Dear Jessica Symons,  
I write regarding the submission for comment at 14-26 Wattle St.

Please would you consider enforcing a green/nature based/garden roof?  
I live in 80 Fig St and my view of Wentworth park will be completely blocked by this new building.  
At least a green roof would:

- look nice
- add to Sydney City and the sites environmental goals
- improve biodiversity
- increase foliage cover

Thank you for your consideration.  
Ivan Buckingham
