Advice

Advice will be updated after the meeting.

Background

In early 2022, the City introduced a series of Sydney Summer Streets events closing several high streets to support communities during the pandemic. The initiative was an opportunity for local businesses to extend their trade onto footpaths and outdoor settings. Following the success of the Sydney Summer Streets events, the City now plans to hold similar Sydney Streets events throughout the year to support communities and local businesses.

Comments

The Sydney Streets 2024 event is an ongoing event taking place several times a year that requires the temporary closure of City streets and traffic detours around the event route.
