Advice

Advice will be updated after the meeting.

Background

The City has received a submission from St Vincent's Hospital staff to remove the time restrictions for the motorbike parking in Victoria Street, Darlinghurst. The changes would provide more opportunities for motorbike parking for shift workers at the St Vincent's Hospital.

Comments

Parking on the southern side of Victoria Street in front of St Vincent's Hospital where the parking changes are proposed is currently signposted as "P 8am-6pm Motor Bikes Only" and unrestricted at other times.

Following feedback received from St. Vincent's Hospital staff that they are unable to use the motorbike parking spaces as the parking is often occupied by cars when hospital staff arrive for their shifts, it is proposed to remove the time restrictions and introduce all-day "Motorbike Parking".

Consultation

The City consulted local residents and businesses in the area. There were 4 letters sent out with no responses supporting or opposing the proposal.

Financial

Funds are available in the current budget.
