Background

Kopystop Printing of Mountain Street, Ultimo has requested consideration of "P5 Min" parking in Mountain Street to improve customer and delivery driver access to shops on the west side of Mountain Street.

Comments

The kerb space on the western side of Mount Street, Ultimo between the points 36.6 metres and 53.3 metres, where the changes are proposed, is currently signposted as 'No Parking'.

On-site inspection did not identify any significant issues with reallocating part of the existing 'No parking' area. 10m of 'No Parking' will be retained to ensure there is kerb space available for pick up / drop off.
