Advice

Advice will be updated after the meeting.

Background

Built Pty Ltd has requested a 75 metre long Works Zone in Hunter Street, Sydney.

The Works Zone is to facilitate construction works at 2 Chifley Square.

Comments

The kerb space on the northern side of Hunter Street, Sydney between Phillip and Macquarie Streets where the works zone is proposed is currently signposted as "No Parking" and "No Stopping Mon-Fri, No Parking Sat-Sun & Public Holidays".

To minimise impacts on traffic flow during the AM peak and PM Peak periods, the Works Zone will operate only during the off-peak hours on weekdays. Transport for New South Wales (TfNSW) has approved the weekday off-peak works zone hours.

The Works Zone is intended to operate from 10am to 3pm Monday to Friday and 7am to 5pm Saturday in accordance with the Development Consent Conditions. After the Works Zone hours the kerb space will revert to "No Parking".

The street is wide enough to allow the Works Zone to be installed without affecting traffic flow or property access.

Consultation

The applicant must notify adjacent properties at least 14 days prior to the implementation of the Works Zone.

Financial

All costs associated with the Works Zone will be borne by the Applicant.
