Introduction

The City of Sydney has 14 grants and sponsorship programs to support initiatives and projects that strengthen the social, cultural, environmental and economic life of the city. Through this program the City of Sydney partners with the community and business to further the strategic directions of Sustainable Sydney 2030-2050 Continuing the Vision. These programs provide financial and in-kind support for a diverse range of activities.

Our grants and sponsorship guidelines provide applicants with detailed information on our grant management processes including who can apply for each grant program, how to apply, funding agreements, payment arrangements and reporting requirements.

Our grants and sponsorship programs are highly competitive, so please read these guidelines before applying.

We also hold information sessions during the year. We encourage you to come to an information session or speak with our staff before applying.

The grants and sponsorship policy provides the framework for managing grant and sponsorship requests. It sets the expected outcomes of our Grants and Sponsorships Program and outlines the high level principles that guide grantmaking at the City of Sydney. In the event of any inconsistency between the policy and these guidelines, the policy will prevail.

For more information about our grants and sponsorships go to: cityofsydney.nsw.gov.au/grants-sponsorships.

You can also email communitygrants@cityofsydney.nsw.gov.au or call 02 9265 9333.

Grants management process

Applications

Applications for grants and sponsorship are completed online. Application forms are available once the grant round opens. For some programs open throughout the year, online forms are available on request after you discuss your project concept with our grants team.

Accessible application formats that include oral applications are available for Aboriginal and Torres Strait Islander applicants, people with disabilities and culturally and linguistically diverse applicants.

Applications must be submitted by the due date at 5pm Sydney time or Australian Eastern Daylight Time if applicable. We do not accept submissions after the cut-off time and date.

You are responsible for choosing the most appropriate program to apply for. Your application must be well-developed, address all the criteria and answer all compliance questions. It must include documentary evidence and support as required.

We encourage you to speak to us before applying.

Assessment

All grant applications are assessed by at least three City of Sydney staff, including those with knowledge and experience relevant to the grant application. Recommendations are then made to Council for approval.

Some grant applications may be assessed by external parties who have skills and professional experience which will benefit the assessment process.

When an external assessor is required, we will select a representative from one of the City of Sydney's established advisory panels with the relevant skills, experience, and availability.

External assessors are required to sign a participation agreement with the City of Sydney which outlines their responsibilities, including conflict of interest and confidentiality obligations. They cannot submit a grant application in the grant round they are assessing.

All assessors are required to make a conflict of interest declaration on each application as part of the assessment process.

Our grants and sponsorship programs are highly competitive. Even though an application may meet the criteria it may not be competitive against other applications. If an application is unsuccessful, the applicant can request feedback from City of Sydney staff.

Approval

Council has authority to approve grants and sponsorship or other financial assistance.

The CEO can approve grants consistent with City of Sydney policies and delegations from Council for the following programs: Quick response grant, Venue hire support grants and sponsorship, Street banner sponsorship, Creative live/work spaces grant and Short-term empty properties grant.

Under the Local Government Act, any waiver or reduction of fees or charges can only be approved if the application meets a pre-approved category of fee exemption in the City of Sydney's Revenue Policy.

Applicants should note that many projects including festivals and events require approvals and consents from the City of Sydney (such as development applications), NSW Police and other state government agencies. If the necessary approvals cannot be obtained, the grant or sponsorship may be revoked.

Approval of a grant or sponsorship does not imply that the City of Sydney has given any other consent.

Approval of value-in-kind is not a guarantee of booking, as all bookings are subject to availability and must be made through the usual booking process for the facility, space or location requested.

Notification process

We will notify you in writing of the outcome of your application within 10 business days after the decision of Council.

Details of the status of approval can also be found in the Council meeting minutes, which are listed on the website within the week of Council approval.

Matched funding

We recognise the importance of applicant cash and in-kind contributions. Some of our grant programs may require applicants to provide matched funding and in-kind contributions.

We may provide matched or equivalent funding with:

- direct cash input to the project through donations or income generated
- in-kind contributions such as donated supplies, materials or services
- volunteering time such as labour, set up and pack down, and meeting time to identify, plan and implement projects.

Details on the programs that require cash and in-kind matched funding are in the description for each program.

Funding agreements and negotiation

We aim to finalise funding agreements with successful applicants within five weeks of Council approval. You must enter into a funding agreement with us before funds are released and before the project can start.

The City of Sydney uses a standard funding agreement which includes:

- a description of the project for which funding is being provided
- the amount of cash funding to be received and the details of any value-in-kind support
- the obligations of the City of Sydney and the applicant (and where relevant the auspice) in relation to a grant
- specific performance criteria to be met by the applicant for each project
- any benefits to be provided to the City of Sydney in return for the grant (if applicable)
- a payment schedule
- the deadline for submission of the project acquittal.

If you fail to finalise the agreement within one month of receiving the draft agreement from us, we reserve the right to withdraw the grant or sponsorship.

Not meeting your contractual obligations, including failing to submit an acquittal report, may result in you or your organisation being unable to apply for further grant funding from the City of Sydney.

Payment arrangements

Once funding agreements are finalised, payments are processed with a standard 30-day turnaround time from the invoice date. Payments are not processed before the timeframes stipulated in the funding agreement. If you need the funds sooner due to project deliverables, please contact the grants team to enquire if an urgent payment can be made.

Reporting and monitoring

You must report on and acquit the project(s) as detailed in your funding agreement. Reports provide us with feedback on the success of the project in terms of the agreed outputs and outcomes, relevant data and any lessons learnt. You must provide detailed financial reports.

You may be asked to provide further documentation and evidence of expenses.

Final reports must be submitted no later than one month after the agreed completion date of the project as stated in the funding agreement unless otherwise agreed.

Evaluation and learning framework

The City of Sydney is committed to continuous improvement of our grants and sponsorship programs. An evaluation and learning framework has been developed to measure the effectiveness of each of the grants and sponsorship programs.

The aim of this framework is to:

- measure the degree to which stated outcomes are being achieved
- provide standard tools for collecting and analysing data within and across programs
- build evaluative capacity of City of Sydney staff and grant recipients
- identify improvements to the Grants and Sponsorship Program.

We invite feedback at the end of each application round and on each acquittal form on how we can improve the grants and sponsorship programs and processes.

More information

For more information see cityofsydney.nsw.gov.au/grants-sponsorships, email communitygrants@cityofsydney.nsw.gov.au or call 02 9265 9333.

We hold grants and sponsorship information sessions during the year. We encourage you to attend one of these before applying.

Important application information

As part of the application, you will be asked to answer a series of questions, including:

- a brief description of the project
- the need for the project and the benefits to the local area
- your capacity and experience to deliver the project effectively
- how the project meets the program priorities.

Some programs may have additional questions or requirements specific to that grant program.

You will also be asked questions on how your project responds to City of Sydney policies regarding child safety, inclusion and accessibility, sustainability and collaboration with Aboriginal and Torres Strait Islander communities.

Child safety

The City of Sydney is committed to being child safe and has zero tolerance for child abuse. The City of Sydney recognises its legal and moral responsibilities in keeping children safe from harm and abuse and promoting their best interests. The City of Sydney has specific policies, procedures and training in place to support employees and volunteers to achieve these commitments.

Where an application involves the delivery of programs and services involving child-related work you must attach a copy of your organisation's child safety/child protection policy and procedures to the application. If you do not have a formal child safety/protection policy, you must outline how you intend to comply with Child Safety law relevant to you or your organisation. This information will help us to assess whether your application has demonstrated capacity to deliver the project in line with the general eligibility requirements.

Please note, the City of Sydney does not regulate or monitor compliance with Child Safety law. Applicants should seek advice from the Office of the Children's Guardian, the Department of Education and Communities and /or the Australian Children's Education & Care Quality Authority regarding their child safety and protection compliance obligations as appropriate.

Inclusion and accessibility

All applicants will be asked to describe how their project considers participation, access and inclusion across the community.

The City of Sydney's Inclusion (Disability) Action Plan 2021-2025 guides the organisation's approach to ensure Sydney is inclusive and welcoming for everyone. This Plan includes actions that actively address barriers faced by people with disability. You can view the [Inclusion \(Disability\) Action Plan](#) on the City of Sydney's website.

The City of Sydney has developed Guidelines to assist event producers to plan and deliver events that are inclusive and accessible to everyone. The guidelines outline key access and inclusion considerations for all events. You can view the Inclusive and Accessible Event Guidelines on the City of Sydney's website.

Sustainability

All applicants are to ensure that any events or programs funded through a City of Sydney grant are delivered in an environmentally sustainable way. Please see our [sustainable event guidelines](#) and [guidelines for single use items](#) for information on how to reduce waste from events and services.

Applicants for specific programs may be asked to meet certain conditions to reduce the environmental impact of their project. The City of Sydney will provide educational material and guidance to assist applicants in understanding and meeting these conditions.

Collaboration with Aboriginal and Torres Strait Islander communities

All applicants will be asked to outline any plans they have to engage Aboriginal and Torres Strait Islander run businesses, organisations or individuals in the running of their project.

We are committed to exploring ways in which we can enhance the economic prosperity of Aboriginal and Torres Strait Islander peoples and organisations through our Grants Program. You are encouraged to consider engaging Aboriginal and Torres Strait Islander businesses into all aspects of your supply chain in the planning, delivery and implementation of your project.
