Advice

Advice will be updated after the meeting.

Background

A resident of Riley Street, Woolloomooloo has requested consideration to extend the 1P permit parking spaces in Riley Street to improve on-street parking access for permit holders.

Comments

The kerb space on the western side of Riley Street, Woolloomooloo between Haig Lane and Broughton Street, where the changes are proposed, is currently signposted as car share, no parking for driveway access and "1P 8am-6pm Permit Holders Excepted Area 28".

On-site inspection shows there is an opportunity to improve on street parking access by extending the existing timed permit parking. The proposal will not impact on the adjacent property driveway access arrangements.

Consultation

The City consulted local residents and businesses in the area. There were 145 letters sent out with no responses supporting or opposing the proposal.

Financial

Funds are available in the current budget.
