## Advice

Advice will be updated after the meeting.

## Background

In early 2022, the City introduced a series of Sydney Summer Streets events closing several high streets to support communities during the pandemic. The initiative was an opportunity for local businesses to extend their trade onto footpaths and outdoor settings. Following the success of the Sydney Summer Streets events, the City now plans to hold similar Sydney Streets events throughout the year to support communities and local businesses

The Sydney Streets has applied for the temporary road closures in Pyrmont for the Sydney Streets 2024 event on Saturday, 9 November 2024 from 8am to 11.30pm.

## Comments

The Sydney Streets 2024 is an ongoing event that requires the temporary closures of City streets and traffic detours around the event route.

The cycle paths in Union Street, Miller Street and Saunders Street will remain open except in the event area at the intersection of Harris and Miller Streets. People who are riding past the intersection will be required to dismount and be guided by traffic controllers to walk their bicycles past the event area.
