Advice

Advice will be updated after the meeting.

Background

Vigilant Group has requested the temporary installation of a "Special Event No Parking 8.30am-10pm" restriction on the southern side of Wilson Street, Darlington, west of Codrington Street, between Monday 12 May to Friday 16 May 2025, to provide a safe drop-off zone for taxis and hire cars during the Australian Fashion Week.

Comments

The provision of a temporary “Special Event No Parking 8.30am-10pm” restriction, adjacent to Carriageworks, in Wilson Street, Darlington for Australian Fashion Week event has been installed during previous years' events. This year's event will occur between Monday 12 May to Friday 16 May 2025. This temporary restriction will provide a drop-off zone, 12 car spaces in length (including the existing "No Parking" zone, for taxis and hire cars).

The kerb space on the southern side of Wilson Street, west of Codrington Street, where the parking change is proposed, is currently a combination of "No Parking 10am-11pm" and unrestricted for parking.

The temporary restriction will be used for drop-off only. No taxi ranking will be permitted. The picking-up of passengers by taxis and hire cars will occur within the Carriageworks site. Vigilant Group will provide traffic control and encourage visitors to attend the event using public transport.

Consultation

The Applicant will be required to notify affected stakeholders at least seven days prior to the installation of the temporary signage.

Financial

All costs associated with the temporary signposting will be borne by the Applicant.
