## Policy Statement

Lobbying is an integral and legitimate activity for the functioning of a democratic system.

Lobbying also carries inherent risks of corruption, undue influence, unfair access and biased decision-making that are detrimental to the public interest and effective local governance.

It is in the public interest that lobbying is fair and does not undermine public confidence in impartial decision-making. This policy aims to ensure community expectations are met in relation to ethical and transparent lobbying of Councillors.

## Records of meetings

This policy will commence on 1 April 2024.

Councillors are required to record all meetings with registered lobbyists and property developers, and the purpose of the meeting, from that date. **Meetings recorded should include scheduled or organised meetings as well as any substantial or significant discussions held outside a scheduled meeting.**

**Councillors should always be aware of their obligations under the Code of Conduct, and the obligations in this policy are in addition to the requirements of the Code of Conduct. This includes, but is not limited to, clauses 3.13 and 3.14 of the Code of Conduct relating to land use planning, development assessment and regulatory decisions.**

**Councillors are not required to record requests for meetings which are not accepted, only meetings which they participate in.**

Councillors are required to complete the form at **Attachment A** and submit it to the Office of the CEO every three months. Forms are to be submitted to the Office of the CEO within one week of the end of the relevant reporting period.

Councillors are required to submit a 'nil' return if they have not held any relevant meetings.
