

Grants and Sponsorship - Social Grants

File No: S117676

Summary

The City of Sydney's Grants and Sponsorship Program supports initiatives and projects that build the social, cultural, environmental and economic life of the city. To achieve the objectives of the Sustainable Sydney 2030-2050 Continuing the Vision, genuine partnership between government, business and the community is required.

The provision of grants and sponsorships is a mechanism to further the aims identified in the City's social, cultural, economic and environmental policies. Applications are assessed against these policies and against broad City objectives and plans. In this way, the City and the community act collaboratively to achieve the goals of Sustainable Sydney 2030-2050 Continuing the Vision.

The City advertised the Food Support Grant program in the annual Grants and Sponsorship Programs.

For the Food Support Grant program, 24 eligible applications were received. This report recommends a total of 7 grants to a total value of \$455,000 in cash and \$11,845 in value-in-kind in the 2024/25 financial year.

On 22 August 2022, Council adopted a Grants and Sponsorship Policy. All grants in this report were assessed in accordance with the Grants and Sponsorship Policy, the Grants and Sponsorship Program Guidelines, the priorities set out in Sustainable Sydney 2030-2050 Continuing the Vision and various other relevant City strategies and action plans.

All grant recipients will be required to sign a contract, meet specific performance outcomes and acquit their grant. All figures in this report exclude GST.

Background

1. The City of Sydney's Grants and Sponsorship Program supports residents, businesses and not-for-profit organisations to undertake initiatives and projects that build the social, cultural, environmental and economic life of the city.
2. On 23 July 2024, the City announced that the Grants and Sponsorship Programs Winter round was open for application on its website, with grant applications closing on 20 August 2024.
3. Information about these grant programs (such as application dates, guidelines, and eligibility criteria) was made available on the City's website. The City actively promoted the grant programs through the corporate website, e-newsletters, advertising through paid social ads, paid LinkedIn, AdWords, Radio and an ArtsHub partnership. Email campaigns were utilised to target interested parties who have applied previously for grants at the City or who have expressed an interest in the City's programs.
4. As per the Grants and Sponsorship Program Guidelines, the Food Support Grants program is open to not-for-profit organisations and incorporated associations (Tier 1 and Tier 2) and individuals or unincorporated community groups auspiced by a not-for-profit organisation that is eligible to apply in their own right (Tier 1 only). For-profit organisations are not eligible for this program.

Grants assessment process

5. The City's Grants and Sponsorship Program is highly competitive. Applications that are not recommended have either not scored as highly against the assessment criteria as the recommended applications or have incomplete or insufficient information. The City's Grants and Sponsorship team provides feedback to unsuccessful applicants.
6. The assessment process includes advice and recommendations from a suitably qualified assessment panel. The applications are scored against defined assessment criteria for each grant program as well as the integrity of the proposed budget, project plan, partnerships, contributions and connection to the local community and industry sectors.
7. The assessment criteria for the Food Support grants program requesting up to \$20,000 cash per year are:
 - evidence of the need for the project or program and proposed outcomes;
 - capacity and experience of the applicant to deliver the project or program; and
 - evidence of the project or program having direct engagement with our diverse communities, including Aboriginal and Torres Strait Islander people, people experiencing or at risk of homelessness, young people, older people, people with disability, international students, culturally and linguistically diverse communities, women, LGBTIQ+ communities and low-income earners.

8. Applicants who requested more than \$20,000 in cash per year are also assessed against the following additional assessment criteria:
 - how the project delivers against the funding priorities.
9. Applicants to the Food Support grants - Tier 2 are also assessed against the following additional assessment criteria:
 - evidence of partnerships with local community organisations and networks.
10. The assessment meeting for the Food Support Grant program was held on 19 September 2024 to ensure grant applicants were assessed against the relevant assessment criteria.
11. The assessment panel consisted of City staff from the Strategy and Urban Analytics and City Business and Safety and Teams, with specialist input from staff from the Indigenous Leadership & Engagement and Social City Teams.
12. Once recommended applications are approved by Council, a contract is developed which includes conditions that must be adhered to and acquitted against.
13. It is expected that all successful applicants will work cooperatively with relevant City staff throughout the project for which they have received funding.
14. All grants and sponsorships are recommended on the condition that any required approvals, permits and development consents are obtained by the applicant.
