SUBJECT: Information Relevant To Item 3 – Development Application: 158 Wyndham Street, Alexandria – D/2024/803

For Noting

That the Local Planning Panel note the information contained in this memo.

Background

Attachment A to this memo contains 9 additional submissions which were not included in the Local Planning Panel meeting papers for Item 3, specifically Attachment E – Submissions.

As noted in the Assessment Report, the application was notified between 8 October – 30 October 2024. 64 submissions were received, including 50 in objection and 14 in support. This total number includes the 9 additional submissions mentioned above (that have not been published online due to a clerical error).

Attachment E – Submissions contains an automatically generated PDF that combines all submissions registered in Council's system up until close of business on 30 October 2024.

The 9 additional submissions were received after this time and were therefore not included in the automatically generated combined submissions file.

Notwithstanding, all of the matters raised in these submissions were considered in Council's assessment of the application and form part of the total number of submissions received, being 64 submissions, as discussed in the Assessment Report.
