 - (iv) include a five per cent contingency on the extended contract value to allow the service to meet increased community need;
- (D) Council note the total contract sum and contingency for Meals on Wheels Pre-Packed/Cooked Individual Chilled and Frozen Meals is outlined in Confidential Attachment A to the subject report; and
- (E) authority be delegated to the Chief Executive Officer to negotiate, execute, administer the variation to the contract and enter into any necessary documentation with the current supplier to give effect to the resolutions above.

(Note – at the meeting of the Corporate, Finance, Properties and Tenders Committee, this recommendation was moved by Councillor Kok, seconded by Councillor Chan, and carried unanimously.)
