Advice

Advice will be updated after the meeting.

Background

A resident of Bay Street, Ultimo has requested consideration for a loading zone in Bay Street to improve on-street loading access.

Comments

The kerb space on the western side of Bay Street, Ultimo is currently unrestricted for parking.

To improve access for loading and unloading activities in Bay Streets, it is proposed to reallocate a section of unrestricted parking as "Loading Zone 6am-6pm Mon-Fri 6-10am Sat".

Drivers that are not in a vehicle principally constructed to carry goods can still stop in a "Loading Zone" to drop-off or pick-up passengers.

Consultation

The City consulted local residents and businesses in the area. There were 218 letters sent out with no responses supporting or opposing the proposal.

Financial

Funds are available in the current budget.
