

Item 6

Report of the Corporate, Finance, Properties and Tenders Committee - 22 July 2024

Item 6.1

Confirmation of Minutes

Moved by Councillor Kok, seconded by Councillor Worling –

That the Minutes of the meeting of the Corporate, Finance, Properties and Tenders Committee of Monday 17 June 2024, as circulated to Councillors, be confirmed.

Carried unanimously.

Item 6.2

Statement of Ethical Obligations and Disclosures of Interest

Councillor HY William Chan disclosed a less than significant, non-pecuniary interest in Item 6.4 on the agenda, in that he is a member of the following associations: Committee for Sydney, Planning Institute of Australia, Materials and Embodied Carbon Leaders' Alliance (MECLA), and Green Building Council of Australia. He is elected on the executive board for Climate Emergency Australia and International Council for Local Environmental Initiatives (ICLEI).

Councillor Chan considers that this non-pecuniary conflict of interest is not significant and does not require further action in the circumstances because the recommendation for Council is to only note the City's membership of these associations.

Councillor Linda Scott disclosed a significant, non-pecuniary interest in Item 6.4 on the agenda, in that she is the President of the Australian Local Government Association (ALGA) and Local Government NSW is a member of ALGA. She is also the City's representative on Southern Sydney Region of Councils (SSROC). ALGA collaborates with the International Council for Local Environmental Initiatives (ICLEI) – Local Governments for Sustainability, Local Government Information Unit (LGIU), Institute of Public Works Engineering Australasia Limited (IPWEA), and a range of other organisations.

Councillor Scott stated that she would not be voting on this matter.

No other Councillors disclosed any pecuniary or non-pecuniary interests in any matters on the agenda for this meeting of the Corporate, Finance, Properties and Tenders Committee.

The Corporate, Finance, Properties and Tenders Committee recommends the following:
