Background

In July 2021, NSW Health has requested consideration of No Parking NSW Health Vehicles Excepted in Layton Street, Camperdown to assist NSW Health to manage patients who were isolating during the COVID-19 pandemic.

Comments

The kerb space on the western side of Layton Street, Camperdown between Purkis Street and Isabella Street, where the changes are proposed, is currently signposted as "No Parking NSW Health Vehicles Excepted".

On-site inspection shows there is a need to reinstate timed permit parking to increase parking turnover and improve resident access to on-street parking. This follows NSW Health advice that the parking spaces in front of Layton Street/Atlas Apartments are no longer required.

It is proposed to reallocate this parking to "1P 10am-10pm Mon-Fri Permit Holders Excepted Area G" and result in a gain of two (2) permit parking spaces.

Consultation

The City consulted local residents and businesses in the area. There were 65 letters sent out. A summary of the feedback received on the proposal will be updated at the meeting.

Financial

Funds are available in the current budget.
