Grants and Sponsorship - Environmental Grants

File No: S117676

Summary

The City of Sydney's Grants and Sponsorship Program supports initiatives and projects that build the social, cultural, environmental and economic life of the city. To achieve the objectives of the Sustainable Sydney 2030-2050 Continuing the Vision, genuine partnership between government, business and the community is required.

The provision of grants and sponsorships is a mechanism to further the aims identified in the City's social, cultural, economic and environmental policies. Applications are assessed against these policies and against broad City objectives and plans. In this way, the City and the community act collaboratively to achieve the goals of Sustainable Sydney 2030-2050 Continuing the Vision.

The City advertised the Green Building Grant in the annual Grants and Sponsorship Program.

For the Green Building Grant program, 13 eligible applications were received. This report recommends a total of 13 grants to a total value of \$95,087 in cash for payment in the 2024/25 financial year.

All grant recipients will be required to sign a contract, meet specific performance outcomes and acquit their grant. All figures in this report exclude GST.
