

Item 7.

Summary of Applications to be Reported to the Central Sydney Planning Committee

File No: S042755-02

Summary

The purpose of this report is to inform members of the Central Sydney Planning Committee of development applications currently under assessment that are to be determined by the Central Sydney Planning Committee.

Recommendation

It is resolved that the subject report be received and noted.

Attachments

Attachment A. Applications to be Reported to the Central Sydney Planning Committee

Attachment B. Statistical Information about Applications to be Reported to the Central Sydney Planning Committee

Background

1. There are currently 174 development applications under assessment. The total stated value of all development applications under assessment is \$1.9 billion as of 21 August 2025.
2. There are a further 178 other development related applications under assessment including applications to modify and review a determination, subdivision certificates, heritage works and footway applications.
3. There are 168 development applications under assessment that are to be determined under delegation or referred to the Local Planning Panel.
4. There are currently 6 development applications to be considered by the Central Sydney Planning Committee (CSPC) with a combined value of \$1.49 billion.
5. The applications to be reported to the CSPC are detailed in Attachment A to the subject report.
6. Trend graphs showing numbers and value of development, as well as the average number of outstanding days of development applications to be considered by the CSPC at end of each quarter are provided in Attachment B to the subject report. The graphs represent the period from first quarter of 2024/25 to the end of fourth quarter of 2024/25.

Relevant Legislation
