**1. SCOPE OF WORKS**  
Crane Lifts.

**2. TRAFFIC MANAGEMENT LOGISTICS**  
Certified Traffic Controllers will implement a detour around the work site and assist pedestrians around the work site as required.  
Pedestrian and cyclists safety will be a priority at all times.

**3. SCHEDULE OF WORKS**  
TBA BY: TOP GUN CRANES

**4. COMPLIANCE**  
When installed as per the plan, signage will be in accordance with Roads and Maritime Services | 28 February 2022 Document No | RMS 20.346 | Version No 6.1  
(Traffic control at work sites manual).

# TCP- Crane Lifts

Cars can enter hotel car park under the guidance of certified Traffic Controllers

- NOTES**
- All signs to be posted where appropriate space and sight distance allows.
  - As permitted on local roads advance warning signs can be spaced at a minimum 15m separation.
  - Pedestrians will be assisted around the work site when construction activity impacts on pedestrian access.
  - If the footpath needs to be closed at any stage appropriate signage and barriers will be posted and pedestrians will be assisted around the work site as required.
