Advice will be updated after the meeting.

Background

In October 2020, the City and NSW Government entered a partnership to revitalise the city centre, establishing a \$20 million CBD Revitalisation Fund to boost the local economy and

invite the public back to the city. The City will continue this work by extending the outdoor dining program across the local government area until 30 June 2025.

Comments

At the LPCTCC meeting on 19 November 2020, the City presented to the Committee an overview of the temporary Alfresco Dining program involving the reallocation of road space and installation of jersey kerb barriers to enable the space to be used for outdoor dining in front of businesses.

It was agreed for the City to seek out-of-session endorsement from the Committee for the temporary reallocation of kerb space for establishment of outdoor dining areas.

As of 30 September 2024, the City has installed 181 outdoor dining areas in various City streets since November 2020. Of these 41 sites have been decommissioned for various reasons, with a total of 140 sites still in place.

The table below outlines the locations where parking was temporary reallocated to "No Stopping" to install an outdoor dining area since November 2020. Given that the continuation of the City's outdoor dining program, the temporary parking changes at the locations outlined in the table below would be extended to 30 June 2025.
