6.3 **Inspection by the City**

- (a) The City's Representative must inspect the Developer's Works within 5 Business Days of the date that the Completion Notice is received by the City. The City's Representative may refuse to complete the inspection until the Completion Notice has been issued with all required documentation attached in accordance with clause 6.2. Within 10 Business Days of the date of the inspection by the City's Representative, the City must by written notice to the Developer:
 - (i) state that Completion has been achieved;
 - (ii) state that Completion has not been achieved and, if so, identify the Defects, errors or omissions which, in the opinion of the City's Representative, prevent Completion (in which case, clauses 6.2 and 6.3 apply again); or

- (b) Nothing in this clause 6.3, or any notice issued under this clause 6.3, will:
 - (i) reduce or waive in any manner the Developer's responsibility to:

 - (ii) the City may make a claim on the Guarantee in such amount as the City considers necessary to complete the portion of Public Benefit not being delivered by the Developer.

- (b) If the Developer fails to complete the whole of the Public Benefits in the form and to the standards required under the Development Consent or this document then the City may either:

and may recover all costs of and reasonably incidental to that work from the Developer. The City can claim on the Guarantee in order to exercise this right, in which case the provisions of clause 10 will apply. To the extent that the City's costs exceed the amount of the Guarantee, the City can recover this amount from the Developer as a debt due and owing to the City.

The Developer indemnifies the City against all damage, expense, loss or liability of any nature suffered or incurred by the City arising from any act or omission by the Developer (or any Personnel) in connection with the performance of the Developer's obligations under this document, except to the extent the damage, expense, loss or liability suffered or incurred is caused by, or contributed to by, any wilful or negligent act or omission of the City (or any person engaged by the City).

8. **DEFECTS LIABILITY**

8.1 **Security for Defects Liability Period**

Until the expiry of the relevant Defects Liability Period, the City may retain from the Guarantee an amount equal to 10% of the Attributed Value of the Developer's Works as security for the Developer's performance of its obligations under this clause 8. - (a) If:
- (i) the Developer is in breach of clause 4.2 of this document; or
 - (ii) the City notifies the Developer of a Defect in the Public Benefits within the Defects Liability Period,

then, following written notice from the City, the Developer must promptly correct or replace (at the Developer's expense) the defective elements of the Public Benefits.

- (b) If the Developer is unable or unwilling to comply with clause 8.2(a), or fails to rectify the Defect within three months of receiving notice from the City under clause 8.2(a), the City may:
 - (i) rectify the Defect itself;
 - (ii) make a claim on the Guarantee in accordance with clause 10 for the reasonable costs of the City in rectifying the Defect; and
 - (iii) to the extent the costs incurred to rectify the Defect exceeds the Guarantee, recover the reasonable costs from the Developer as a debt due and owing to the City.
- (c) If the City requires access to the Land to rectify any Defect, the Developer grants the City and its contractors a licence for such period as is necessary for the City and its contractors to access the Land to carry out, or procure the carrying out, of the rectification works.

 - (A) producing any documents or letters of consent required by the Registrar-General of the NSW Land Registry Services; and
 - (B) providing the City with payment for registration, electronic lodgement and requisition fees (where applicable) required for registration of this document at NSW Land Registry Services.
 - (iv) The Developer and The Owners must act promptly in complying with and assisting to respond to any requisitions raised by the NSW Land Registry Services that relate to registration of this document.

9.2 **Release of this document**

- (a) If the City is satisfied that the Developer has provided all Public Benefits and otherwise complied with this document then the City must promptly do all things reasonably required to remove this document from the title to the Land.

- (b) The Developer must, within 10 Business Days of a written request from the City, do all things necessary to allow the City to comply with clause 9.2(a), including but not limited to:
 - (A) producing any documents or letters of consent required by the Registrar-General of the NSW Land Registry Services; and
 - (B) providing the City with payment for registration, lodgement and requisition fees (where applicable) required for removal of this document from the title to the Land by NSW Land Registry Services.

10. ENFORCEMENT

10.1 Developer to provide Guarantee

The Developer must deliver the Guarantee for the Guarantee Amount to the City by the Guarantee Amount Due Date.
